This Memorandum of Understanding is entered into pursuant to the Meyers-Milias-Brown Act (California Government Code Sections 3500, et. seq.) as amended. It has been jointly prepared and is the result of meeting and conferring in good faith and represents the complete understanding between the parties as to all matters upon which the parties reached agreement. Nothing herein shall prevent the parties to this Memorandum of Understanding from meeting and conferring and making modifications herein by mutual consent.

The City of Emeryville (hereinafter, "City") and the Emeryville Police Officers' Association (hereinafter, "EPOA") hereby restate their joint commitment to the achievement and maintenance of a relationship built on open communication which fosters the equitable resolution of the concerns of each part regarding hours, wages, and other applicable conditions of employment.

Section 1. Association Recognition

The EPOA is the recognized and exclusive representative of the bargaining unit consisting of the classifications of Police Officer and Sergeant of Police and has concluded this Memorandum through its authorized representatives.

Section 2. Management Rights

Except as otherwise provided, the management rights of the City shall include, but are not limited to:

the exclusive right to determine the mission of the Department; to determine work and performance standards; to plan, direct, and control all police operations and set departmental policy, goals, and objectives; to determine staffing levels; to determine work schedules, tours of duty and daily assignments; to determine the procedures and standards of selection for employment and promotion, and to hire and promote according to established City procedures; to determine standards of on duty conduct of employees; to discipline and fire employees under established procedures; to maintain the efficiency of Department operations; to determine the number, location, and nature of its facilities; to determine the methods, means and personnel by which the Department operations are to be conducted; to determine and revise the content of job classifications; to determine transfer policy; to take any and all necessary actions to carry out its mission in emergencies; to educate and train employees and determine criteria and procedures; to contract or subcontract out for goods and services; and to exercise complete control and discretion over its organization and technology of performing its work.

The City shall not be required to meet and confer on any subject preempted by federal or state law nor shall it be required to meet and confer in good faith on management rights as defined in this section unless the exercise of those management rights affects any matter within the scope of representation under Government Code Section 3504.

Section 3. Discrimination Prohibited

The City and EPOA agree that they shall not discriminate in any way on account of race, creed, religion, sex, national origin, political affiliation, handicap, age, or sexual orientation. City agrees that no employee shall be discriminated against because of EPOA membership or activity.

Section 4. Health and Welfare4.1 Medical Insurance

The City shall continue to contract with the Public Employees' Retirement System (PERS) for the purpose of providing medical insurance benefits for active employees, eligible retired employees and eligible survivors of retired employees.

The City shall pay the following amounts each month on behalf of each eligible full-time active employee who subscribes for coverage; except, however, the City will only pay up to 100% of the appropriate premium for the medical plan in which such eligible employee is enrolled:

Employee Only	182.75
Employee + One Dependent	352.75
Employee + Two or more Dependents	463.25

For the purpose of this section, a dependent is defined as a person who satisfies the definition of dependent in the PERS medical insurance plan in which the employee is enrolled. Such dependents must also be enrolled in and covered by the plan.

4.2 Flexible Benefits

The City shall establish a Flexible Benefits Account for each full-time active employee in regular or probationary status enrolled in one of the PERS medical insurance plans offered by the City.

City Contribution: In the event the above listed amounts are insufficient to pay 100% of the premiums required of the medical insurance plan in which the employee is enrolled, the City shall make such supplemental payment into the employee's Flexible Benefit Account as is necessary to equal one hundred percent (100%) of the premium of the medical insurance in which the employee is enrolled up to a maximum monthly premium of:

Effective January 1, 2019

Employee Only	\$698.99
Employee + One Dependent	\$1397.99
Employee + Two or more Dependents	\$1817.41

The City and EPOA will continue to follow the pre-existing 80/20 cost share formula for increases in the Kaiser Bay Area medical insurance rates at the respective levels of participation for the duration of this MOU.

The monies in an employee's Flexible Benefits Account shall be used for one of the following purposes only: a) payment of premium charges for the PERS medical insurance program in which the employee is enrolled; b) payments on the employee's behalf to the City of Emeryville/ICMA Deferred Compensation Program; or c) payments to an established Dependent Care Allowance Plan.

The City will not treat these monies under the Flexible Benefits plan as compensation subject to income tax withholding unless the Internal Revenue Service or the Franchise Tax Board indicates that such contributions are taxable income subject to withholding. Each employee shall be solely and personally responsible for any federal, state or local tax liability of the employee that may arise out of the implementation of this section or any penalty that may be imposed therefore.

In the event an employee enrolls in a medical plan for which the premium exceeds the City's contribution for medical insurance and Flexible Benefits as provided herein, such additional sum shall be withheld from the employee's salary by the City.

Unless the individual employee notifies the Human Resources Director in writing prior to May 30 each year, that they elect to have their Flexible Benefits paid into the Deferred Compensation Program, it will automatically be used to pay premium changes for the elected medical insurance program.

Each employee shall be responsible for providing immediate written notification to the Human Resources Director of any change to the number of their dependents which affects the amount of the City's payment to the Flexible Benefits Account. Changes to Flexible Benefit payments required because of a change in an employee's number of dependents shall take effect at the start of the first pay period in the month next following the month in which advice from the employee is received by the Human Resources Director. No retroactive increases to the City's payment shall be allowed.

The City reserves the right to provide medical insurance benefits under a program other than that offered through the PERS medical insurance program at any time during the term of this Memorandum of Understanding. Alternate coverage may be provided through a consortium of public agencies or private employers which may be formed for the purpose of providing medical insurance benefits for employees; or through a program of self-insurance. If the City exercises this option, the alternate coverage shall be substantially equivalent to the level of benefits in effect on July 1, 2019.

The City shall offer to meet and confer with the Union regarding such alternate coverage prior to the effective date of such alternate coverage.

Employee + One Dependent	\$90.26
Employee + Two or more Dependents	\$132.59

The City reserves the right to provide dental care benefits under a plan or through a carrier of its choice. Alternate coverage may be provided through a consortium of public agencies or private employers which may be formed for the purpose of providing dental care benefits for employees; or through a program of self-insurance. The City need only expend for this purpose the actual amount required to achieve parity between the benefits agreed to be provided under Sections 4.1 and 4.2 and the benefits provided under any federal or state plan as supplemented in the manner hereinabove described.

If the benefits provided under the Federal or State Act exceeds the benefits provided hereunder in each category of coverage, the City shall be under no further obligation to make any contribution in pursuance of this Section.

- 17.4 Seniority for officers in a specialty assignment shall be determined by the date of original appointment to the position of Police Officer, however, any periods of absence from employment due to resignation or leave of absence shall be deducted from the total amount of service and the officer's seniority date adjusted accordingly.
- 17.5 The Chief of Police shall determine the number of positions necessary to staff each Section with Police Officers and Sergeants. The allocation of such positions shall also include the days off assigned to each such position.
- 17.6 Sworn personnel in the ranks of Sergeant and Police Officer shall select the position to which they wish assignment in their respective Sections from the positions allocated by the Chief of Police. The selection shall be made by Sergeants and Police Officers in the order of their seniority as determined by the process set forth above.
- 17.7 The duration of each Patrol Section shift selection shall be for a period of six (6) months. This procedure may be evaluated at any time by the parties to this Agreement, and it may be modified by mutual agreement.
- 17.8 For the Patrol and Traffic Sections, the current shift schedules shall remain in place. If the City desires to modify either shift schedule on or after that date the following will apply:
- A. The City must submit a written notice of its desires to the Association President (or in the President's absence a member of the Association Executive Board) at least one hundred twenty (120) days in advance of the tentative effective date of the change; i.e. the next semi-annual shift bid. The City's notice must contain the tentative effective date of the change, and the City's specific desired structure of regular days of work and starting and quitting times.
 - B. During the first ten (10) days following delivery of the notice to the Association as specified above, the Association may request in writing to meet with the Police Chief to discuss the City's desired changes. Such request shall be timely submitted to the Police Chief and the Director of Human Resources. Absent delivery of such timely request, the City may implement the desired changes on the shift bid date specified in its notice to the Association described above.
 - c. If the Association timely submits a request to meet the City as described in subsection B above, the Association shall initially meet to discuss the

- change(s) not later than ten (10) days after the Association submits its request to meet, and shall continue to meet and discuss the changes at mutually convenient times during the next thirty (30) days as long as differences remain over any Association objections to the changes. The Parties shall engage such discussions in good faith. If all Association objections are resolved, the Parties shall memorialize the resolution in writing, and the terms of resolution shall be effectuated when the changes are implemented and shall remain in effect through the next shift bid or until such later shift bid date on which the Chief desires to again change the shift schedule.
- D. If after the time period for discussions initiated under subsection C above has been exhausted, and if the Association continues to maintain objections to the proposed changes, the Association or City may request expedited arbitration by a neutral third-party arbitrator by delivering written notice to the other. Such notice shall be delivered to the Police Chief and Human Resources Director (for the City) and to the Association President (or an Executive Board member in the President's absence.) In the absence of such timely request, the City may proceed to implement the proposed change on the effective date specified in the notice given pursuant to subsection A above.
- E. If either party requests arbitration as provided in subsection D above, the City shall promptly submit a written request to the State Mediation and Conciliation Service for a list of the names of seven neutral (7) arbitrators. Within five (5) business days after the Parties receive the list they shall meet and alternately strike names, the order of striking determined by lot, until only one name remains on the list. Either Party shall contact the remaining arbitrator by letter (cc the other Party), identifying the Parties' respective representatives in the matter, and asking to promptly schedule the hearing on the dispute. Nothing herein shall preclude the Parties from selecting an arbitrator by mutual agreement in lieu of the foregoing procedure.
- F. In an arbitration pursuant to this subsection, the arbitrator shall hear and decide any procedural dispute over whether either Party has failed to adhere to one or more of the time limits, good faith, or notice requirements set forth in this subsection. If the arbitrator determines that the City has breached any such requirement, the arbitrator shall bar the City from moving forward with its desired change. Such order may not bar the City from re-proposing its desired changes with a new tentative effective date (i.e. at a later semi-annual shift bid), and following the steps set forth in this subsection, as necessary, to satisfy its obligations. If the arbitrator determines that the Association has breached any time limit or notice requirement set forth above, such breach shall bar the Association's objections and the City shall be entitled to proceed with implementation of the desired change at the next semi-annual shift bid.

G. If neither Party asserts a breach of time limits or notice requirements, or if the arbitrator determines that all such assertions are without merit, the sole question before the arbitrator shall be whether the City's desired changes, taken as a whole, are unreasonable, in light of the operational conditions addressed by the proposed change and the impact of such change on affected employees in the bargaining unit. The burden shall be on the Association to demonstrate that such changes are not reasonable, taken as a whole.

17.9 For operations other than the Patrol and Traffic Sections, the following shall apply:

- A. The Police Chief (or designee) may determine and implement any reasonable shift schedule (regular days of work and rest, starting and quitting times) or reasonable change thereto after giving ten (10) days advance written notice to the Association President (or an Executive Board member in the President's absence) and an opportunity to meet to discuss the schedule in good faith.
- B. If the Association believes that the schedule implemented pursuant to subsection A above is not reasonable, the Association may request arbitration within five (5) days by written notice to the Police Chief and Human Resources Director. If the Association timely requests arbitration as provided in subsection D above, the City shall promptly submit a written request to the State Mediation and Conciliation Service for a list of the names of seven neutral (7) arbitrators. Within five (5) business days after the Parties receive the list they shall meet and alternately strike names, the order of striking determined by lot, until only one name remains on the list. The Parties shall jointly contact the remaining arbitrator on the list to arrange to hear the dispute. Nothing herein shall preclude the Parties from selecting an arbitrator by mutual agreement in lieu of the foregoing procedure. The arbitrator initially shall hear and decide procedural issues and on determining any breach make the nonbreaching party whole. Once procedural issues are resolved, and unless the arbitrator's ruling on procedural issues has the effect of terminating the proceeding, the sole remaining question before the arbitrator shall be whether the schedule implemented by the City is unreasonable based on the relevant evidence submitted at hearing and, if so, the remedy that will make the affected members whole.

17.10 In the event of a bona fide operational police emergency, the Chief may temporarily alter the shift schedule then in place until the emergency abates. The City shall return employees to the pre-existing schedule no later than but as soon as the emergency abates.

17.11 The responsibility for the arbitrator's fees and for representation in connection with an arbitration under the foregoing subsections 17.8 and 17.9 shall be the same as for an arbitration conducted under the Grievance Procedure under this MOU.

- 17.12 The procedures set forth in subsections 16.8 and 16.9 above are the exclusive procedure through which disputes over on-going changes in the regular shift schedule may be processed.

Section 18. Public Employees' Retirement System

- 18.1 For employees hired before the implementation of the 3 at 55 formula, as stated below and for the duration of this agreement, the City shall implement and maintain a contract with the Public Employees' Retirement System (PERS) providing members of the EPOA with a 3% @ 55 retirement plan with 1959 Survivor benefits, effective July 1, 2001. The Parties acknowledge that this formula, as adopted by the City, provides that "final compensation" for purposes of determining the employee's pension benefit is based on the highest single year of compensation earnable pursuant to Government Code Section 20042. Additionally, the City shall pay the rate prescribed by the Public Employees' Retirement System (PERS) for employer contributions to the public Employees' Retirement System in accordance with the rules and regulations governing such employer contributions.

On or after January 1, 2011, as the date is determined by the Employer to accommodate legal and administrative requirements, the City will contract for and implement a second pension tier providing the PERS "3% at age 55" formula for employees hired on or after the date the Employer adopts that formula. The formula will provide that "final compensation" for purposes of determining the employee's pension benefit is based on the highest average annual compensation earnable by the member during three consecutive years of service pursuant to Government Code section 20037.

The City contract with the Public Employees Retirement System will continue to provide for Military Service Credit buy back. Military Service credit may only be purchased at the time of application for service retirement.

- 18.2 For purposes of withholding, the City shall deduct that portion of the employee's contribution paid to PERS toward the PERS employee contribution on a tax deferred basis pursuant to section 414 (h) (2) of the Internal Revenue Code, adopted pursuant to City of Emeryville resolution. The tax deferral does not apply to FICA/Social Security. Each employee shall be solely and personally responsible for any federal, state, or local tax liability of the employee that may arise out of the implementation of this section or any penalty that may be imposed therefore.

- 18.3 Mandatory Employee Partial Payment of Employer Contribution.

In recognition of additional pension benefits previously granted to members of the bargaining unit, employees will pay four (4%) percent of their "compensation earnable" or pensionable compensation, as applicable, as defined by Government Code Sections 20636 and 7522.34(a) respectively, toward the Employer's CalPERS contribution.

Effective on January 1, 2018 or as soon as practicable after the City Council ratifies this Agreement, the employees will pay an additional one percent (1 %) of their compensation earnable or pensionable compensation, whichever applies based on their pension tier membership, toward the Employer's CalPERS contribution. These employee payments are

mandatory and will be deemed employee contributions, as provided below. To the extent allowable by applicable law, the payments made by employees pursuant to this subsection 18.3, Mandatory Employee Partial Payment of Employer Contribution, will be deducted from their paychecks on a pre-tax basis pursuant to section 414(h)(2) of the Internal Revenue Code, as described above. The City will amend its CALPERS contract so that these contributions made by the employee will be attributed to the employee's CalPERS account to the extent permissible by the California Public Employee

Retirement Law. The City has adopted a resolution specifically providing a section 414(h) (2) of the Internal Revenue Code mechanism for employee payments made under this subsection 18.3.

18.4 Public Employees' Pension Reform Act.

Effective January 1, 2013, newly hired employees that are considered "new members" in accordance with the Public Employees' Pension Reform Act (PEPRA) shall be enrolled in the PEPRA 2.7% at age 57 Safety benefit formula (average of highest three years compensation earnable and Level III Survivor Benefits plan), in accordance with applicable law and PEPRA. Employees enrolled in the 2.7% @ 57 shall contribute to the PERS each pay period twelve and one quarter percent (12.25%) of pensionable compensation toward the PERS employee contribution rate.

18.5 Public Agency Retirement System.

- 1) The City will maintain a contract with the Public Agency Retirement System ("PARS") whereby retiring employees, hired before the effective date of the second tier PERS formula the City adopts pursuant to section 17.1 above, will be eligible for a supplemental pension benefit that, in combination with their CalPERS "3% @ 55" benefit will provide them with a total lifetime benefit that equals three percent (3%) of their highest year's PERS-able wages at age 50 (up to a maximum benefit equal to 90% of those wages). The PARS supplemental pension benefit includes a two percent (2%) compounding annual cost of living increase on the anniversary date of the employee's retirement. Subject to any modification that the City and Union may hereafter negotiate, vesting in and eligibility to receive this supplemental benefit will not occur until and unless the employee simultaneously retires from the City through CalPERS and PARS with at least fifteen (15) years of City service at or after age 50. The PARS benefit provided under this section shall only be payable for periods that the employee remains simultaneously retired under CalPERS.
- 2) The City shall determine the investment mix for its PARS benefit fund, within the range of options offered through PARS.
- 3) An updated actuarial study of the cost of the PARS benefit shall be performed each year, with adjustments to occur the following July 1. PARS shall select the actuary to perform such studies. All documents transmitted between PARS and the City pertaining to such study shall be copied to the EPOA. The actuarial methodology employed shall be substantially the same as that used in the study performed prior to the final agreement reached between the parties to provide

this benefit. The parties acknowledge that the assumptions included a seven percent (7%) rate or return on investment, a twenty (20) year amortization period for unfunded liability, and a payroll growth rate of 3.25% per year. However, pursuant to the recommendations of the actuary retained by PARS, reasonable variations or changes in methods and assumptions may be implemented by the City to reflect the recommended actuarial practices, changes in actual and expected rates of return on investment, salary growth rate, retirement behavior, unit demographics, etc. The City shall promptly notify the EPOA of any recommended changes in assumptions or methodology and, on request within seven (7) days of such notice, meet with the EPOA to discuss the changes before they take effect.

- 4) If the actuarially determined contribution necessary to fully fund the PARS benefit provided herein exceeds four and one-half percent (4.5%) of PERS-able pay, the excess shall be offset by a uniform reduction of the wage schedule until the excess no longer exists.

Effective January 1, 2018 the Education Incentive Rate for employees with an A.A.

The Police Chief shall have the authority to extend the probationary period an additional six (6) months.

Employees promoted to the Police Sergeant classification shall serve a six (6) month probationary period. The Police Chief shall have the authority to extend the probationary period an additional six (6) months.

Section 21. Overtime

21.1 Definitions

- 1) "Overtime" is any work performed in excess of forty (40) hours in a work week, or in excess of an employee's regularly scheduled work day, or on a regularly scheduled day off.
- 2) "Extension of the work day" means an extension of a regular work day, either before or after the shift.
- 3) "Standby overtime" occurs when any employee is required while off duty to be in an on-call status and available for immediate call back or is otherwise required to stand by or report his or her whereabouts during off duty hours.
- 4) "Call back time" is that time, exclusive of training or court overtime, which any employee spends at work when called back to duty on the employee's day off or during off duty hours on a regular work day other than time worked as an

extension of the work day.

- 5) "Court Overtime" is time worked off duty for the purpose of conferring with members of the District Attorney's Office or appearing in court when subpoenaed as a witness in a criminal case or a civil case related to events perceived or investigated in the course of the employee's duty.

The parties agree to address the interests of the Department as articulated during negotiations for twelve (12) months following the execution of the MOU. At the end of the twelve-month period, should the Department desire to address the issues underlying the proposal, then the City / Department may reopen the MOU for the limited purpose of addressing members calling in sick when the member has previously been scheduled to work an overtime shift. The reopener must be exercised no later than thirteen (13) months after the execution of the MOU.

21.2 Rate of Compensation

Any authorized overtime worked shall be compensated at the rate of one and one-half (1-1/2) times the employee's regular straight-time rate of pay as defined in the Fair Labor Standards Act (FLSA). Overtime compensation shall be earned/compensated in increments of six (6) minutes.

Except as otherwise provided herein, overtime shall commence at the time an employee reaches the place where he or she is directed to report and shall continue until he or she is released or the work is completed, whichever is the earlier.

Compensation for an overtime shift will be based on the same method as for regular shifts, modified by the overtime rate.

21.3 Overtime Approval

All overtime credit must be approved by the Watch Supervisor or Division Commander.

21.4 Standby Time

If an employee is placed in an on call status, known as standby, by the Department or the District Attorney's Office, such employee shall be credited with one-half (h) their regular hourly salary rate during the period that they are on standby, provided that the employee shall be available at a telephone number supplied to the Department or District Attorney's Office during the standby period, and must report for duty if called at the time specified by the Department or the District Attorney's Office and that an employee will not be on standby for more than twelve (12) consecutive hours.

When the District Attorney's Office places an employee on standby, the employee must notify the on-duty Patrol Sergeant, who will complete the necessary Department records. At the completion of the standby period, the employee will complete the necessary

Department form in person or by telephoning the dispatcher with the ending time. The form shall be verified by the on-duty Watch Supervisor.

21.5 Court Overtime

- 1) Employees who are required to testify in court or attend an attorney conference in any employment related civil or criminal matter immediately before or after his/her tour of duty that is an extension of their work day shall be compensated at the time and one-half (1-1/2) rate for actual time worked.
- 2) Employees who are off duty and who are required to testify in court or attend an attorney's conference in any employment related civil or criminal matter will receive a minimum four (4) hours overtime computed at time and one-half (1-1/2). - 6) When an employee is on vacation and the vacation is interrupted by a required court appearance or attorney conference, the employee shall be given an additional vacation day for each day of court appearance or attorney conference, and, subject to the approval of the Chief of Police, for travel time when the return from vacation is outside the immediate area.

21.6 Call Back Time

If an employee is called back to work, they shall, upon reporting, receive a minimum of four (4) hours work, or if four (4) hours work is not furnished, a minimum of four (4) hours pay at time and one-half (1-1/2). This provision does not apply to instances in which the employee is called to report before their regular starting time and performs the work as an extension of the regular work day.

An employee affected by this provision may be assigned to perform any duties in his or her job classification in lieu of being sent home.

If, during off-duty hours, an employee assigned to the Crime Investigation Section (CIS) receives and participates in a phone or text communication related to a specific investigation during off-duty hours, they shall be compensated a minimum of one quarter ($\frac{1}{4}$) hour of pay at the overtime rate (1.5 times regular rate of pay). If the call lasts longer than a quarter hour, additional compensation will be paid in six minute increments in the same manner as overtime pay. If there are multiple phone and/or text communications during the same one quarter ($\frac{1}{4}$) hour period, an employee is only entitled to one quarter ($\frac{1}{4}$) hour of pay at the overtime rate for the multiple phone or text communications. Before communicating in the above manner, an employee must obtain approval from an on-duty supervisor. To be compensated for the one quarter ($\frac{1}{4}$) hour of pay at the overtime rate, the employee assigned to CIS is required to note the relevant police report, incident or case number on his/her timesheet for the pay period in which the call was taken.

21.7 Extension of Work Day Overtime

Overtime performed as an extension of the work day is computed at time and one-half (1-1/2) for the actual time worked. If an employee is required to report for duty early as an extension of the employee's work day, every effort shall be made to permit the employee to terminate work after an employee's regularly scheduled work shift if requested by the employee.

21.8 Overtime for Training

- 1) If an employee is required by the Department or by state law to attend a training class on a regular day off or on a regular work day, but not as an extension of the work day, the employee shall be guaranteed a minimum of four (4) hours overtime at the overtime rate of pay which shall be paid.
- 2) If an employee is required by the Department to attend a training class as an extension of the regular work day, the employee shall be guaranteed a minimum of one (1) hour overtime at the overtime rate of pay, with the understanding that there may be, at the Department's discretion, a break of less than fifteen (15) minutes between the end of the work day and the beginning or end of the one (1) hour training period.
- 3) Compensable training under this section may include, but is not limited to education, compulsory firearms training, meetings, conferences, and emergency care procedures, i.e., first aid and CPR.

21.9 Commuter Training

Travel time to a training venue shall be pre-approved, assessed and authorized by the Chief of Police or their designee. All off-duty approved travel time will be compensated at a rate of time and-half (1 h) the regular hourly rate of pay.

21.10 Compensatory Time Off

An employee may elect to accumulate compensatory time off in lieu of payment for overtime worked. Compensatory time off shall accumulate at the rate of one and one-half (1-1/2) hours for each hour of overtime worked, to a maximum accumulation of one hundred (100) hours. The City shall buy-back compensatory time off accumulated in excess of eighty (80) hours annually during the month of November.

21.11 Use of Compensatory Time

Employees wishing to take compensatory time off must submit the necessary Department forms to their direct supervisor, giving reasonable advance notice.

- 1) If the request will not cause a team to fall below minimum staffing at the time of the request, the request should immediately be approved unless exigent circumstances prevent the approval. If the request will cause a team to go below minimum staffing, absent exigent circumstances, the following should occur: Within two (2) calendar days of receipt of the request, the direct supervisor should post the requested days for soliciting voluntary sign-ups for the overtime shift(s). In the event the voluntary sign up is not filled within 72 hours prior to the requested time off and minimum staffing is not met, the direct supervisor has the ability to deny the compensation time request.
- 2) For the purpose of this subsection, the number of compensatory hours an employee is required to use to be off on their scheduled work day and/or work week, will be a function of the employee's regular work schedule.
- 3) Compensatory time off may be requested and scheduled in advance to allow an employee to be off work on a combined vacation leave/compensatory time off period of one (1) week.

Section 22. Strikes and Lockouts

Employees represented by the EPOA shall not engage in any illegal strike, walkout, work stoppage, slow down or other interference with the conduct of City operation. Any employee engaged in such activity which is illegal may be subject to disciplinary action. The City shall not engage in any illegal lockout of employees covered by this agreement.

Section 23. Layoff Procedures

23.1 Purpose:

This article provides the procedure to be followed when an employee is displaced/laid off from his/her position due to a reduction in the work force.

23.2 Definitions:

- 1) Layoff: Dismissal of at least one employee due to the lack of work, lack of funds, or abolishment of position.
- 2) Downgrade: A change in job classification of which the top salary is less than the top salary of the employee's present classification due to the layoff.
- 3) Salary: The monthly salary range and respective step for the affected classification.

23.3 Notification:

- 1) Whenever the Department Head anticipates a reduction in the work force, immediate notification to the City Manager shall be made. The notification shall include the anticipated number and classifications of employees to be laid off and plan for conducting an orderly layoff to reduce the adverse effect on employees to be laid off.
- 2) Whenever possible the City Personnel Officer shall notify affected employees, in writing, of the impending layoff at least thirty (30) days in advance of the layoff. Service of notice to an employee absent from work for any reason shall be made by certified or registered United States mail or personal service.
- 3) The Notice of Layoff shall include an explanation of an employee's right to accept layoff in lieu of downgrade pursuant to Section 23.4(5) of this article.

23.4 Layoff Policy

- 1) The City agrees to meet and confer with the Association prior to any action taken on a proposal to reduce the work force.
- 2) During the first two (2) years following a layoff, laid off employees shall have the right to reinstatement to any vacancies in the classification from which they were laid off.
- 3) Laid off employees shall be eligible to take promotional examinations if they meet the minimum qualifications for the position in question. This eligibility shall not exceed two (2) years.

- 4) An employee scheduled for lay off shall have the right to downgrade to a former classification in which the employee held probationary or permanent status. An employee who is downgraded pursuant to this article shall be paid in the new classification the salary range step closest to the monthly pay rate received immediately prior to downgrade. An employee who accepts downgrade in lieu of layoff shall retain the right to his or her former classification for a period of four (4) years.
- 5) Any employee downgraded pursuant to Section 23.4 of this article shall assume the seniority position that he or she would have been entitled to had he or she been serving continuously in the position that he or she has downgraded to.

23.5 Order of Layoff

- 1) Layoff shall be by classification unless the Department Head, with the approval of the City Manager, deems it in the best interest of the Department to make reductions in classification first and thereby cause separation from the service

only in the lower ranks.
- 2) Employees who have held probationary or permanent status in non-affected classifications shall have the right to downgrade pursuant to Section 21.4(4) of this article.
- 3) The services of all temporary, part-time and probationary employees in the classification affected shall be terminated, in that order, before any reduction in the regular work force.
- 4) Layoff amongst full-time employees in the affected classification shall be made on the basis of classification seniority.

23.6 Exception to Order of Layoff

- 1) Whenever the Department Head believes that the best interests of the Department require the retention of employees with special qualifications, characteristics, and fitness for the work, the Department Head may request an exception to the order of layoff. Such request shall be made to the City Manager in writing.
- 2) If the Association disagrees with a request for an exception to the order of layoff, the Association may request that the matter be studied by a review committee. The review committee shall be comprised of an Association representative, a management representative, and a third party to be mutually agreed upon by the first two representatives. The review committee shall rule upon the appropriateness of an exception to the order of layoff. The finding of the review

committee shall be advisory to the City Manager. The review of an exception to the order of layoff shall be the only role of this committee.

23.7 Fringe Benefits

- 1) Employees being laid off shall be paid vacation, holiday accrual, overtime accrual and similar benefits per applicable ordinances and agreements.
- 2) Employees hired before July 1, 2014, upon being laid off may elect to receive compensation for sixty percent (60%) of the employee's accumulated and unused sick leave at the date of layoff, with a maximum payment equivalent to five hundred and seventy-six (576) hours sick leave pay. Such pay out shall be at the hourly rate of pay at separation less the 9% PERS contribution.

The purpose of this article is to provide for authorization of off duty employment of employees covered by this agreement and to set forth steps which must be taken when an employee seeks outside employment during his or her off duty hours.

24.2 Policy

This includes any and all off duty work whether in or out of uniform. Outside employment not otherwise prohibited herein shall not be obtained without prior written authorization from the Chief of Police.

24.3 Rule

No employee of the Department shall enter any employment outside of regular duties or establish any business that will in either case require them to work more than four (4) hours on any scheduled workday. All outside business or work for others is subject to authorization of the Chief of Police and will be allowed only under provision that:

- 1) Such outside work or business does not interfere with the employee's efficiency in performing regular duties.
- 2) Such outside work or business does not prevent the employee from responding to orders from the Chief of Police or their designee, to perform overtime work.
- 3) Such outside work does not involve the use for private gain of Department time, facilities, equipment, supplies, badge, uniform, prestige, or influence of the employee's departmental position or authority.
- 4) Such outside work does not involve receipt or acceptance by any employee of any money or other consideration from anyone other than the City for the performance of an act which the employee, if not performing such act, would be required or expected to render in the regular course or hours of his or her Department employment or as a part of their duties as a Department employee.
- 5) Such outside work does not involve the performance of an act in other than their capacity as a Department employee which act may later be subject directly or

Section 25. Grievance Procedure

25.1 A grievance is any dispute which involves the interpretation or application of any provisions of this Memorandum of Understanding disciplinary actions, City Personnel Rules & Regulations, or Department General Orders.

25.2 Grievances shall be processed in the following manner:

- 1) The grievance shall be presented in writing either by the employee or by an authorized Association representative to the Chief of Police or their designated representative within fourteen (14) calendar days after the cause of such grievance occurs, or within fourteen (14) calendar days from the date the employee first had reason to know of the cause of such grievance.
- 2) The Chief of Police or their designated representative shall have ten (10) calendar days from date of receipt of the grievance in which to respond. If the grievance is not satisfactorily adjusted within this period, the grievance may be presented in writing either by the employee or by an authorized Association representative to the City Manager or to such representative as they may designate.
- 3) If, within ten (10) calendar days after the City Manager or his or her designee receives the grievance, the grievance remains unresolved either party may refer the grievance to arbitration. Such referral must be made within thirty (30) calendar days after expiration of the period set forth herein for the City Manager or his/her designee to consider the grievance.

Referral of a grievance to arbitration shall be in writing and deemed timely if it is postmarked or hand delivered to the other party within the thirty (30) calendar day period. In the event the Association and the City Manager or their designee are unable to select an impartial arbitrator by mutual agreement, the parties shall

jointly request that the State Mediation and Conciliation Service provide the parties with a list of the names of seven (7) impartial arbitrators. Each party shall alternately strike a name from the list until only one name remains. The party to strike first shall be chosen by lot. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the Association and the City. Each party, however, shall bear its own costs, fees and expenses, including attorney's fees, duplication costs, witness fees and expert witness fees, if any, in pursuing or defending a grievance at every stage of the proceeding, including but not limited to, the hearing before the arbitrator, or before a court of competent jurisdiction.

5) Decisions of arbitrators on matters properly before them shall be final and binding on the parties hereto.

- 25.3 The arbitrator shall not entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Association and unless such dispute falls within the definition of a grievance as set forth in subsection 25.1, and is properly advanced through the chain of steps contained in this grievance procedure. Further, the arbitrator may not waive the rights of either party to the full enforcement of the grievance procedure or other provisions of this Memorandum of Understanding.
- 25.4 Proposals to add to or change this Memorandum of Understanding or written agreement or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. No arbitrator shall have any power or authority to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.
- 25.5 No grievance involving disciplinary action taken against an employee will be entertained unless it is filed in writing with the City Manager within seven (7) calendar days of the time at which the affected employee was notified of such action.
- 25.6 All complaints involving or concerning the payment of compensation shall be initially filed in writing with the City Manager or their designee. Only claims that employees have been compensated in a manner that violates one or more provisions of this Memorandum of Understanding shall be considered as grievances. Any other matters concerning compensation shall be deemed beyond the scope of the grievance procedure.
- 25.7 General Conditions
- 1) The Police Chief shall be responsible for maintaining all grievance records, provided, however, the Association shall be entitled to copies of documents related to grievances filed by employees it represents and may maintain its own independent files of such documents.

- 2) Both parties may agree in writing to shorten or lengthen the time limits between steps in the grievance procedure. Similarly, both parties may agree in writing to bypass steps in the grievance procedure in the interest of effecting a speedy resolution.
- 3) When possible, meetings required by the grievance procedure shall be scheduled during regular work hours. The grievant shall be entitled to reasonable time off without loss of pay for attending the meetings and/or hearings specifically set forth in the grievance procedure.
- 4) Time spent by the grievant outside the regular hours of work in the pursuit of resolution to the grievance is not compensable.
- 5) An aggrieved employee may be represented by any person or organization of his/her choice at any stage of the grievance procedure. A representative of the Association is entitled to be present at all meetings, conferences and hearings required by the grievance procedure in connection with the grievances filed by members of the unit represented by the Association.
- 6) Employees shall be assured freedom from reprisal for using the grievance procedure.
- 7) Failure of the grievant to proceed to any subsequent step of the grievance procedure shall be deemed a withdrawal of the grievance.
- 8) The City shall have the right to consolidate grievances where it deems consolidation appropriate.
- 9) The authority of an arbitrator to award damages is expressly limited to salary and benefits, with interest thereon, which an employee would otherwise be entitled under this Memorandum of Understanding.
- 10) Nothing in this section shall be construed to preclude an employee's right to separately pursue legal remedies which may be available under state and/or federal law.

25.8 Personnel Files

The official personnel file and the official grievance file shall be maintained separately.

- 1) Employees shall be provided with copies of any derogatory written material before it is placed in the employee's personnel file. The employee shall have an opportunity to respond, within thirty (30) days, in writing to such derogatory material and have their written response attached thereto.

- 2) Material in personnel files of employees which may serve as a basis for affecting the status of their employment are to be made available for the inspection of the employee involved.
- 3) An employee, upon reasonable notice to his/her supervisor, shall have the right without loss of pay to examine and/or obtain copies of any material from their personnel file with the exception of material that includes ratings, reports, or records which were obtained prior to the employment of the employee involved. The employee's personnel file shall be available for examination by the Union Field Representative as authorized by the employee. Employees covered by this Agreement wishing to review their personnel file shall call the Personnel Office in advance and schedule an appointment to inspect their personnel files. This right will be exercised reasonably.
- 4) All personnel files shall be kept confidential.
- 5) Formal letters of reprimand and/or formal counseling memoranda may, by mutual agreement between the City and the Union, include a specific date by which the letter or memorandum will be removed from the employee's personnel file provided that no further reprimands, memoranda, or other disciplinary actions have occurred with the employee during the intervening time period.
Employees or their designated representative may request a review of material contained in their personnel files for possible deletion. Any deletion of documents from any employee's personnel file requires the mutual agreement of the City and the employee.

Section 26. Joint Labor Management Committee

The Parties agree to continue the Joint Labor Management Committee ("JLMC") meetings to discuss topics currently of interest to the Parties, including but not limited to topics which emerge during any grievance proceeding. The Chief of Police, Human Resources Director and the Association will meet as needed to discuss the JLMC framework. Discussion of topical areas by the JLMC does not replace the meet and confer process nor does it modify agreements set forth in the MOU and does not replace the grievance process contained in this Agreement.

Section 27. Health and Safety

A Safety and Training Committee consisting of five (5) persons (consisting of one representative from each City Bargaining Unit) will meet at regularly scheduled intervals and shall hold safety meetings and inspections to recommend improvements consistent with OSHA and to recommend training programs to City Management. The Human Resources Director shall serve as staff to the Committee. Each bargaining unit shall designate one alternate member.

Section 28. Savings Clause

If any provision of this Agreement should be held invalid, or restrained by law, or nullified by any court of competent jurisdiction, the remainder of this agreement shall not be affected thereby. Further, the parties to this Agreement shall meet and confer in good faith for the sole purpose of negotiating a mutually agreed upon substitute provision.
