Relevant Work / Volunteer Experience : While working with the Boys and Girls Clubs of America in San Diego, I was simultaneously involved with the Boys and Girls Club 'Young Professionals' group. I have a huge interest in connecting with the Emeryville community and keeping more up to speed on the various issues and challenges surrounding our community and local businesses. I believe my experience and connection to hotel resources will be useful to the committee, and that my input, energy, and efforts will make a positive impact on the community as a whole.
