Menu Development Rationale

Kid Menu, Family Style Serving

Each meal provided ensures a balance of proteins, carbohydrates, vegetables, and fruit served family style. At Patatas we seek to follow the "Healthy Eating Plate," developed by Harvard Nutritionist, as a blueprint to provide a unique and delicious mix of nutrients. We utilize healthy oils specifically, Extra-virgin Olive Oil for salads and dressing, Olive Oil for cooking, and avoid Trans-fat oils. We use whole grains such as whole-grain pasta, brown rice, and limited refined grains (ie. white rice). We prioritize choosing a Free Range of Chicken, red meat, and ground beef that is free of nitrates and nitrites. Lastly, we guarantee daily portions of veggies, fruits, and an overall a greater variety of colors to demonstrate a balanced meal.

To ensure ingredients are as fresh as possible, food deliveries from our local vendor arrive daily each morning. Meals are prepared and cooked on the day of delivery to guarantee the freshest and highest quality.

Equipment Needed

Patatas operates in the commercial kitchen at The Emeryville Senior Center. We are equipped with a freezer and refrigerator room, stove, ovens, worktables, and a production line enough to cover all the program needs. The commercial kitchen passes all health inspections and maintain a safe and sanitary work environmental. All our employees have completed and passed Food Handler Safety Courses.

All our meals are prep and made from the scratch by hand daily in our kitchen by our experienced team.

We have a CHEVY Van to do deliveries. It's equipped with Thermo Cambro Boxes to assure our hot lunch meals arrive at the proper temperature.

Addressing Issues

We are available by phone from 7:00 am until 2:00 pm. We can be reached via phone or email. Voice messages left after hours are responded to the following morning. Emails are usually responded to within 3 hours. We have demonstrated that we are very responsive to all requests. When corrective action is needed, we work together to quickly resolve the issue.

Duration and Experience

Patatas was founded in 2012 by Marcos Quezada with the mission to bring a distinct food brand to the Bay Area with a unique sensibility for freshness and comfort. Born and raised in Chile, having then lived abroad in Spain, and Mexico, Marcos has earned a reputation for his homecooked style meals that prioritize balance, nutritious and joyful dining. After having worked in local farmers' markets across the Bay Area, the Patatas team gained experience in recognizing the needs of the community. The Patatas team has 10 years of experience preparing and delivering meals to Tech companies all throughout the Bay. Most recently, as well as catering, Marcos was the owner of Patatas Kitchen located in the heart of Emeryville. The experience as a local small business allowed the Patatas team to interact and grow alongside the neighborhood. Marcos currently lives in Emeryville with his wife and two daughters.

Letter of Recommendation

Emeryville, 26. April 2023

To Whom It May Concern,

I am writing this letter to highly recommend Patatas for their outstanding service in providing organic food to our school. As a Director of Middle School at EBGIS, I have had the pleasure of working with Patatas for the past two years, and I can confidently say that their dedication to providing healthy and organic meals for our students is unparalleled. As an advocate for organic and locally sourced food, I am pleased to share my positive experiences with their services.

Patatas has demonstrated a commitment to serving fresh, organic, and locally sourced food in their menus. They prioritize the use of organic produce, which is free from harmful pesticides and additives, ensuring that our students consumed wholesome and healthy meals.

The chef and owner of Patatas, Marcos Quezada, is a skilled and experienced chef who has a passion for creating healthy and delicious meals. In addition to the quality of food he provides, the level of service Patatas offers is exceptional. Their staff was always friendly, professional, and responsive to our needs. They worked closely with us to ensure that the meals they provide meet the nutritional needs of our students, and they were always willing to accommodate any special requests we might have had.

Moreover, Patatas commitment to sustainability is commendable. They strive to minimize waste by using eco-friendly packaging and encourage students to make sustainable choices in their meal selection.

Overall, Patatas has been a reliable and valuable partner in promoting healthy eating habits and sustainable practices in our school. I highly recommend their services to any school looking for a dedicated and competent school lunch provider.

Sincerely,

Daniela Klimetschek
Director of Middle School

Re: Patata's Neighborhood Kitchen and Owner Marcos Quezada.

To Whom It May Concern:

My company has frequently used Patata's in the last few years and I highly recommend their food and services. Marcos Quezada, Patata's owner, offers healthy options without compromising taste whatsoever. The food is delicious. We've frequently ordered sandwiches, as well as soups and salads. The quinoa salad and the frittatas are personally two of my favorites.

Marcos has catered several lunches and dinners for my company, including customer events, and his food has always been a huge hit. His paella is one of the best I've ever had, and the appetizers he serves are so delicious that they always receive multiple compliments. Not surprisingly, other attendees at our functions have gone on to hire him for their own events.

Besides the quality of Marcos' food, I've found him to very professional and always arrives on time. If you have any questions, please don't hesitate to contact me at gloria@pluralisticnetworks.com.

Sincerely yours,

Dear City of Emeryville's Child Development Center,

I am writing as a long time customer of Marcos Quezada, who is applying to be a food provider for your center. I was a customer of his restaurant, Patatas from the day it opened until the the last day it closed which was such a loss for the community.

While living in Emeryville, I can not tell you how many different restaurants I had seen come and go, but when Patatas opened, I was ecstatic to finally have a restaurant that offered healthy and delicious meals. I made it a point to try every single thing on the menu because the food was that good. It became a reliable restaurant where I knew that if I was too tired to cook and wanted a good home cooked meal made with the same care and quality that I provide for my own cooking, I could depend on Marcos for providing that for me every single time. There were days when I would actually eat there consecutive days because the food was that good and I couldn't get enough.

Through the years, I have witnessed how hard working Marcos is as a small business owner, by providing customers with a welcoming environment, creating new menus to accommodate what people in the community wanted and how much he cared for the well being of his employees.

The food business is definitely not an easy one, but no matter what, Marcos always had a smile on his face and always greeted me as a friend. The other aspect that Marcos brings to his food, is his awareness of sourcing healthy fresh ingredients, as well as being an environmentally friendly business owner which was definitely appreciated.

The City of Emeryville's Child Development Center will be lucky to have a food provider like Marcos. The children deserve to have healthy and balanced meals provided to them by someone who has Marcos' passion and commitment to his community. I personally wish that he could provide his food to as many children as possible to promote healthy eating at an early age. To this day, I still love reminiscing about certain dishes that I couldn't get enough of. I highly recommend Marcos Quezada to be a food provider for your center.

Sincerely,
