### CONDITIONS OF APPROVAL

- The Annual Card Room License will be valid through to December 31, 2025. Any Card Room License sought for subsequent years would require another application and an approval by the Emeryville City Council.
- The Licensee shall comply with all the provisions of Chapter 5, Card Rooms and will be subject to suspension or revocation if any violations of the Chapter exist.
- The licensee, or other person in charge or control of the card room, shall employ or allow any person to work in such card room without such person having first registered with the Chief of Police and obtained a work permit.
- The Card Room License allows for the following games to be played; Draw Poker, Lowball Draw Poker, Seven Card Stud Poker (High), Seven Card Stud Poker (Low), Texas Hold'em Poker, Panguingue (PAN), Pai Gow, Double Hand Poker, Super Pan 9, Pure 21.5 Blackjack, 21st Century Blackjack, Omaha Poker, Three Card Poker, Zoobac
- The minimum number of card tables that the Licensee shall maintain is twenty (20), and the maximum number of tables the Licensee may maintain is thirty (30).
- The licensee shall notify the Police Department in writing within fourteen (14) days of any change in the information required in an application for license issuance or renewal as provided in Section 5-5.20 EMC.
- The Licensee shall notify the Chief of Police within three (3) days of any notices of violations or other corrective action ordered by a Federal, State or other local licensing authority, and provide copies of the relevant documents. The Licensee is required to comply with applicable Federal, state law and state regulations at all times. Failure to do so shall constitute grounds for suspending or revoking this license, and denying any renewals and/or modifications to the license.
