Equipment Addendum - Installment Payment Purchase

This Equipment Addendum (this "Equipment Addendum") amends and modifies the Telecommunications Account Agreement (TAA) or Master Service Agreement (MSA) (referred to herein, as so amended and modified, as the "Agreement") between U.S. TelePacific Corp. d/b/a TPx Communications and/or its affiliated companies ("TPx") and Customer.

This Equipment Addendum governs devices supplied by TPx (devices collectively referred to herein as "Equipment"), and which said Equipment is used in conjunction with any of TPx's Services and is purchased by Customer from TPx via installment payment purchase.

1. EQUIPMENT ACQUISITION

Devices used in conjunction with any of TPx's Services (referred to herein as "Equipment") may be purchased by Customer from TPx via installment payment purchase option. Any Equipment governed by this Equipment Addendum will be described on the schedule substantially in the form of Exhibit I hereto delivered from time to time at the time of purchase (or other provisioning) thereof by TPx to Customer and authorized or otherwise confirmed by Customer (each, a "Delivered Equipment Schedule"). The terms of each Delivered Equipment Schedule shall be, and hereby are, fully incorporated by reference herein.

2. INSTALLMENT PAYMENT PURCHASED EQUIPMENT

- a. Installment payments will be added to each monthly invoice delivered to Customer under Section 2(e) of the Terms and Conditions Attachment to the Agreement, for the duration of the Initial Service Term, spread evenly over the total number of months contracted, in the amount(s) to be shown on the related Delivered Equipment Schedule(s).
- b. If, prior to the end of the Service Term, Services associated with any Equipment purchased via this Equipment Addendum are terminated for any reason, Customer shall remain liable for all remaining installment payments for the affected Equipment.
- c. Customer's obligations to make payments under any installment purchase of Equipment are separate and independent from Customer's obligations to make payments on the Services.
- d. Customer agrees that the right of TPx to receive installment payments relating to the Equipment purchased via this Equipment Addendum may be sold, transferred or otherwise assigned by TPx without consent.
- e. Credit Allowances. Credits granted by TPx for the interruption of services may not be applied to Equipment purchases or payments due or to become due under the Agreement (including this Equipment Addendum).
- f. Certain Waivers. Notwithstanding any provision contained in the Agreement (including this Equipment Addendum) to the contrary, it is agreed by the parties that:
 - i. Customer agrees not to assert any claim, set-off, recoupment, withholding or defense against TPx, any of its affiliates or its assignees or designees, that Customer may have against TPx, its affiliates or its assignees or designees, as applicable, in connection with the Agreement or any other agreement pursuant to which TPx (or any of its affiliates or designees) provides services to Customer or against the manufacturer of any equipment obtained under this Equipment Addendum;
 - ii. any assignee to which TPx shall assign its right to payments hereunder shall not have any obligation or responsibility to Customer pursuant to the Agreement (including this Equipment Addendum), and any such payment assignment shall not relieve TPx of any of its obligations hereunder and thereunder;
 - iii. CUSTOMER AGREES THAT ITS OBLIGATION TO MAKE ALL PAYMENTS WHEN DUE IN ACCORDANCE WITH THE AGREEMENT (INCLUDING THIS ADDENDUM) SHALL BE ABSOLUTE AND UNCONDITIONAL AND SHALL NOT BE SUBJECT TO ANY ABATEMENT, REDUCTION, SET-OFF, DEFENSE, COUNTERCLAIM, INTERRUPTION, DEFERMENT OR RECOUPMENT FOR ANY REASON WHATSOEVER;
 - iv. where Customer does not make any payments under the Agreement (including this Equipment Addendum) pursuant to any of the foregoing conditions, TPx, as service provider pursuant to the Agreement, shall have the right to terminate Customer's right to use and receive the software and any maintenance pursuant to the Agreement; and
 - v. any affiliates, assignees or designees of TPx, and any collateral agent, administrative agent, or subsequent receivables purchaser is an intended third party beneficiary of the Agreement (including this Equipment Addendum) and therefore entitled to enforce the terms of the Agreement (including this Equipment Addendum) directly against Customer. Customer agrees that notwithstanding anything in the Agreement (including this Equipment Addendum), TPx and its assignees may at any time and without notice further assign the payments owing hereunder, in whole or in part.
- g. Ownership of Equipment. As the owner of the Equipment, Customer is the beneficiary of any applicable warranty and is responsible for all taxes, insurance and risk of loss related to the Equipment.
- h. Acceptance. Customer acknowledges acceptance of the Equipment upon delivery.

- i. **Equipment Purchase Cancellation.** Customer may cancel an Equipment purchase within twenty-four (24) hours of signing this Equipment Addendum. Notification of order cancellation must be emailed to billing@tpx.com. Cancellation of orders after twenty-four (24) hours will result in an order cancellation charge equal to 10% of the total amount for Equipment purchased.
- j. **Shipping Charges and Taxes.** Customer is responsible for all delivery or shipping charges, installation charges, and applicable taxes.
- k. **Warranty on Installment Purchase Payment Equipment.**
 - i. **Maintenance of Equipment.** TPx will provide maintenance and support for Equipment purchased from TPx, including software updates and patches, for as long as Customer maintains its associated Service with TPx.
 - ii. **TPx Replacement Obligation.** For Equipment purchased from TPx, TPx will replace any failed devices for as long as Customer maintains its associated Service, Customer's account remains in good standing, TPx has reasonable access to replacement Equipment, and Customer returns the Equipment in accordance with the terms stated within the manufacturer warranty; provided that TPx and Customer agree that Customer's obligations to make payments on the Services, on the one hand, and Customer's obligations to make payments on the Equipment purchased through an installment purchase option, on the other hand, are separate and distinct obligations of Customer and are subject to Section 2(d) of this Equipment Addendum. The replacement item may be a new or reconditioned device of equal or comparable value. The TPx replacement obligation starts when Equipment is delivered to Customer, lasts for the duration Customer maintains an associated Service, and overlaps the manufacturer's warranty. It covers accidental damage, liquid damage, or any Equipment defect. Associated shipping and/or service order fees may apply.
 - (A) **Exclusions.** Lost or stolen Equipment, or Equipment that appears to be damaged by intent, gross negligence or willful or reckless treatment shall not be covered under any TPx's replacement obligation. [Additionally, phone accessories and headsets shall not be covered under any TPx's replacement obligation. MSx service\(s\) equipment replacement obligation terminates when the manufacturer no longer supports the equipment.](#)
 - (B) **TPx's Sole Obligation.** TPx's sole obligation with respect to Equipment is to repair the Equipment, deliver to Customer an equivalent replacement Equipment, or if neither of the two foregoing options is reasonably available, TPx may, in its sole discretion, refund to Customer the purchase price paid for the Equipment. Replacement Equipment may be new or reconditioned. The foregoing is Customer's sole remedy, and TPx's sole obligation, with regard to defective Equipment.
 - iii. **Return / Exchange Policy for Purchased Equipment.**
 - (A) **Returns and Exchanges.** Should it be necessary to return Equipment, Customer may return it for a refund or exchange, excluding any shipping charges and subject to a restocking fee of twenty-five (\$25.00) dollars per unit, within thirty (30) days after delivery. Defective Equipment may be repaired or exchanged for the same or equivalent model only, at TPx's discretion. All returned Equipment must be unregistered, in complete original manufacturer's packaging, same condition as sold, with all accessories, literature, instructions, documentation and blank warranty cards.
 - (B) **Exclusions.** No returns will be allowed on: phone accessories and headsets, network cabling, original manufacturer computers, computer products, or software once opened.

l. If Customer fails to approve or reject the equipment and pricing information on the Delivered Equipment Schedule after three email requests, TPx will remove the Installment Payment option for the equipment listed on the Delivered Equipment Schedule, and the total equipment cost will be due immediately from Customer.

3. HARDWARE CLAIMS POLICY FOR ALL EQUIPMENT PURCHASED FROM TPX

Customer must inspect the Equipment carefully as to content and conditions upon receipt. All claims for damaged or missing items must be reported to TPx within two (2) business days of receipt of Equipment. In the event a package arrives damaged, it is the responsibility of Customer to contact TPx to inspect the package to assure full refund or replacement. All packaging must be retained until the problem is resolved.

4. LIMITATION OF LIABILITY

WITHOUT LIMITING ANY LIMITATION OF LIABILITY IN SUBSECTION (d) OF SECTION 5 OF THE TERMS AND CONDITIONS ATTACHMENT TO THE AGREEMENT, TPX LIABILITY IS LIMITED TO THE MONETARY VALUE OF THE EQUIPMENT PURCHASED.
