Grant Funding Opportunities

- ACTC 2024 CIP Call For Projects
 - Application due June 30th, 2022
 - 3 smallest cities in county will have no match needed
 - OBAG is in ACTC call along with \$3M TDA and the remainder of VRF and Measure BB
 - OBAG = Federal Funds. Limited resources to manage.

Other Funding Opportunities in 2022

- Active Transportation Program (ATP-Cycle 6):
 - Emeryville successful at regional level in past years (Greenway Crossings and 40th Street Re-design)
 - State funds are increasingly competitive, but MTC ATP regional grant also in play
 - All Applications due June 15, 2022
 - State, Regional, Quick-Build

Recommended City Council Actions

- Ask for City Council to prioritize and rank upcoming projects
 - The recommended Prioritized Projects and ranked order is as follows:
 - 1) Emery Go-Round Operating Expenses (FY2023-FY2027)
 - 2) Quick-Build Category: Village Greens and Greenways – Doyle Street (Phase 3)
 - 3) Shellmound/Christie One-Way Loop Study
 - 4) Stanford Corridor Enhancement Study
 - 5) 40th Street Transit-Only Lanes and Multimodal Enhancements
- Authorize the City Manager to submit applications in response to the California Transportation Commission's (CTC) ATP Cycle 6 Call-for-Projects, Alameda County Transportation Commission's (ACTC) CTP 2024 Call For Projects, and any other grant opportunities that arise in Fiscal Years 2022-2024
- Additionally, staff recommends that the City Council authorizes the Mayor to write letters of support for Prioritized Projects
