Relevant Work / Volunteer Experience

I assisted in the creation of an informal organization to support small, local serving businesses called Little City Emeryville and have participated in that group's "core" committee. I have followed closely the development of the MWO and FWW and have attended many council meetings, study sessions and several EDAC meetings.

Why are you interested in serving on this Board, Commission, Committee?*

I believe that a healthy community of small, independent, locally owned businesses is central to achieving Emeryville's vision of a being a city with a strong, unique identity where residents can access a wide variety of goods, services and amenities locally. I believe small business needs a stronger voice within the City and that I can help fill that need.

"Planning Commission Applicants Only" A short (300 words or less) statement discussing your ideas and attitudes about planning in Emeryville. Please consider issues such as traffic, industrial and commercial development density, affordable housing, maintaining community diversity and jobs/housing balance.
