**INFORMATION FOR REGULAR MEETING DURING A DECLARED STATE OF  
EMERGENCY**

**(to continue until further notice):**

Pursuant to California Assembly Bill 361, a local legislative body is authorized to hold public meetings remotely and to make those meetings accessible to all members of the public seeking to observe and to address the local legislative body by remote means only via a technology solution. As such, the City will provide various options for the public to participate in the conduct of the meeting, as indicated in detail below on this cover sheet.

The City will further adhere to the means otherwise prescribed by the Brown Act, which allows members of the public the right to observe and offer public comment during the public meeting, consistent with the public's rights of access and public comment otherwise provided for by the Brown Act, as applicable (including, but not limited to, the requirement that such rights of access and public comment be made available in a manner consistent with the Americans with Disabilities Act).

In addition to the mandatory conditions set forth above, the City will use sound discretion and make reasonable efforts to adhere as closely as reasonably possible to the provisions of the Brown Act, and

other applicable local laws regulating the conduct of public meetings, in order to maximize transparency and provide the public access to their meetings.

The City offers many ways for you to watch and participate in City matters during this time where you may not attend in person. Our City Council meetings are streamed live and on Emeryville TV. Additionally, public comment for Council agenda items can be submitted online via our online speaker card when an agenda is posted. Written comments can also be submitted by email to [city\\_council@emeryville.org](mailto:city_council@emeryville.org) or the City Clerk, Sheri Hartz, at [shartz@emeryville.org](mailto:shartz@emeryville.org). If you would like to support, oppose, or otherwise comment on an upcoming agenda item, please send in your comments prior to the meeting since there is no option to attend in person.

All matters listed under CONSENT CALENDAR are considered to be routine and will all be enacted by one motion in the form listed below. There will be no separate discussion of these items unless good cause is shown prior to the time the Council votes on the motion to adopt. Persons who wish to speak on matters set for PUBLIC HEARINGS will be heard when the Presiding Officer calls for comments from those persons who are in support of or in opposition thereto. After persons have spoken, the Hearing is closed and brought back to Council level for discussion and action. There is no further comment permitted from the audience unless requested by the Council.

In compliance with the Americans with Disabilities Act, a person requiring an accommodation, auxiliary aid, or service to participate in this meeting should contact the City Clerk's Office or ADA Coordinator at (510) 596 4300, as far in advance as possible but no later than 72 hours before the scheduled event. The best effort to fulfill the request will be made. Assistive listening devices are available for anyone with hearing difficulty from the City Clerk prior to the meeting, and must be returned to the City Clerk at the end of the meeting.

The speaker's time is limited to 3 minutes and can only be extended upon approval of the Presiding Officer. If you are submitting your comments using the online comment card, please be aware that they will be read aloud into the record and will still be limited to the 3 minute time limit.
