Pursuant to California Assembly Bill 361, a local legislative body is authorized to hold public meetings remotely and to make those meetings accessible to all members of the public seeking to observe and to address the local legislative body by remote means only via a technology solution. As such, the City will provide various options for the public to participate in the conduct of the meeting, as indicated in detail below on this cover sheet.

The City will further adhere to the means otherwise prescribed by the Brown Act, which allows members of the public the right to observe and offer public comment during the public meeting, consistent with the public's rights of access and public comment otherwise provided for by the Brown Act, as applicable (including, but not limited to, the requirement that such rights of access and public comment be made available in a manner consistent with the Americans with Disabilities Act).

In addition to the mandatory conditions set forth above, the City will use sound discretion and make reasonable efforts to adhere as closely as reasonably possible to the provisions of the Brown Act, and other applicable local laws regulating the conduct of public meetings, in order to maximize transparency and provide the public access to their meetings.

The City offers many ways for you to watch and participate in City matters during this time where you may not attend in person. Our City Council meetings are streamed live and on Emeryville TV. Additionally, public comment for Council agenda items can be submitted online via our online speaker card when an agenda is posted. Written comments can also be submitted by email to [city\\_council@emeryville.org](mailto:city_council@emeryville.org) or the City Clerk, Sheri Hartz, at [shartz@emeryville.org](mailto:shartz@emeryville.org). If you would like to support, oppose, or otherwise comment on an upcoming agenda item, please send in your comments prior to the meeting since there is no option to attend in person.
