

INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED UPON PROCEDURES FOR COMPLIANCE WITH THE PROPOSITION 111 2020-2021 APPROPRIATIONS LIMIT INCREMENT

Honorable Mayor and Members of the City Council City of Emeryville, California

We have performed the procedures below, which were agreed to by the City of Emeryville, California, on the Appropriations Limit Worksheet (Worksheet) for the year ended June 30, 2021. The City's management is responsible for the Worksheet. These procedures, which were suggested by the League of California Cities and presented in their Article XIIIB Appropriations Limitation Uniform Guidelines, were performed solely to assist you in meeting the requirements of Section 1.5 of Article XIIIB of the California Constitution. The sufficiency of these procedures is solely the responsibility of the City. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures and associated findings were as follows:

- A. We obtained the Worksheet and determined that the 2020-2021 Appropriations Limit of \$121,764,528 and annual adjustment factors were adopted by Resolution of the City Council. We also determined that the population and inflation options were selected by a recorded vote of the City Council.
- B. We recomputed the 2020-2021 Appropriations Limit by multiplying the 2019-2020 Prior Year Appropriations Limit by the Total Growth Factor. We recomputed the Total Growth Factor by multiplying the population option by the inflation option.
- C. For the Worksheet, we agreed the Per Capita Income Factor, City Population Factor and County Population Factor to California State Department of Finance Worksheets.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Worksheet. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management and the City Council and is not intended to be and should not be used by anyone other than those specified parties; however, this restriction is not intended to limit the distribution of this report, which is a matter of public record.

Pleasant Hill, California December 17, 2021
