- Exhibit A – Conveyance Agreement between the City and Successor Agency

**PROPERTY CONVEYANCE AGREEMENT
(Successor Agency to City)
Platform Parcels and 59th Street**

This Property Conveyance Agreement (the "Agreement") is entered into as of _____, 2022, by and between the City of Emeryville as Successor Agency to the Emeryville Redevelopment Agency, a separate public body (the "Successor Agency"), and the City of Emeryville, a municipal corporation (the "City"), with reference to the following facts and purposes:

RECITALS

A. The Successor Agency is the successor in interest to property formerly owned by the Emeryville Redevelopment Agency, which was dissolved by operation of law effective February 1, 2012 pursuant to AB 26.

B. The Successor Agency owns certain property more particularly identified as Assessor's Parcel Number 049-1325-002 ("Platform Parcel Three"), Assessor's Parcel Number 1325-001-04 ("Platform Parcel Four") and Assessor's Parcel Number 049-1325-002 ("59th Street Extension", and collectively with Platform Parcel Three and Platform Parcel Four, the "Properties"). Platform Parcels Three and Four form part of the platform providing passenger access to Amtrak trains and are adjacent to the Emeryville Amtrak Station. 59th Street Extension is a public right of way and provides public access to the public parking for the Amtrak Station, the City's intermodal transit center and the City-owned pedestrian bridge crossing over the railroad tracks.

C. The Emeryville Redevelopment Agency ("Former Agency") and Wareham Development Corporation ("Wareham") entered into that certain lease dated March 2, 1993 ("Station Lease") whereby the Former Agency leased certain property identified as APN: 049-1325-001-2 ("Station Parcel") from Wareham for purposes of leasing the Station Parcel to the National Railroad Passenger Corporation ("Amtrak") for purposes of operating a public intermodal transit center ("Amtrak Station"). As a term of the Station Lease, the Former Agency was to acquire fee title to the Station Parcel for \$1.00 upon expiration of the Station Lease.

D. Health and Safety Code Section 34181 provides that former redevelopment agency property that is used for government purposes may be transferred to the appropriate government jurisdiction pursuant to any existing agreements related to the use of the property subject to the approval of the Oversight Board.

E. The City of Emeryville has entered into an agreement with Amtrak to transfer to Amtrak the Station Parcel and the Platform Parcels for the purposes of maintaining passenger rail service in Emeryville. In accordance with the terms of the City's agreement with Amtrak, the City upon conveyance of the Platform Parcels from the Successor Agency to the City, will convey to Amtrak the Platform Parcels at no cost. Additionally, the City, after accepting the assignment of the Successor Agency's right to acquire the Station Parcel, will acquire the Station

Parcel and convey the Station Parcel to Amtrak for no cost in order to ensure the continuation of passenger rail service in the City and the continued operation of a public intermodal transit center.

F. The 59th Street Extension serves as a public right of way providing access to public parking facilities located on the adjacent property that serve the Amtrak station as well as providing access to a publicly owned pedestrian bridge that crosses over the railroad tracks and provides access to the west side of the railroad tracks.

G. The Successor Agency desires to transfer the Platform Parcels and the 59th Street Extension to the City to further the continued use of the Properties for government purposes and in accordance with the terms and conditions of certain agreements between the City and Amtrak.

H. The Successor Agency desires to assign its rights under the Station Lease to acquire the Station Parcel to the City so that the City can acquire the Station Parcel and then transfer the Station Parcel to Amtrak for continued use of the Station Parcel for government purposes in accordance with the terms and conditions of certain agreements between the City and Amtrak.

I. Pursuant to Section 15061(b)(3) of the CEQA Guidelines, this Agreement is exempt from the requirements of CEQA because the action taken pursuant to this Agreement is to preserve the status quo and use of the Properties will not change, or otherwise be modified, following the conveyance set forth in this Agreement.
