Dear City Council and City Staff,

I just received this letter of support for the Sherwin-Williams development and wanted to pass it along. Looking forward to seeing you all tonight.

Subject: Sherwin Williams

Dear Charlie,

As one of the owners of 1460 Park, I am happy to voice my approval and support of the planned redevelopment of the former Sherwin Williams site which is contiguous to our property.

I am hopeful that any details can be worked out and that approvals will be forthcoming.

Sincerely

Ps. I'm also hopeful Rick Holliday can rebuild 3800 San Pablo quickly!
