FUNDING REQUEST INFORMATION

Amount Requested: \$ 10,000.00	No. of Residents Served: 230+and their families	Other Sources of Review/Matching Funds: Emeryville businesses & individuals
<p>Reason for Request: (Please explain in detail your request for funding. Why is this project needed? How will funds/project improve the quality of life for Emeryville residents?)</p> <p>The core EYAP art instruction proposed for spring and fall of the 2017 for ESS students is an extensive series of weekly ceramics instruction with two professional ceramic artists (Jeff Margolin & Jim Newton/team teaching) in the classroom. The instruction is coordinated closely with the ESS art teacher (Ms. Theresa Munoz) to support her curriculum and learning goals for her students. Hands-on, one-to-one instruction for hand built and wheel thrown clay work is critical to the students' ability to develop proficiency in this medium. The artists are in the classroom for an entire day each week. We are also teaming with Emeryville Community Services (Ms. Aja Pijaux) to provide ceramic instruction in the out-of-school-time after school program one day a week. Funding permitting, we hope to bring clay instruction to the summer camp program as well this year. We bring skills and special materials to students that they would not otherwise be able to access. Through our arts instruction we are also providing role models for work, discipline, goal setting and problem solving. We will organize the city's "March is Youth Art Month" exhibit at City Hall, a showcase for youth art and additionally provide opportunities for student field trips to the Artists' Cooperative including presentations by professional artists in their studios.</p>

Dear Pedro:

For the past 34 years the 45th Street Artists' Cooperative has provided professional artists for art instruction and workshops in the Emery Unified School District through the Cooperative's Emeryville Youth Art Program (E.Y.A.P.).

Over the years, grants, Emeryville's business community and the Artists' Cooperative itself have funded their program. In addition to classroom instruction, E.Y.A.P. also provides special art supplies and equipment, coordinates visits to artists' studios and organizes the activities of March as "Youth Art Month" in Emeryville.

Their core E.Y.A.P. art instruction proposed for 2017 for Emery Secondary School students is an extensive series of weekly instruction with professional ceramic artists, Jeff Margolin and Jim Newton. Various arts principles will be introduced and developed as well as creative thinking and problem solving with this art form. As always, the instruction will be coordinated closely with the Emery Secondary School art teacher Theresa Munoz to support E.U.S.D.'s learning goals for her students. These ceramic workshops continue to enjoy success both in the classroom as well as in the after-school activities in the ESS art classroom. Hands-on, one-to-one instruction for wheel thrown and hand built ceramics is critical to the students' ability to develop proficiency in this medium.

Students exposed to the arts in their curriculum develop important critical thinking skills, necessities for future leadership and vision. E.Y.A.P. artists provide role models for professional approaches to work, discipline, goal setting, problem solving, respect for materials, for fellow students and their work and additional opportunities for the development of self-esteem in our students.

The Cooperative's E.Y.A.P. project is funded by the Cooperative through their fundraising efforts and in-kind administration. We look forward to the Artists' Cooperative's continued art program for Emery Unified this spring and next fall and encourage the City's support of the Artists' Cooperative's Emeryville Youth Art Program (E.Y.A.P.) as this program prepares to celebrate its thirty-fourth anniversary in the District.

Sincerely,

Dr. John Rubio, Superintendent

Date: JUL 30 1986

Employer Identification Number: 94-2990342
Key District: San Francisco
Accounting Period Ending: September 30
Foundation Status Classification: 509(a)(2)
Advance Ruling Period Ends: September 30, 1987

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code. This letter modifies and supersedes our letter of June 4, 1986.

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably be expected to be a publicly supported organization described in the sections shown above.

Accordingly, you will be treated as a publicly supported organization, and not as a private foundation, during the advance ruling period. This advance ruling period begins on the date of your inception and ends on the date shown above.

Before the end of your advance ruling period, you will be asked to furnish to your key District Director information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. (If you received a 2 or 3 year advance ruling, you will be given an opportunity to extend the advance ruling to 5 years). If you establish that you have been a publicly supported organization, you will be classified as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, (or do not request an extension to 5 years, if appropriate), you will be classified as a private foundation for future periods. Also, if you are classified as a private foundation, you will be treated as a private foundation from the date that you were organized for purposes of section 4940, which imposes an excise tax on your net investment income, and section 507(d), which defines, in the event of termination of status, the aggregate tax benefit from tax exemption as a section 501(c)(3) organization.

45th Street Artists Cooperative

Grantors and donors may rely on the determination that you are not a private foundation until 90 days after your advance ruling period ends. If you submit the required information within the 90 days, grantors and donors may continue to rely on the advance determination until we make a final determination of your foundation status. However, if notice that you will no longer be treated as the type of organization shown above is published in the Internal Revenue Bulletin, grantors and donors may not rely on this advance ruling after the date of such publication. Also, a grantor or donor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of the foundation classification shown above, or if he or she acquired knowledge that we had given notice that you would be removed from classification as the type of organization shown above.

If your sources of support, or your purposes, character, or method of operation change, please let your key district know so that office can consider the effect on your exempt status and foundation status. Also, you should inform your key District Director of all changes in your name or address.

Unless specifically excepted, beginning January 1, 1984, you must pay taxes under the Federal Insurance Contributions Act (social security taxes) for each employee who is paid \$100 or more in a calendar year. You are not required to pay tax under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other federal excise taxes. If you have questions about excise, employment, or other federal taxes, contact your key District Director.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522.

You are required to file Form 990, Return of Organization Exempt from Income Tax, only if your gross receipts each year are normally more than \$25,000. If your gross receipts are not normally more than \$25,000 we ask that you establish that you are not required to file Form 990 by completing Part I of that Form for your first tax year. Thereafter, you will not be required to file a return until your gross receipts normally exceed the \$25,000 minimum. For guidance in determining if your gross receipts are "normally" not more than the \$25,000 limit, see the instructions for the Form 990. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. There is a penalty of \$10 a day, up to a maximum of \$5,000, when a return is filed late unless you establish, as required by section 6652(d)(1), that the failure to file timely was due to reasonable cause.

45th Street Artists Cooperative

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under Code section 511. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513.

Please show your employer identification number on all returns you file and in all correspondence with the Internal Revenue Service.

We are informing your key District Director of this ruling. Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any questions about this ruling, please contact the person whose name and telephone number are shown in the heading of this letter. For other matters, including questions concerning reporting requirements, please contact your key District Director.

Sincerely yours,
