FUNDING REQUEST INFORMATION

Amount Requested: \$ 8,500.00	No. of Residents Served: 450-500	Other Sources of Review/Matching Funds: Alameda Co. Art Comm, Individual contrib.
<p>Reason for Request: (Please explain in detail your request for funding. Why is this project needed? How will funds/project improve the quality of life for Emeryville residents?)</p> <p>Since its inception in 1980, Nancy Karp + Dancers has made Emeryville its home base. Nancy Karp + Dancers' program in the Emeryville schools has been unique to help fill the gap in arts education for over three decades, specifically in the performing arts. We are the only arts organization to consistently offer dance and creative movement classes to the students of our city. In 1982, Nancy Karp + Dancers began its "Dancing in the Schools" program teaching classes and workshops at Anna Yates School, creating over the years classes and performances designed for each grade level. This year the dance company proposes to expand its program to teach both third and fourth grade classes and extend it from an 8 week to a 12 week program. The students will be in direct contact with professional dance company members who team-teach each class. Public performances designed by the dance company for the students will compliment the classroom site teaching. The classes will be conducted from Sept. 11-Nov. 30, 2017.</p> <p>We request funding at a higher level to help serve more students with a successful program. The students will complete the classes with new skills, great pride, and self-esteem. Our program has had excellent support from school staff and family members who have filled our past student performances with standing room only capacity.</p>

RE: Nancy Karp + Dancers' Dancing in the Schools program

Dear Honorable Mayor and Members of City Council,

It gives me great pleasure to write a letter of support for Nancy Karp + Dancers' application to the City of Emeryville's Community Promotions Grant Program. Nancy Karp + Dancers has been offering "Dancing in the Schools" outreach programs in our schools for over 25 years. This outstanding program has given our students the opportunity to see and work with a professional dance company. As audiences for presentations by Nancy Karp + Dancers our students have been exposed to the art form in a friendly and accessible manner. As participants in classes and workshops, the students take on responsibilities to each other and to the process of creating performances together.

Continuation of such artistic opportunities will enhance other like programs available to the students of Emeryville schools. Therefore I offer my support for the dance company's grant application to the City.

Sincerely,

Dr. John Rubio, Superintendent

NEW ARTS FOUNDATION / NANCY KARP + DANCERS

Mission Statement:

The New Arts Foundation is dedicated to the creation and presentation of new work that reflects the artistic vision of director/choreographer Nancy Karp, primarily through its dance company, Nancy Karp + Dancers. Interdisciplinary collaboration is the key focus of the organization; founded in 1981, Nancy Karp + Dancers commissions outstanding composers, visual artists, and designers to work with the company in the creation of new dances each season. Since its inception, Nancy Karp + Dancers has presented over 750 performances in the United States and abroad, performing new works of dance and music in venues ranging from formal concert halls to outdoor and indoor environmental locations.

The dance company, founded in 1980 with its base in Emeryville, California has presented over 70 commissioned dances choreographed by Nancy Karp. Twenty-six (26) music scores have been commissioned, composed by Ms. Karp and guest composers. In April 2005, artistic director/choreographer Nancy Karp was honored at the Bay Area Dance Awards (“Izzies”) with a Lifetime Achievement Award, celebrating her consistently high level of artistic creation over her career to date. The dance company and its board of directors are proud that the Bay Area dance community has bestowed this honor on her—it is a exceptional acknowledgment of Nancy’s many years of dedicated work and artistic success.

In addition to performing regularly in the San Francisco Bay Area, Nancy Karp + Dancers has had touring engagements in New York, Washington DC, Minneapolis, San Diego, Los Angeles, Seattle, Europe and Japan. Site-specific work has been an integral part of the organization's programming. Locations have included the numerous and varied sites of the Annual Emeryville Art Exhibition, the garden terraces of the Oakland Museum, the Emeryville Marina, BART stations in San Francisco, and the hillside terrace of Kyoto College of Art in Japan, among numerous other sites.

Structure

The New Arts Foundation, established in 1981, is the non-profit 501(c)(3) tax-exempt corporation of Nancy Karp + Dancers, governed by its Board of Directors. The dance company consists of Artistic Director, Nancy Karp, six dancers, one apprentice, technical director/lighting designer, costume designer, administrative manager, and public relations & audience development consultants.

Project's Leadership

Artistic Director Nancy Karp directs all rehearsal, performance and outreach program activities. She is assisted in the school outreach program by two long-time members of the dance company. The success of past programs is an indication of Ms. Karp and her company members as qualified leaders for this upcoming year of programming.

The Board of Directors consists of active members from the business and art communities of the San Francisco Bay Area. The Board meets quarterly to review financial and programming plans, and overall policy issues. The New Arts Foundation is a financially healthy organization.
