Why are you interested in serving on this Board, Commission or Committee?

I'm interested in serving on this Committee because I'm very interested in issues that are pertinent to seniors, such as hunger, housing and wellness. Sadly, a growing number of seniors are neglected and/or forced to skip meals or make a choice between buying medicine or groceries. I'm also concerned with affordable and safe housing for seniors. Serving on this committee will also give me an opportunity to work with others who also enjoy helping seniors today and giving and giving hope for tomorrow.
