boards to help drive action, particularly in education. I've recently gotten involved in city planning efforts around the Bay Area, and excited to innovate on what we can do together.

As a resident of Emeryville, it is important to me that we continue to have housing that meets needs for people of all ages, races, income levels. Part of what brought me to live here is the vibrant and diverse community we have. Being part of a team that is discussing, debating, and influencing policy that helps create a great place to live for all residents and future residents would be a great honor and awesome responsibility that I have the time and energy to take on.

"Planning Commission Applicants Only" A short (300 words or less) statement discussing your ideas and attitudes about planning in Emeryville. Please consider issues such as traffic, industrial and commercial development density, affordable housing, maintaining community diversity and jobs/housing balance.
