Why are you interested in serving on this Board, Commission, Committee?	Since my husband and I bought a house in Emeryville back in 2014 we have grown very fond of this city. It has everything I never had growing up in downtown L.A and would like to help contribute to further expand the services and opportunities it offers not only to its residents but to the surrounding community as well. As a runner and leisure cyclist throughout Emeryville I find the parks to be the most rewarding for this community. I want to ensure Emeryville continues to have the necessary outdoor experience to continue attracting long terms residents and long term businesses.

<b>Planning Commission Applicants Only</b> Please provide a short (300 words or less) statement discussing your ideas and attitudes about planning in Emeryville. Please consider issues such as traffic, industrial and commercial development density, affordable housing, maintaining community diversity and jobs/housing balance.
