Relevant Work / Volunteer Experience

* doctorate in economics with fields in game theory, industrial organization and environmental economics * business owner/employer * data engineer * health care finance consultant

Why are you interested in serving on this Board, Commission, Committee?*

Emeryville has made itself into a test environment for economic policy. Emeryville is a dynamic city undergoing rapid change. Emeryville is a relatively small city compared with its neighbors, but plays a key role in shaping the future for the East Bay. I'd like to join this committee in order to step up and offer my perspective on the decisions we make as a community.

"Planning Commission Applicants Only" A short (300 words or less) statement discussing your ideas and attitudes about planning in Emeryville. Please consider issues such as traffic, industrial and commercial development density, affordable housing, maintaining community diversity and jobs/housing balance.

* indicates required fields.
