Please leave your comments and questions below:: Dear City Councilmembers,

I am writing to voice my opposition to the Emeryville City Council's proposal to close the Emeryville Child Development Center. This biennial threat to balance the City budget on the back of the Center needs to stop. It causes a great deal of stress for the families and the staff at ECDC.

ECDC has been an extraordinary child care center for decades. I consider myself very fortunate to have been able to utilize the Center as the employee of an Emeryville business. My child who attended from 2009 through 2013 entered elementary school exceptionally well prepared academically and socially. I applaud the excellent staff for their devotion to their work.

For Emeryville families and schools, ECDC is an irreplaceable source of high quality child care and early childhood education. I urge you to find the resources to keep operating ECDC.

Sincerely, Alice Rico (former President, Friends of ECDC)
