I worked for Greenbelt Alliance, which works to protect open space and promotes building up in areas near transit.

**Why are you interested in serving on this Board, Commission or Committee?**

I'm interested in serving on the Housing Committee for a variety of reasons: 1) I live in a below-market rate unit in Emeryville and would likely not have been able to stay in the Bay Area (I grew up in Berkeley) had I not had the good fortune to benefit from this program. 2) I firmly believe that Emeryville should continue to support housing that serves families and people across the socio-economic spectrum. 3) I want to work with fellow committee members to increase access for Emeryville residents to public transit, bicycle and walking infrastructure; to continue to build Emeryville into a thriving and exciting community with locally-owned businesses and parks/open space. 4) Ensure that new housing developments have significant community-benefit and create as much new affordable housing as possible (for low to mid income families).

#### PLANNING COMMISSION APPLICANTS ONLY

**Please provide a short (300 words or less) statement discussing your ideas and attitudes about planning in Emeryville. Please consider issues such as traffic, industrial and commercial development density, affordable housing, maintaining community diversity and jobs/housing balance.**
