WHEREAS, on June 12, 2018, Arrow Sign Company requested a Noise Waiver for exterior work on Saturday, July 21, 2018, between the hours of 6:00 a.m. and 5:00 p.m. for crane work to facilitate the installation of two Tanium high-rise identification signs at 2100 Powell Street; and

WHEREAS, the request is being made to accommodate the use of a crane and truck loading that will limit pedestrian and vehicular traffic around 2100 Powell Street; and

WHEREAS, performing the work on Saturday will be safer and result in fewer traffic impacts due to fewer people being in the area on a weekend; and

WHEREAS, Chapter 13 of Title 5 of the Emeryville Municipal Code limits construction noise to 7:00 a.m. to 6:00 p.m. weekdays, but allows a developer or contractor to ask the City Council for a waiver of the construction noise restrictions; and

WHEREAS, the City Council of the City of Emeryville conducted a notice public hearing on July 10, 2018, to consider the applicant's request, as well as any comments received from the public; now therefore, be it

RESOLVED, that the City Council of the City of Emeryville hereby finds that the noise waiver for weekend construction work at 2100 Powell Street is exempt from the California Environmental Quality Act (CEQA) under the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment, as stated in Section 15061(b)(3) of the State CEQA Guidelines, and in this instance it can be seen with certainty that there is no possibility that the noise waiver will cause a significant effect on the environment; and be it further

RESOLVED, that the City Council hereby approves the request for a waiver of construction noise hours for Saturday work at 2100 Powell Street with the following conditions:
