An Ordinance Of The City Council Of The City Of Emeryville Repealing And Replacing Chapter 29 Of Title 5 Of The Emeryville Municipal Code, “Smoking Pollution Control”; CEQA Determination: Exempt Pursuant To Section 15061(B)(3) Of The California CEQA Guidelines

WHEREAS, the State of California finds that smoking in the workplace is matter of statewide concern and interest and has codified Labor Code section 6404.5 to create a uniform statewide standard to restrict and prohibit smoking of tobacco products in enclosed places of employment; and

WHEREAS, Business and Professions Code section 22950.5 defines smoking broadly to include the smoking of any heated tobacco or plant product and to include the use of an electronic smoking device; and

WHEREAS, *City of San Jose v. Department of Health Services* (1998) 66 Cal.App.35, 44 held that local governments may adopt and enforce local smoking restrictions if they do not apply to areas not covered by state law; and

WHEREAS, the dangers of secondhand tobacco smoke to human health, which can lead to diseases such as heart disease and lung cancer, and premature death, are well-documented; and

WHEREAS, the secondhand smoke from the use of electronic smoking devices also poses a danger to human health by emitting the same dangerous toxins such as heavy metals and carcinogens as tobacco smoke from cigarettes; and

WHEREAS, the secondhand smoke from cannabis poses some of the same threats to human health as the secondhand smoke from tobacco and electronic smoking devices; and

WHEREAS, California Health and Safety Code sections 11362.3 and 11362.79 prohibits the smoking of cannabis or cannabis products in areas where tobacco smoke is prohibited and in all public places; and

WHEREAS, the City Council of the City of Emeryville adopted Ordinance No. 80-07, restricting smoking in certain enclosed places, such as hotel lobbies, retail stores, pharmacies, banks and other offices, waiting rooms, health facilities, schools and enclosed theatres; and

WHEREAS, in light of recent state law changes with the enactments of Assembly Bill (“AB”) 13, AB 846 and AB 2067, in 2006 the City Council adopted Ordinance No. 06-021, which was codified as Chapter 29 of Title 5 of the Emeryville Municipal Code; and

WHEREAS, in 2010, the City Council amended section 5-29.03 of the Emeryville Municipal Code to clarify that the Chapter did not apply to open air barbeques; and

WHEREAS, on September 20, 2016, the City Council held a study session to consider modifying Chapter 29, of Title 5 of the Emeryville Municipal Code, “Smoking Pollution

Control Ordinance”, and directed staff to work with the Housing Committee to conduct surveys and outreach within the community to determine community preferences; and

WHEREAS, City staff partnered with the Alameda County Public Health Department Tobacco Control Program (ACPHD-TCP) to obtain assistance with the community survey and outreach, and with input from cities across Alameda County (including Emeryville), the ACPHD-TCP conducted an online survey for all cities in Alameda County to obtain community input on issues related to smoking; and

WHEREAS, the Housing Committee believes that the data collected indicates a community preference to have housing that is free of all smoke regardless of type, and regardless of the type of housing (rental vs. condo); and therefore, the Committee recommended that the City's ordinance reflect those preferences; provided, however, for multi-unit residences, the Committee requested that staff investigate options for allowing owners to create space where smoking could occur without impacting residents; and

WHEREAS, the community survey indicates that community members prefer to live in housing that is free from all smoke, regardless of the type of smoke; and now, therefore

THE CITY COUNCIL OF THE CITY OF EMERYVILLE DOES HEREBY ORDAIN AS FOLLOWS:
