☐ Yes

☒ No

**Have you served on a Board, Commission or Committee before?**

☐ Yes

☒ No

**Please list all past and current City of Emeryville advisory boards.**

I have not served on a board at the City of Emeryville.

**Please list any past and current board, commission or committee memberships outside of Emeryville.**

None.

**Please list all organization memberships and positions held.**

Hazon - Bicycle Ride Committee chair LimmudLA - 500 person conference Committee co-chair

**Please list any relevant work and volunteer experience.**

I have a MA in Urban Planning from UCLA and I've built schools in a previous position. While working at the LA City Councilmember's office, I worked on local implementation of SB1818 legislation, ADUs and granny flats, and other housing policy. Please see additional items from Linkedin profile: • Worked as part of senior team to identify solutions to key community issues and policy initiatives. • Represented Councilmember by speaking at legislative hearings and community meetings. • Improved legislation together with community members. • Provided training on planning matters to co-workers and community members. • Interviewed and recommend people for the Councilmember to appoint to the Council District's Design Review Boards. • Shepherded projects through multiple agency requirements and approvals. • Hired and managed consultants. • Worked on conservation of historic-cultural monuments. • Explained the CEQA process to colleagues and community members. • Preserved affordable housing. • Successfully intervened and resolved landlord/tenant disputes.

**Why are you interested in serving on this Board, Commission or Committee?**

I am interested in getting involved in the City of Emeryville and offering a balanced perspective to housing and real estate needs.

**PLANNING COMMISSION APPLICANTS ONLY**

**Please provide a short (300 words or less) statement discussing your ideas and attitudes about planning in Emeryville. Please consider issues such as traffic, industrial and commercial development density, affordable housing, maintaining community diversity and jobs/housing balance.**
