Pacific Rim Junior Jaycees - Honolulu. Served as President and Vice President of Community Affairs.

Please list any relevant work and volunteer experience.

Volunteered with the J-Sei organization from 2012-2015. The J-Sei is a multi-generational and multi-cultural organization that provides services for the Asian American senior citizens in the East Bay. I worked on the golf tournament committee where net profit exceeded the previous year's by \$4000. I assisted with project planning and coordination for the ongoing outreach events. And I taught the senior citizens how to use computer and mobile products.

Why are you interested in serving on this Board, Commission or Committee?

I would like to be part of the Housing Committee as I want the opportunity to help and provide input into the housing programs that the city offers. All the new condo construction in the Emeryville appear to be for lease than to buy. I would like to see more housing ownership opportunity to all individuals rather than leasing options. I would like to help find a clear or working solution that address the homeless population in Emeryville. This includes those living on the streets and in their own vehicles. Finally as a dog owner, I have noticed a lot a dog feces not picked up by dog owners. I would like work on a plan to address this misconduct by the owners.

PLANNING COMMISSION APPLICANTS ONLY

Please provide a short (300 words or less) statement discussing your ideas and attitudes about planning in Emeryville. Please consider issues such as traffic, industrial and commercial development density, affordable housing, maintaining community diversity and jobs/housing balance.
