MASTER FUNDING AGREEMENT
Between METROPOLITAN TRANSPORTATION COMMISSION
And CITY OF EMERYVILLE
For PLANNING, PROGRAMMING,
TRANSPORTATION, TRANSIT, LAND USE OR OTHER PROJECTS

This Master Funding Agreement, effective as of July 1, 2018 (this “Master Funding Agreement” or “Agreement”), is entered into by and between the Metropolitan Transportation Commission (hereafter “MTC”), a regional transportation planning agency established pursuant to California Government Code § 66500 *et seq.*, and the City of Emeryville (hereafter “AGENCY”). MTC and AGENCY are collectively referred to herein as “the Parties.”

WITNESSETH

WHEREAS, MTC has been designated as the Metropolitan Planning Organization (MPO - federal) and the Regional Transportation Planning Agency (“RTPA” - state) for the San Francisco Bay Region; and

WHEREAS, MTC from time to time expects to provide funds available to it as MPO, RTPA or otherwise to AGENCY; and

WHEREAS, it is expected that these funds will be used for planning, programming, transportation, transit, land use or other projects relevant to MTC or its statutory purposes (the “Project” or “Projects”); and

WHEREAS, the Parties wish to set forth the terms and conditions under which MTC may from time to time provide funding to AGENCY for the period from July 1, 2017 to June 30, 2028; and

WHEREAS, before MTC will make funds available hereunder, MTC and AGENCY will enter into at least one Supplement to this Master Funding Agreement, which must be in substantially the form attached hereto as Exhibit A (each, a “Supplement”) to establish the terms and conditions applicable to AGENCY when receiving funds for the Project;

NOW, THEREFORE, the Parties hereto agree as follows:

1.0 GENERAL

This Master Funding Agreement shall have no force and effect with respect to a Project or any portion thereof unless and until a Supplement has been fully executed by both MTC and AGENCY governing the relevant Project. Exhibit A, Form of Supplement, is attached hereto and incorporated herein. Each Supplement shall include the following information:

- a. A description of the applicable Project scope of work;

- b. A maximum payment amount for the applicable Project scope of work;
 - c. An indication of whether the various clauses attached hereto as Exhibits B-1 through B-7 shall apply to AGENCY's implementation of the applicable Project scope of work;
 - d. Any additional covenants, conditions, restrictions or reporting requirements that apply to the applicable Project scope of work or funding source MTC is providing to AGENCY;
 - e. Identification of the MTC and AGENCY project managers for the applicable Project scope of work;
 - f. The estimated budget and payment milestones for the applicable Project scope of work;
- and
- g. Any MTC or AGENCY resolutions, authorizations or approvals, or any other key documents, relevant to the applicable Project scope of work or funding source MTC is providing to AGENCY.

Upon execution by MTC and AGENCY of such a Supplement, AGENCY shall assume the responsibility for implementing the applicable Project scope of work, and MTC will administer funding to AGENCY in accordance with this Agreement, the applicable Supplement, and any other documents incorporated by reference into such Supplement.

2.0 INTERAGENCY AGREEMENT ADMINISTRATION

The administration of this Agreement will be conducted by MTC staff. Day-to-day management of individual projects required under this Agreement is assigned to the appropriate Project Manager at AGENCY and Project Manager at MTC, as set forth in the applicable Supplement.

3.0 FUNDING

- A. The total compensation to be paid to AGENCY under this Agreement shall be the sum of the amounts of compensation payable to AGENCY as set forth in each Supplement.
- B. AGENCY and MTC jointly agree to exert their best efforts to manage each component of the Project in such a way that prevents costs from exceeding the estimated budget set forth in the applicable Supplement.
- C. Reimbursement of AGENCY travel expenses and per diem rates are not to exceed the rate specified by the State of California Department of Personnel Administration for similar employees (i.e. non-representative employees)

4.0 TERM

This Agreement is in effect from July 1, 2018 to June 30, 2028. This Agreement term may be extended by mutual written agreement.

5.0 PAYMENT

Contingent upon AGENCY's satisfactory completion of work products or milestones, as applicable, required under the applicable Supplement, AGENCY shall submit invoices to MTC for that portion of the funds available to AGENCY that have been expended. This invoice will be in the format and provided no more frequently than prescribed by MTC in the applicable Supplement. In addition, all supporting documentation must accompany expenditures included on AGENCY invoices. Payment shall be made by MTC within thirty (30) days of receipt of an acceptable invoice, which shall be subject to the review and approval of MTC's Project Manager or a designated representative. Approval of an invoice shall not be unreasonably withheld. AGENCY should submit invoices electronically via email to MTC at acctpay@bayareametro.gov or deliver or mail invoices to MTC, as follows:

Attention: Accounting Section
Metropolitan Transportation Commission
Bay Area Metro Center
375 Beale Street, Suite 800
San Francisco, CA, 94105

6.0 DELAYS AND FAILURE TO PERFORM

Whenever AGENCY encounters any difficulty that will significantly delay timely performance of work, AGENCY shall notify MTC in writing. The parties agree to cooperate to work out a mutually satisfactory course of action.

If MTC determines that (a) AGENCY's failure to complete a product on a timely basis is due to causes solely within AGENCY's control; and (b) AGENCY has failed to consider MTC recommendations aimed at facilitating progress toward that product, MTC may impose reasonable sanctions. Sanctions may include withholding of commensurate payment due under this Agreement until compliance is achieved.

7.0 AMENDMENTS

This Agreement or any Supplement hereto may be amended by mutual agreement of MTC and AGENCY at any time during the term of the Agreement. All such changes shall be incorporated in written amendments, which shall specify the changes in work performed and any adjustments in compensation and schedule. All amendments shall be executed by the authorized Executive or a designated representative of MTC and AGENCY and specifically identified as amendments to the Agreement. The MTC Project Manager is not a designated representative, for purposes of executing an amendment.

8.0 TERMINATION

Either party may terminate this Agreement, in whole or in part, at any time upon ninety (90) days' written notice for cause. In this event, AGENCY shall submit a requisition to MTC for an amount representing the actual cost of services performed up to the effective date of termination for which AGENCY has not been previously reimbursed. In no event shall the maximum expenditure allowed under this Agreement, as it may be adjusted by a written amendment signed by both parties, be exceeded. Upon payment of the amount found due, MTC shall be under no further obligation to AGENCY, monetarily or otherwise.

9.0 USE OF THIRD PARTY CONTRACTS

AGENCY may subcontract or subvene funds to local agencies, consultants or contractors for performance of portions of the work required under this Agreement, without the prior written consent of MTC, provided AGENCY complies with any other applicable requirements of this Agreement and the applicable Supplement hereto, and applicable federal and state requirements.

10.0 INDEMNIFICATION

AGENCY shall indemnify, defend, and hold harmless MTC, its Commissioners, representatives, agents and employees from and against all claims, injury, suits, demands, liability, losses, damages and expenses, whether direct or indirect (including any and all costs and expenses in connection therewith), incurred by reason of any act or failure to act of AGENCY, its officers, employees or agents, or subconsultants or any of them in connection with this Agreement.

11.0 LAWS AND REGULATIONS

AGENCY shall comply with any and all laws, statutes, ordinances, rules, regulations or requirements of the federal, state and/or a local government, and of any agency thereof, including but not limited to the California Department of Transportation (Caltrans) Local Assistance Procedures Manual, as they exist at the time of execution of the Agreement and as they may be amended in the future, which relate to or in any manner affect the performance of this Agreement and any Supplements.

12.0 RECORDS

AGENCY agrees to establish and maintain an accounting system conforming to generally accepted accounting principles (GAAP) that is adequate to accumulate and segregate reasonable, allowable, and allocable project costs. AGENCY further agrees to keep all records pertaining to the Project(s) being funded for audit purposes for a minimum of: (a) three (3) years following final payment to AGENCY, (b) four (4) years following the fiscal year of last expenditure under the Agreement; or (c) until completion of any litigation, claim or audit, whichever is longest.

13.0 AUDITS

AGENCY shall permit MTC and MTC's authorized representatives to have access to AGENCY's books, records, accounts, and any and all work products, materials, and other data relevant to this Agreement, for the purpose of making an audit, examination, excerpt and transcription during the term of this Agreement and for the period specified in Article 12. AGENCY shall in no event dispose of, destroy, alter, or mutilate said books, records, accounts, work products, materials and data for that period of time. Such permission shall extend to books, records, accounts, and any and all work products, materials, and other data relevant to this Agreement of the AGENCY's contractors and subcontractors, if any. If applicable, should MTC request access to the construction site and related field operations, MTC shall provide reasonable notice to AGENCY, and AGENCY shall provide access as it deems reasonable and safe, subject to the rights of the property owner if such owner is not AGENCY.

AGENCY further agrees to include in all its subcontracts hereunder exceeding \$25,000 a provision to the effect that the subconsultant agrees that MTC or any of MTC's duly authorized representatives shall have access to and the right to examine any directly pertinent books, documents, papers, and records of such subconsultant for the term specified above. "Subconsultant" is defined in Article 14.0 Subcontracts, below.

14.0 SUBCONTRACTS

A. For purposes of this Agreement, "subconsultant" shall mean any consultant or contractor under contract with the AGENCY to perform Project work. Any subconsultants must be engaged under written contract with AGENCY with provisions allowing AGENCY to comply with all requirements of this Agreement. Failure of a subconsultant to provide any insurance required under this Agreement shall be at the risk of AGENCY. MTC's Project Manager shall be notified in writing of any substitution or addition of subconsultants.

For any Project funded by FTA, FHWA or Caltrans, AGENCY shall complete Form 10-C, as may be revised by Caltrans from time to time, the current version of which is attached hereto as Exhibit C, Form 10-C, within thirty (30) days of executing an agreement with a subconsultant and submit it to MTC's Project Manager. MTC shall not process payment of any invoice under the applicable Supplement relating to work by a subconsultant unless AGENCY shall have submitted to MTC a Form 10-C with respect to its contract with such subconsultant.

B. Nothing contained in this Agreement or otherwise, shall create any contractual relation between MTC and any subconsultants, and no subcontract shall relieve AGENCY of his/her responsibilities and obligations hereunder. AGENCY agrees to be as fully responsible to MTC for the acts and omissions of its subconsultants and of persons either directly or indirectly employed by any of

them as it is for the acts and omissions of persons directly employed by AGENCY. AGENCY's obligation to pay its subconsultants is an independent obligation from MTC's obligation to make payments to AGENCY.

C. Applicable provisions of this Agreement shall be included in any subcontract or subconsultant agreement in excess of \$25,000 entered into under of this Agreement.

15.0 PROHIBITED INTERESTS

No member, officer, employee or agent of MTC, during his/her tenure shall have any prohibited interest as defined by California Government Code Sections 1090, et seq., direct or indirect, in the Agreement or the proceeds thereof. Prohibited interests include interests of immediate family members, domestic partners, and their employers or prospective employers. Accordingly, AGENCY further covenants that it has made a complete disclosure to MTC of all facts of which AGENCY is aware upon due inquiry bearing upon any possible interest, direct or indirect, that it believes any member, officer, agent or employee of MTC (or an immediate family member, domestic partner or employer or prospective employer of such member, officer, agent or employee) presently has, or will have in the Agreement, or in the performance thereof, or in any portion of the profits thereunder. Willful failure to make such disclosure, if any, shall constitute grounds for cancellation and termination hereof by MTC.

16.0 ORGANIZATIONAL CONFLICTS OF INTEREST

AGENCY shall take all reasonable measures to preclude the existence or development of an organizational conflict of interest in connection with work performed by subconsultants or subcontractors under this Agreement. An organizational conflict of interest occurs when, due to other activities, relationships, or contracts, a firm or person is unable, or potentially unable, to render impartial assistance or advice to MTC or AGENCY; a firm or person's objectivity in performing the contract work is or might be impaired; or a firm or person has an unfair competitive advantage in proposing for award of a contract as a result of information gained in performance of this or some other Agreement.

AGENCY shall not engage the services of any subconsultant or subcontractor on any work related to this Agreement if the subconsultant or subcontractor, or any employee of the subconsultant or subcontractor, has an actual or apparent organizational conflict of interest related to work or services contemplated under this Agreement.

If at any time during the term of this Agreement AGENCY becomes aware of an organizational conflict of interest in connection with the work performed by a subconsultant or subcontractor hereunder, AGENCY shall immediately provide MTC with written notice of the facts and circumstances giving rise to this organizational conflict of interest. AGENCY's written notice will also describe alternatives for addressing or eliminating the organizational conflict of interest. If at any time during the period of performance of this Agreement, MTC becomes aware of an organizational conflict of interest

in connection with performance of any work hereunder by a subconsultant or subcontractor, MTC shall similarly notify AGENCY. In the event a conflict is presented, whether disclosed by AGENCY or its subconsultant or subcontractor, or discovered by MTC, MTC will consider the conflict presented and any alternatives proposed and meet with AGENCY to determine an appropriate course of action. MTC's determination as to the manner in which to address the conflict shall be final.

Failure to comply with this section may subject AGENCY or its subconsultant or subcontractor to damages incurred by MTC in addressing organizational conflicts that arise out of work performed by such subconsultant or subcontractor, or to termination of this Agreement for breach.

17.0 CHOICE OF LAW

All questions pertaining to the validity and interpretation of the Agreement shall be determined in accordance with the laws of the State of California applicable to agreements made and to be performed within the State.

18.0 PARTIAL INVALIDITY

If any term or condition of this Agreement is found to be illegal or unenforceable, such term or condition shall be deemed stricken and the remaining terms and conditions shall remain valid and in full force and effect.

19.0 NO THIRD PARTY BENEFICIARIES

This Agreement is not for the benefit of any person or entity other than the parties.

20.0 ORDER OF PRECEDENCE

In the event of a conflict in the provisions of this Agreement, any Supplement hereto, or the Exhibits hereto incorporated by reference into such Supplement, the following order of priority shall be used in resolving such conflict: the applicable Supplement shall have first priority, then the Exhibits incorporated into such Supplement, then this Agreement.

IN WITNESS WHEREOF, this Agreement has been executed by the parties hereto as of the day and year first written above.

2. **DISADVANTAGED BUSINESS ENTERPRISE (DBE) POLICY**

It is the policy of MTC and the U.S. Department of Transportation to ensure nondiscrimination in the award and administration of DOT-assisted contracts and to create a level playing field on which disadvantaged business enterprises, as defined in 49 Code of Federal Regulations Part 26, can compete fairly for contracts and subcontracts relating to MTC's procurement and professional services activities.

AGENCY shall not discriminate on the basis of race, color, national origin or sex in the performance of the applicable Supplement. AGENCY shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by AGENCY to carry out these requirements is a material breach of contract, which may result in the termination of the applicable Supplement or this Agreement, or such other remedy as MTC deems appropriate.

3. **TITLE VI OF THE CIVIL RIGHTS ACT OF 1964**

AGENCY agrees to comply with all the requirements imposed by Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000(d)) and the regulations of the Department of Transportation issued thereunder (49 CFR Part 21). AGENCY shall in no event dispose of, destroy, alter, or mutilate said books, records, accounts, work products, materials and data for that period of time. If, as a result of any audit, it is determined by the auditor that reimbursement of any costs including profit or fee under the applicable Supplement was in excess of that represented and relied upon during price negotiations or represented as a basis for payment, AGENCY agrees to reimburse MTC for those costs within sixty (60) days of written notification by MTC.

AGENCY further agrees to include in all its subcontracts hereunder exceeding \$25,000 a provision to the effect that the subrecipient agrees that MTC the U.S. DOT, FTA or FHWA, as applicable, the Comptroller General of the United States, the State of California, and their authorized representatives shall have access to and the right to examine any directly pertinent books, documents, papers, and records of such subrecipient for the term specified above.

AGENCY shall submit, if a foreign air carrier was used, an appropriate certification or memorandum adequately explaining why service by a U.S. flag air carrier was not available or why it was necessary to use a foreign air carrier and shall, in any event, provide a certificate of compliance with the Fly America requirements, if used. AGENCY agrees to include the requirements of this Section in all subcontracts that may involve international air transportation.

11. PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS AND RELATED ACTS.

Upon execution of the underlying contract, AGENCY certifies or affirms the truthfulness and

accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying Supplement or the FTA assisted project for which work is being performed under the applicable Supplement. In addition to other penalties that may be applicable, AGENCY further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on AGENCY to the extent the Federal Government deems appropriate.

- B. AGENCY also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1) on AGENCY, to the extent the Federal Government deems appropriate.

13. DEBARMENT

This Article is only applicable if the applicable Supplement exceeds \$25,000. AGENCY certifies that neither it, nor any of its participants, principals or subrecipients is or has been debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions, as they are defined in 2 CFR Parts 180 and 1200, by any Federal agency or department.

14. CLEAN AIR AND WATER POLLUTION ACTS

(ii)(A) The AGENCY's contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The AGENCY's contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the AGENCY's contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken

shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The AGENCY's Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the AGENCY's contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the AGENCY's contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the AGENCY's Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the AGENCY's contractor does not make payments to a trustee or other third person, the AGENCY's contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, *Provided*, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(2) *Withholding*. AGENCY shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from its contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, the AGENCY may, after written notice to its contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(3) *Payrolls and basic records*. (i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-

Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. AGENCY's contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)(A) The AGENCY's contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the Federal Highway Administration (FHWA and/or FTA) if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant, sponsor, or owner, as the case may be, for transmission to the FHWA and/or FTA. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (*e.g.*, the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The AGENCY's prime contractor is responsible for the submission of copies of payrolls by all subcontractors. AGENCY's contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to the FHWA and/or FTA if the agency is a party to the contract, but if the agency is not such a party, the AGENCY's contractor will submit them to the applicant, sponsor, or owner, as the case may be, for transmission to the FHWA and/or FTA, the AGENCY's contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a AGENCY's prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the sponsoring government agency (or the applicant, sponsor, or owner).

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the AGENCY's contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under §5.5(a)(3)(ii) of Regulations, 29 CFR part 5, the appropriate information is being maintained under §5.5(a)(3)(i) of Regulations, 29 CFR part 5, and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The AGENCY's contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the FHWA and/or the FTA or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the AGENCY's contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4) *Apprentices and trainees* —(i) *Apprentices*. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the AGENCY's contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a AGENCY's contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the AGENCY's Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) *Trainees.* Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) *Equal employment opportunity.* The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

(5) *Compliance with Copeland Act requirements.* The AGENCY's contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

(6) *Subcontracts.* The AGENCY's contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as the FHWA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The AGENCY's prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

(7) *Contract termination: debarment.* A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) *Compliance with Davis-Bacon and Related Act requirements.* All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) *Disputes concerning labor standards.* Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

(10) *Certification of eligibility.* (i) By entering into this contract, the AGENCY's contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the AGENCY's contractor's firm

is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

(b) *Contract Work Hours and Safety Standards Act.* The AGENCY shall cause or require its contracting officer to insert the following clauses set forth in paragraphs (b)(1), (2), (3), and (4) of this section in full in any contract in an amount in excess of \$100,000 and subject to the overtime provisions of the Contract Work Hours and Safety Standards Act. These clauses shall be inserted in addition to the clauses required by §5.5(a) or 4.6 of part 4 of this title. As used in this paragraph, the terms *laborers* and *mechanics* include watchmen and guards.

(1) *Overtime requirements.* No AGENCY contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such AGENCY's contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) *Withholding for unpaid wages and liquidated damages.* The AGENCY shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the AGENCY's contractor or subcontractor under any such AGENCY contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) *Subcontracts.* The AGENCY's contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The AGENCY's prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

(c) In addition to the clauses contained in paragraph (b), in any contract subject only to the Contract Work Hours and Safety Standards Act and not to any of the other statutes cited in §5.1, the AGENCY shall cause or require the contracting officer to insert a clause requiring that the AGENCY's contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the

name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Further, the AGENCY shall cause or require the AGENCY's contracting officer to insert in any such contract a clause providing that the records to be maintained under this paragraph shall be made available by the AGENCY's contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the (write the name of agency) and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview employees during working hours on the job.

3. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

Contract Work Hours and Safety Standards Act - (i) The AGENCY's contractor agrees to comply with section 107 of the Contract Work Hours and Safety Standards Act, 40 U.S.C. section 333, and applicable DOL regulations, "Safety and Health Regulations for Construction" 29 C.F.R. Part 1926. Among other things, the AGENCY's contractor agrees that it will not require any laborer or mechanic to work in unsanitary, hazardous, or dangerous surroundings or working conditions.

(ii) **Subcontracts** - The AGENCY's contractor also agrees to include the requirements of this section in each subcontract. The term "subcontract" under this section is considered to refer to a person who agrees to perform any part of the labor or material requirements of a contract for construction, alteration or repair. A person who undertakes to perform a portion of a contract involving the furnishing of supplies or materials will be considered a "subcontractor" under this section if the work in question involves the performance of construction work and is to be performed: (1) directly on or near the construction site, or (2) by the employer for the specific project on a customized basis. Thus, a supplier of materials which will become an integral part of the construction is a "subcontractor" if the supplier fabricates or assembles the goods or materials in question specifically for the construction project and

the work involved may be said to be construction activity. If the goods or materials in question are ordinarily sold to other customers from regular inventory, the supplier is not a "subcontractor." The requirements of this section do not apply to contracts or subcontracts for the purchase of supplies or materials or articles normally available on the open market.

4. COPELAND ANTI-KICKBACK ACT

Compliance with Copeland Act requirements - The AGENCY's contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

5. PROMPT PAYMENT OF FUNDS WITHHELD TO SUBCONTRACTORS

The AGENCY shall hold retainage from the prime contractor and shall make prompt and regular incremental acceptances of portions, as determined by the agency of the contract work and pay retainage to the prime contractor based on these acceptances. The AGENCY's prime contractor or subcontractor shall return all monies withheld in retention from a subcontractor within 30 days after receiving payment for work satisfactorily completed and accepted including incremental acceptances of portions of the contract work by the agency. Federal regulation (49 CFR 26.29) requires that any delay or postponement of payment over 30 days may take place only for good cause and with the agency's prior written approval. Any violation of this provision shall subject the violating AGENCY's prime contractor or subcontractor to the penalties, sanctions, and other remedies specified in Section 7108.5 of the California Business and Professions Code. These requirements shall not be construed to limit or impair any contractual, administrative, or judicial remedies otherwise, available to the prime contractor or subcontractor in the event of a dispute involving late payment, or nonpayment by the prime contractor, deficient subcontract performance, or noncompliance by a subcontractor. This provision applies to both DBE and non-DBE prime contractors and subcontractors.

C. AGENCY shall submit invoices to MTC no less than annually, but may submit invoices as frequently as monthly. In either case, AGENCY shall submit an invoice to MTC within thirty (30) days after the end of each period for which payment is sought covering costs for the Project activities accomplished through the end of such period, not covered by previously submitted invoices. Each invoice shall be supported by the following information: (i.) A brief narrative progress report of the activities accomplished during the invoice period, including the percentage of the contract complete and the percentage of funding expended; (ii.) the costs requested for reimbursement with RM1, RM2 and/or AB 1171 funds, as applicable; (iii.) the total costs expended for the invoice period broken down by type and source of funding; (iv.) the total RM1, RM2 and/or AB 1171 funds, as applicable received as reimbursement to date; (v.) the total costs expended for project name to date broken down by type and source of funding; and (vi.) any additional supporting data in a form and detail required by MTC.

D. AGENCY agrees to spend RM1, RM2 and/or AB 1171 funds, as applicable, at a rate not exceeding the schedule attached to the applicable Supplement and incorporated herein as Attachment E, Reimbursement Schedule.

E. AGENCY shall comply with and shall assure that any AGENCY contractor performing Project work with RM1, RM2 and/or AB 1171 funds, as applicable, received under this Agreement complies with MTC Resolution No. 3636, Revised, as well as the provisions of MTC's RM2 Policy Guidance contained in Attachment D, MTC Resolution No. 3636, relative to constructing, operating, and maintaining the Project. MTC may update Resolution No. 3636 from time to time. The AGENCY agrees to comply with the most current Resolution that is approved at any given time.

F. AGENCY is responsible for completing the Project within cost, scope and schedule as described in Attachment A, Updated Initial Project Report, as it may be updated from time to time. Any updates must be approved by AGENCY and MTC in writing before being incorporated into this Agreement.

G. AGENCY certifies that:

- The Project is consistent with the Regional Transportation Plan ("RTP").
- All environmental permits or clearances necessary for the Project have been or will be obtained, and the year of Project funding for the construction phase of the Project has taken into

consideration the time necessary to obtain permitting approval for the Project as an operable and useable segment.

- The Project or portion thereof to be funded under this Agreement will be fully funded upon the execution of the applicable Supplement.
- AGENCY has reviewed the Project needs and has adequate internal staffing and support resources to deliver and complete the Project within the cost, scope, and schedule set forth in the Initial Project Report, as updated, attached to the applicable Supplement as Attachment A.

In addition to any other remedy authorized by law, so much of the funding due under this allocation of RM1, RM2 and/or AB 1171 funds, as applicable, as shall reasonably be considered necessary by MTC may be retained until disposition has been made of any claim for damages.

I. If any revenues or profits from any non-governmental use of the Project are collected by AGENCY, those revenues or profits shall be used exclusively for the public transportation services for which the Project was initially approved, either for capital improvements or maintenance and operational costs, otherwise MTC is entitled to a proportionate share equal to MTC's percentage participation in the Project. MTC's percentage participation shall equal the amount of funds allocated to Project, divided by the total Project budget as shown in Attachment E, Reimbursement Schedule, as updated from time to time, as such amount may be adjusted to reflect total project costs.

J. Project assets purchased by AGENCY with RM1, RM2 and/or AB 1171 funds, as applicable, including facilities and equipment, shall be used for the intended public transportation uses and should said facilities and equipment cease to be operated or maintained for their intended public transportation purposes for their useful life, MTC shall be entitled to a present day value refund or credit (at MTC's option) based on MTC's share of the fair market value of the facilities and equipment at the time the

public transportation uses ceased, which sum shall be paid back to MTC in the same proportion that RM1, RM2 and/or AB 1171 funds, as applicable, were originally used.

K. AGENCY shall post on both ends of the Project construction site(s), unless prohibited by the site owner if such owner is not the AGENCY, at least two signs visible to the public stating that the Project is funded with RM1, RM2 and/or AB 1171 funds, as applicable.

L. AGENCY's City Manager, General Manager, Executive Director, Chief Executive Officer, or equivalent officer, or designee, is delegated the authority to make non-substantive changes or minor amendments to the initial project report as he/she deems appropriate; otherwise, Article 7, AMENDMENTS, of this Agreement applies.

M. AGENCY agrees to comply with the provisions of MTC Resolution No. 3636, Revised, and the MTC Resolutions set forth in Attachment C, MTC Resolution(s) Approving Project Request.

II. MTC AGREES

A. MTC agrees to provide AGENCY with RM1, RM2 and/or AB 1171 funds, as applicable, within the allocation amounts in Attachment C, MTC Resolution(s) Approving Project Request and as restated in the relevant Supplement for the purpose of funding the Project as described in Attachment A.

The entire funding amount is available for reimbursement based on the schedule included in Attachment E, Reimbursement Schedule, to the applicable Supplement. In addition, if applicable, MTC agrees to support AGENCY's allocation request from the State according to the Allocation Request Schedule provided in Attachment F to the applicable Supplement.

In the event AGENCY does not use all RM1, RM2 and/or AB 1171 funds, as applicable, made available in a given fiscal year, those unused amounts will be available for reimbursement in subsequent year(s) for the duration of this Agreement.

III. IT IS MUTUALLY AGREED

A. MTC may terminate the applicable Supplement, in its sole discretion, for any force majeure event, including but not limited to any earthquake, flood or other natural disaster, any epidemic, blockade, rebellion, war, act of sabotage or civil commotion, fire, explosion or strike, or prolonged economic conditions affecting the ability of the Bay Area Toll Authority to make payments to bond holders who shall in all circumstances have priority to payment of funds, if such event (i) irrecoverably disrupts or renders impossible AGENCY's performance hereunder; or (ii) disrupts MTC's ability to make payments hereunder. If MTC so terminates the applicable Supplement, AGENCY will be entitled to payment for non-recoverable Project costs incurred prior to the date of such termination, including but not limited to any amounts AGENCY owes to the owner of the Project construction sites, if such owner is not AGENCY, up to the maximum amount payable under this Agreement.

B. If AGENCY fails to perform as specified in this Agreement and the applicable Supplement, MTC may terminate the applicable Supplement or this Agreement for cause. Termination shall be effected by serving a sixty (60) day advance written notice of termination on AGENCY, setting forth the manner in which AGENCY is in default. If AGENCY does not cure the breach or describe to MTC's satisfaction a plan for curing the breach within the sixty (60) day period, MTC may terminate this Agreement or the applicable Supplement for cause. In the event of such termination for cause, AGENCY will be entitled only to those costs incurred for already completed Project work, not to exceed the maximum amount payable under this Agreement for such Project work, however, in no event shall MTC be required to reimburse AGENCY for any costs incurred for work causing or contributing to the default.

C. If the Project is cancelled, suspended indefinitely, or otherwise not completed for any reason, AGENCY shall repay MTC any RM1, RM2 and/or AB 1171 funds, as applicable, expended that exceed MTC's proportionate share of eligible costs for the Project.

D. Upon completion of the Project, AGENCY will properly account for all Project costs incurred.

E. The applicable Supplement shall terminate upon closeout of the PROJECT in accordance with Policies and Procedures in MTC Resolution No. 3636, Revised, or on the termination date, if any, set forth in the Supplement, whichever is sooner.
