Subject: Re: Committee Appointment

Thank you for the clarifications and helpful suggestions.

I will enter a small statement:

“Dear City Council members: I am sorry that I will not be attending the meeting in which you will be reviewing my appointment to represent Emeryville at ACTC PAPCO. I will be out of town on that evening.

As you may know, I replaced Joyce Jacobson last year before her term was up. Joyce had been the representative to ACTC PAPCO for eight years and by all accounts was a valued member at the table.

I have enjoyed fulfilling this role and look forward to continuing.

Thank you for your consideration.

Warm regards,

Yvonne Behrens
