Why are you interested in serving on this Board, Commission or Committee?

Emeryville is my home and that includes the entire city. I've lived here for 7 years, longer than any other location as an adult. It's time I gave back to the city residents, I have the time and experience to make a difference. I am particularly interested in seniors housing and the arts. However, I'm interested in ANY committee.

PLANNING COMMISSION APPLICANTS ONLY

Please provide a short (300 words or less) statement discussing your ideas and attitudes about planning in Emeryville. Please consider issues such as traffic, industrial and commercial development density, affordable housing, maintaining community diversity and jobs/housing balance.
