

**ORDINANCE NO. 19-\_\_\_\_\_**

**Ordinance Of The City Council Of The City Of Emeryville Adding Chapter 13, “Dockless Shared Mobility Systems,” to Title 4 Of The Emeryville Municipal Code To Establish Regulations And New Permits To Operate Dockless Shared Mobility Systems In The Public Right Of Way**

**WHEREAS**, the City of Emeryville recognizes the practice of mobility sharing as a beneficial mode of transportation that reduces demand for private vehicles, decreases per capita greenhouse gas emissions, and creates more affordable mobility options for all of Emeryville’s residents; and

**WHEREAS**, Dockless Shared Mobility services, which do not require a docking station to operate and may be electric-assist Devices, have the potential to offer the same benefits as bike sharing, and may offer additional mobility benefits for the public, including larger, more equitable service areas and accommodation for riders with a greater range of physical abilities; and

**WHEREAS**, the City’s Climate Action Plan (Resolution No. 16-166) calls for a 40% reduction in greenhouse gas emissions from 2004 levels by 2030; and

**WHEREAS**, unregulated, unpermitted shared-use Devices proliferating in the Emeryville community can cause problems including impeding the public right of way, facilitating improper use and placement, and creating tripping hazards; and

**WHEREAS**, effective and responsible regulation can help ensure that these new services can provide improved mobility options for the public, while also incentivizing appropriate placement and responsible behavior, local jobs, and accountability; and

**WHEREAS**, unregulated Dockless Shared Mobility Systems are operating in Emeryville and in neighboring cities; and

**WHEREAS**, the City of Emeryville currently does not have regulations governing the operation of Dockless Shared Mobility Systems operating in the City and the City Council of the City of Emeryville wishes to adopt regulations addressing Dockless Shared Mobility Systems.

**NOW, THEREFORE, THE CITY OF EMERYVILLE DOES HEREBY ORDAIN AS FOLLOWS:**

**SECTION ONE. PURPOSE AND INTENT**

The purpose and intent of this Ordinance is to adopt a new Chapter 13, “Dockless Shared Mobility Systems,” to Title 4 of the Emeryville Municipal Code to provide for effective and responsible regulation of Dockless Shared Mobility Devices and Systems.
