Subject: **Update on 2019 Legislation**

Townsend Public Affairs, Inc. (TPA) has prepared this memo for the City of Emeryville as we continue to move forward in the 2019 Legislative Session.

2019 Legislative matrices

Attached to this memo are two legislative matrices and the goal is to get feedback and direction as it relates to the "Watch" list.

As background, in early March we presented two lists for the City Council; one list is what we recommended we support and the second list we recommended watch. After Council action we finalized support letters and helped move many of these proposals forward.

As it relates to the "Watch" list, all of the bills have been amended, a few new bills have been added, and the timing is right for another Council discussion.
