Why are you interested in serving on this Board, Commission or Committee?

As a visually impaired community member/resident I am interested in improving the safety and quality of life for non-automobile driving residents/visitors etc.

PLANNING COMMISSION APPLICANTS ONLY

Please provide a short (300 words or less) statement discussing your ideas and attitudes about planning in Emeryville. Please consider issues such as traffic, industrial and commercial development density, affordable housing, maintaining community diversity and jobs/housing balance.

There are several intersections within the City of Emeryville that need safety improvements. Such as flashing lights or pedestrian bridges/ramps etc. Insuring that a portion of new housing construction remains affordable and safe for all residents, regardless of age, ethnic origin or disability. With my extensive knowledge and experience with health care, quality improvement , having worked with several State and Federal agencies on matters pertaining to population health, diversity and policy. I feel I would be an asset to this committee.
