I own and manage my own property for 20 years. I am a landlord for 20 years as well. I am a realtor serving Alameda and Contra Costa County. I also rent out properties for my clients.

Why are you interested in serving on this Board, Commission or Committee?

The bay area is a tough area to live for residents who don't bring home a \$100K+/yr pay check. As a renter in Emeryville and a realtor in the East Bay I want to have an active role in local government to help shape a livable environment for renters and property owners. I love that the city of Emeryville is concerned about it's residents and that it is small enough to have an influence.

PLANNING COMMISSION APPLICANTS ONLY

Please provide a short (300 words or less) statement discussing your ideas and attitudes about planning in Emeryville. Please consider issues such as traffic, industrial and commercial development density, affordable housing, maintaining community diversity and jobs/housing balance.
