Why are you interested in serving on this Board, Commission or Committee?

I am writing to express my interest in serving on the Housing Committee for the city of Emeryville. I believe that this committee position is in direct alignment with my leadership philosophy that is rooted in servant leadership. My career over the past 17 years has been dedicated to taking an active role in addressing the needs of people while promoting social justice within those communities that are overlooked and underserved. I am a 4th generation North Oakland/Emeryville Native and my experiences in this community have shaped me into the woman I am today...Playing in the arcade, learning how to drive on Christie avenue, eating at the public market and learning how to explore the city as a young person set the foundation for my career as a senior Non-profit community leader. I have lived in Emeryville for the past 8 years and I am very interested in lending my voice, talents, resources and service to the success and growth of this community. Ultimately, my experience leaves me readily prepared and eager to embark on the next stage of my leadership journey by becoming a member of the Housing Committee for the city of Emeryville. I am confident that I not only have the ability to take on the responsibility of this opportunity but also the enthusiasm and determination to ensure that I make a success of it. I believe the love that I have for community uplift makes me a great asset to the committee; as I readily accept challenges and will spend the time and effort it takes to meet the professional and personal goals of this opportunity.
