**Why are you interested in serving on this Board, Commission or Committee?**

As an artist, art enthusiast and finance director, I want to bring my set of skills to the Public Art Committee, so I can help public art thrive in Emeryville. I grew up in Santa Fe, New Mexico where my uncle and father ran a roofing company that rented out below market rate studios to emerging artists. I took my first art class with one of these artists where I turned a paper bag into a painted fox. Throughout my childhood and in college, I took classes in theatre, photography, painting, drawing and architecture. This last year I've been taking printmaking classes at KALA. When I'm not working on art, I work as a finance director at the Homeless Action Center, where I manage an \$8 million budget which supports three offices and seventy employees. At HAC, I create a budget that aligns with the strategic plan. I've created many systems that help the organization maximize the use of our funding. I also work with the development director to secure funding through grant writing or events. I'm excited to use these skills and my love of art to support the public art committee.
