Hello Lorrayne,

I regret to state there is an error in the bio I provided to you. I am a vice- chair and not a co-chair of the Parks & Recreation Committee. I don't want to falsely represent myself so if it's not too much trouble, would you please update this verbiage for me? I'm very grateful.

Thank you so much.

Kind regards,  
Sasheen

Hello Lorrayne,

Thank you for the information regarding tomorrow's Emeryville City Counsel Meeting. I would love to attend however, I am hosting a Service Design event at my place of employment (DIGITALIST) : [REDACTED]  
[REDACTED] (event link with my business bio).

Since I am unable to attend this meeting, please find my brief introduction for City Counsel.

Hello City Counsel. I am Sasheen Andregg and I have served on the Parks & Recreation Committee for the last two years. In 2018, I was voted co-chair of this Committee and have proudly served this role for this very important group. As a 14 year resident of Emeryville and a proud Dog Mom of three, I aim to provide a voice for those in Emeryville who need our parks and green spaces for their families and pets. I care about our environment and want to ensure our city is actively innovating our parks, recreation, and green spaces for everyone- be they residents, workers, or visitors- to share and enjoy. We are fortunate to have a diverse population and I want to continue working on the Committee to help champion our City's parks and activities. Thank you for your consideration.

Thank you Lorrayne for forwarding my information on my behalf. I appreciate it.

Kind regards,  
Sasheen
