Why are you interested in serving on this Board, Commission or Committee?

I've always cared about community service and participated in social justice activities. Housing is a challenging and important issue facing Emeryville residents. I want to contribute my professional experience, academic knowledge and subjective perspective as resident so that the Committee can utilize that information to create balanced policies that support our citizens. I believe we have the ability to enfranchise residents so we can create a space we all want to live and contribute to as a community.

PLANNING COMMISSION APPLICANTS ONLY
