Why are you interested in serving on this Board, Commission or Committee?

We recently moved to Emeryville after selling our home of 22 years in the Rockridge area of Oakland. For many years I have experienced great satisfaction consulting to and serving on the boards of community-based nonprofit organizations. Most relevant to Emeryville's Commission on Aging is my work at In-Home Supportive Services Consortium of San Francisco (now Homebridge), a nonprofit organization providing case management and in-home supportive services to low income elderly and people with disabilities. My general management and operations experience would allow me to contribute to the Emeryville community with regard to policies and procedures related to serving the community's senior population.
