Why are you interested in serving on this Board, Commission or Committee?

I am now a retired senior citizen of Emeryville. This commission gives me an opportunity participate in my community serving those of my age group. I am interested in the ONNI project which will present to this commission soon, and went to the meeting at which they were expected. I was honored that two people who knew me from my community involvement asked me if I would serve on the commission after that meeting. I wasn't sure, but have now decided it is the right next thing to do in my life.
