Alameda County Health Officer, along with Health Officers in five other Bay Area counties, issued an order “directing all individuals living in the County to shelter at their place of residence...directing all businesses and governmental agencies to cease non-essential operations at physical locations in the County; prohibiting all non-essential gatherings of any number of individuals; and ordering cessation of all non-essential travel”, which clarifies and supersedes the order from March 16, 2020; and

WHEREAS, on March 31, 2020, the Alameda County Board of Supervisors considered Ordinance No. O-2020-___, “An Urgency Ordinance Amending No. O-2020-14 to Modify the Temporary Moratorium on Evictions Resulting from the Loss of Income, Increased Medical Expenses, or Child Care Needs Related to COVID-19 in the County of Alameda”, which will apply in Emeryville; if the County ordinance is adopted in the form proposed by County staff, to the extent that Emeryville’s regulations are more protective of residential renters, the City’s regulations will apply; and

WHEREAS, during this time of shelter in place, self-isolation, and other social distancing, many individuals are not able to work, and will not be able to earn income to pay rent; and

WHEREAS, the vast majority of housing in Emeryville consists of multi-unit family structures, either as residential rental units or residential condominium units, and displacement of these residents through eviction for failure to pay rent or foreclosure for failure to pay association assessments destabilizes the living situation of these residents, and impacts the health of the community by removing the location where these residents may be sheltering in place, self-isolating or practicing other social distancing measures; and

WHEREAS, the City Council of the City of Emeryville desires to create stability for the impacted residents and to ensure that all residents can comply with federal, local and state directives to practice social distancing which is the interest of the public peace, health, safety and welfare, and adopted Ordinance Nos. 20-002 and 20-004 (“Ordinances”) imposing a moratorium on residential rental evictions due to failure to pay rent; and

WHEREAS, the Ordinances do not relieve Affected Residential Tenants, as that term is defined in the Section 4 of the Ordinances from their legal obligation to pay rent; but the City Council of the City of Emeryville finds that Affected Residential Tenants may not be able to immediately repay rent owed once the COVID-19 emergency terminates because it may take time to replace household income lost due to the shelter in place during the COVID-19 emergency and other impacts from the COVID-19 emergency; and

WHEREAS, the City Council of the City of Emeryville finds that the City’s shelter crisis, which was declared by the City Council in adopting Resolution No. 18-156, on October 30, 2018, and the State’s housing crisis are on-going and continue; and

WHEREAS, displacement of residential tenants following the COVID-19 emergency for failure to pay rent due to reduction in household income due to the COVID-19 emergency and the federal, state and local governments response to it would further exacerbate the City's declared shelter crisis and the State's housing crisis; and

WHEREAS, providing residential stability after the COVID-19 emergency is necessary to abate the City's declared shelter crisis and to promote economic recovery, which is in the interest of the public health, safety and welfare.
