Why are you interested in serving on this Board, Commission or Committee?

I'd really like to be more involved in the community I call my home and the one I have grown to love over the past two years. As a business owner based in Emeryville, I'd like to help by using my voice as a platform for all businesses in Emeryville when providing recommendations and feedback for the City's budget. In addition, as a young member in the community, I believe I can bring a unique perspective while helping voice the opinions and concerns of younger community members. I would thoroughly enjoy working on a united front to help shape how Emeryville spends, thereby creating a more prosperous, safe and healthy community for all.

PLANNING COMMISSION APPLICANTS ONLY

Please provide a short (300 words or less) statement discussing your ideas and attitudes about planning in Emeryville. Please consider issues such as traffic, industrial and commercial development density, affordable housing, maintaining community diversity and jobs/housing balance.
