Why are you interested in serving on this Board, Commission or Committee?

I care deeply about art, especially public art. I studied art, have painted a mural, worked as a fine art printer and made films on artists Diego Rivera, Jose Clemente Orozco and Jasper Johns, all for the PBS American Masters series. Emeryville has a wonderful history of supporting artists and encouraging public art, and I believe that I can contribute to the process. In these difficult times art is more important than ever. It is not a luxury, but something that can help us nourish our spirits and give us the vision and energy to rebuild our world. I think that the Public Art Committee will have an important role to play in this process.
