Why are you interested in serving on this Board, Commission or Committee?

I value the partnership we have with the City of Emeryville, especially working with Chad Smalley. I have shared ACWDB business services with Emeryville EDAC staff and have some familiarity with objectives of the committee. I was invited by the City to provide business services and incentives to small businesses in Emeryville affected by wage ordinances. I enjoy hearing the needs and concerns of businesses directly, and also working at the administrative level on policy issues affecting them. My work gives me the perspective of both and I am interested in lending my county-wide experience in workforce to assist on a local level.
