

**ORDINANCE NO. 20-\_\_\_\_**

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF EMERYVILLE AMENDING ARTICLE 2 OF CHAPTER 3 AND ARTICLE 22 OF CHAPTER 5 OF THE PLANNING REGULATIONS AT TITLE 9 OF THE EMERYVILLE MUNICIPAL CODE TO ALLOW CANNABIS MANUFACTURING BUSINESSES IN ADDITIONAL ZONING DISTRICTS AND TO ALLOW REDUCED DISTANCES BETWEEN CANNABIS SALES ACTIVITIES AND PARKS, GREENWAYS AND OTHER SENSITIVE USES (CEQA STATUS: EXEMPT PURSUANT TO STATE CEQA GUIDELINES SECTIONS 15332 AND 15061(B)(3))**

**WHEREAS**, On April 4, 2017, the City Council adopted regulations to allow retail Cannabis Sales and Cannabis Manufacturing facilities in certain areas of the city. A new Article 22 of Chapter 5, entitled “Cannabis Related Activities”, was added to the Planning Regulations that permitted cannabis manufacturing and retail store-front businesses for both medicinal and adult use, with a conditional use permit. Under these regulations, retail Cannabis Sales are allowed with a conditional use permit in the Mixed Use with Residential (MUR), Mixed Use with Residential South (MURS), and Mixed Use with Non-Residential (MUN) zoning districts, and may not be located within 250 feet of any public park (including greenways), religious institution, elementary or secondary school, or day care facility. Cannabis Manufacturing is allowed with a conditional use permit in the Mixed Use with Non-Residential (MUN), Office Technology/Doyle Hollis North (OT/OH), Office Technology (OT), Light Industrial (INL), and Heavy Industrial (INH) zoning districts. There are no distance requirements for Cannabis Manufacturing; and

**WHEREAS**, on April 4, 2017, the City Council adopted an ordinance entitled “Cannabis”, codified as Chapter 28 of Title 5 (Public Welfare) of the Municipal Code, which established a process for the Police Department to issue an “Operator’s Permit” to a cannabis business, and which subsequently was amended by Ordinance No. 20-004; and

**WHEREAS**, to facilitate the further growth of the cannabis industry in Emeryville, it is now proposed to modify the Planning Regulations to add flexibility to the distance requirements for retail Cannabis Sales uses, and to expand the range of zoning districts in which Cannabis Manufacturing uses may be located; and

**WHEREAS**, on April 7, 2020, the City Council directed staff prepare an ordinance to amend the Planning Regulations to (1) allow the distance requirement for retail Cannabis Sales from parks, greenways, and other sensitive uses to be reduced or waived with a conditional use permit, including a finding that the reduced distance will not compromise the public health, safety, or welfare; and (2) to expand the range of zoning districts in which Cannabis Manufacturing uses may be located with a conditional use permit to include the MUR Mixed Use with Residential and MURS Mixed Use with Residential South zoning districts; and

**WHEREAS**, the Emeryville Planning Commission held a duly and properly noticed public hearing on the proposed amendment to the Planning Regulations on June 25,

2020 and then voted unanimously to approve the proposed amendment and to recommend that the City Council adopt it; and

**WHEREAS**, the Emeryville City Council held a duly and properly noticed public hearing on the proposed amendment to the Planning Regulations on September 1, 2020 to solicit public comments and review and consider the proposed amendment; and

**WHEREAS**, the City Council has reviewed and considered the staff report and attachments thereto, all public comments, and the proposed amendments to Title 9 of the Emeryville Municipal Code, as set forth below, and the applicable provisions of the Emeryville Municipal Code;

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF EMERYVILLE DOES HEREBY ORDAIN AS FOLLOWS:**

#### **SECTION ONE. PURPOSE AND INTENT.**

The purpose and intent of this ordinance is to allow the distance requirement for retail Cannabis Sales from parks, greenways, and other sensitive uses to be reduced or waived with a conditional use permit, including a finding that the reduced distance will not compromise the public health, safety, or welfare; and to expand the range of zoning districts in which Cannabis Manufacturing uses may be located with a conditional use permit to include the MUR Mixed Use with Residential and MURS Mixed Use with Residential South zoning districts.

#### **SECTION TWO. REQUIRED FINDINGS FOR ADOPTING ORDINANCE.**

The City Council hereby makes the following findings, pursuant to Section 9-7.1305 of the Emeryville Municipal Code:

- (a) That the proposed amendment is consistent with the General Plan;

**The proposed amendments to the Planning Regulations to allow cannabis manufacturing in additional zoning districts as well as reduction in setbacks for cannabis sales would be consistent with the following policy of the General Plan:**

**LU-P-26 Economic Development: “A mix of commercial uses to stimulate the City’s fiscal base from downturns in particular markets shall be maintained.”**

**Allowing cannabis manufacturing in additional districts (MUR and MURS) will assist in stimulating the City’s fiscal base by bringing additional properties that can accommodate the use, which will**

**bolster the City's economy in this sector. Moreover, Custom Manufacturing, Light Manufacturing, and Small Food Production are allowed with a conditional use permit in the MUR and MURS zones. All of the existing cannabis manufacturers in the City are similar in nature to Light Manufacturing, Custom Manufacturing and/or Small Food Production.**

**Given the small size of the City, there is limited land available for cannabis sales and any reduction in the buffer from sensitive receptors will require approval from the Planning Commission which will allow compatibility of any particular business with the surrounding area to be assessed on a case-by-case basis and ensure that that public health, safety and welfare are not compromised.**

- (b) That the proposed amendment is necessary for public health, safety, and general welfare or will be of benefit to the public;

**The proposed amendments will benefit the public by adding to the economic base of the city and allowing additional opportunities to establish cannabis retail and manufacturing businesses.**

- (c) That the proposed amendment has been reviewed in compliance with the requirements of the California Environmental Quality Act.

**This Ordinance is exempt from environmental review under State CEQA Guidelines Section 15332, which applies to infill development projects, and under the "common sense exemption" at Section 15061(b)(3) of the State CEQA Guidelines because it can be seen with certainty that there is no possibility that the proposal may have a significant effect on the environment.**

- (d) For a change to the Zoning Maps, that the subject property is suitable for the uses permitted in the proposed zone in terms of access, size of parcel, relationship to similar or related uses, and other relevant considerations, and that the proposed change of zoning district is not detrimental to the use of adjacent properties.

**No changes to the Zoning Map in Figure 3.103(a) or the Zoning Overlay Map in Figure 9-3.103(b) of the Planning Regulations are proposed.**

**SECTION THREE. AMENDING TABLE 9-3.202 OF SECTION 9.3.202 OF ARTICLE 2 OF CHAPTER 3 OF TITLE 9 OF THE EMERYVILLE MUNICIPAL CODE.**
