NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF EMERYVILLE DOES HEREBY ORDAIN AS FOLLOWS:

SECTION ONE. TITLE

This Ordinance shall be known as the "Art Center Lease Disposition and Development Agreement and Ground Lease Ordinance."

SECTION TWO. FINDINGS AND PURPOSES DECLARATION

A) Minor Amendments: The City Council hereby authorizes the City Manager to execute and enter into amendments to the LDDA and Ground Lease with 4060 Hollis LLC as may be agreed to by the City Manager and approved as to form by the City Attorney that do not materially increase the obligations of the City thereunder.

SECTION SIX. CEQA DETERMINATION

The provisions of this Section relating to time periods for approval, disapproval and resubmission of the Arts Management Plan shall continue to apply until the Arts Management Plan has been approved by the City; provided, however, that if the City's approval of the Arts Management Plan has not been obtained by the date set forth in the Development Schedule, the City may terminate this Agreement pursuant to Article 7.

Section 2.7 Community Outreach Plan.

No later than the date set forth in the Development Schedule, the Developer shall have submitted to the City the Community Outreach Plan. The City shall reasonably approve or disapprove the Community Outreach Plan in writing within thirty (30) calendar days of the City receipt of the Community Outreach Plan. If the Community Outreach Plan is disapproved by the City, the Developer shall have fifteen (15) calendar days from the date of the Developer's receipt of the City's notice of disapproval to submit a revised Community Outreach Plan. The provisions of this Section relating to time periods for approval, disapproval and resubmission of the Community Outreach Plan shall continue to apply until the Community Outreach Plan has been approved by the City; provided, however, that if the City's approval of the Community Outreach Plan has not been obtained by the date set forth in the Development Schedule, the City may terminate this Agreement pursuant to Article 7.

Section 2.8 Construction Plans and Building Permit.

(a) The Developer shall prepare final construction plans for the construction of the Initial Improvements that (1) are materially consistent with the Approved Plans, (2) consist of all construction documentation upon which the Developer and its contractors shall rely in building the Initial Improvements, and (3) include (without limitation) final architectural drawings, landscaping plans and specifications, final elevations, building plans and specifications, mechanical, plumbing and HVAC (also known as "working drawings"). Prior to submitting the same pursuant to Section 2.8(b), below, and no later than the date set forth in the Development Schedule, the Developer shall submit the proposed "90%" final construction plans to the City for its proprietary review pursuant to Section 2.8(d), below.

(b) No later than the date set forth in the Development Schedule, the Developer shall apply for the City's regulatory building permit plan check approval of the final construction drawings for the Initial Improvements. After submitting applications for Building Permits as set forth above, the Developer shall diligently pursue and obtain the Building Permits for the Initial Improvements, no later than the date set forth in the Development Schedule. For the purposes of this Agreement, the Developer shall be deemed to have satisfied the condition precedent to obtain the Building Permit for the Initial Improvements by delivering evidence to the City that the Developer has received an Issue Ready Letter from the City to complete the following portion of the Initial Improvements; (1) interior demolition and clean up; and (2) if required to complete the Initial Improvements, (A) brick re-pointing; (B) temporary shoring; and (C) environmental abatement. Only upon delivery to the City of such evidence in a form reasonably satisfactory to the City shall the predisposition condition of this Section be deemed met.

(c) As set forth in Section 8.15, the Developer acknowledges that execution of this Agreement by the City does not constitute approval by the City of any required permits and in no way limits the discretion of the City in the permit approval process. The Developer's failure to satisfy the requirements of this Section by the specific date set forth in the Development Schedule shall constitute a Default pursuant to Article 7.

(d) In reviewing the 90% final construction plans submitted pursuant to Section 2.8(a), the City shall have the right to review and reasonably approve the proposed plans for conformance with the Scope of Development, the Approved Plans, and the other requirements of this Agreement. The Developer acknowledges that the City's right to review and

approve the proposed construction plans as allowed by this paragraph is in addition to, and shall not be limited by, the City's regulatory obligation to review the Developer's proposed construction plans for consistency with applicable building and construction code requirements. The Developer further acknowledges that the City shall have no obligation to approve such proposed plans in the event that the Developer fails to incorporate the City's reasonably requested changes or modifications to the proposed construction plans to conform to the Approved Plans and the Scope of Development.

(e) As approved, the final construction plans for the applicable component of the Improvements shall be referred to as the "Construction Plans". Following the Close of Escrow, any proposed change to the Construction Plans shall be governed by the Ground Lease.

Section 2.9 Construction Contract.

(a) The Developer shall enter into a contract for the construction of the Initial Improvements with a reputable general contractor (a "General Contractor") reasonably satisfactory to the City, having the reputation, experience, financial capability and qualification for serving as general contractor for similar developments in California. The Developer shall submit for the City's approval the identity of the proposed General Contractor and such additional information about the background, experience, and financial condition of any proposed General Contractor as is reasonably necessary for the City to determine whether the proposed General Contractor meets the standard for a qualified General Contractor set forth above. If the proposed General Contractor meets such standard, the City shall reasonably approve or disapprove the proposed General Contractor by notifying the Developer in writing within thirty (30) days of the submission. Any disapproval shall state with reasonable specificity the basis for disapproval.

(b) No later than the date set forth in the Development Schedule, the Developer shall submit to the City for its limited approval the proposed construction contract with the General Contractor for the Initial Improvements. The City's review and approval shall be limited exclusively to a determination whether: (i) the guaranteed maximum construction cost, or stipulated sum, set forth in the construction contract is consistent with the approved Financing Plan and is less than Twelve Million Nine Hundred Thousand Dollars ($12,900,000) or other such amount if a grant or philanthropic donation has been secured and included in the approved Financing Plan as provided for in Section 2.3(a); (ii) the construction contract is with a General Contractor duly licensed by the State of California and approved by the City pursuant to Section 2.9(a); (iii) that no changes to the provisions of the contract which, pursuant to this Agreement or the Ground Lease require the approval of City shall be made without the prior consent of the City; (iv) the construction contract contains provisions consistent with this Agreement and the Ground Lease; (v) the construction contract requires a retention of ten percent (10%) of hard costs until completion of the Initial Improvements (provided, however, the construction contract may provide for the release of retention, prior to completion of the Initial Improvements, to certain specified subcontractors that have completed all of their work on the Development as reasonably approved by the City, and, provided, further, that such early retention amount shall be based on the subcontractor's initial contract sum, and shall exclude any increase in the contract sum due to change orders, or otherwise); (vi) the construction contract requires the payment of prevailing wages in accordance with the Ground Lease Section 4.5 and Labor Code Sections 1720 et seq.; (vii) that the covenants as to equal opportunity in

construction, Living Wage, Minimum Wage and paid Sick Leave (collectively referred to "City Labor Standards") set forth in the Ground Lease have been met; (viii) the construction contract requires the contractor to make reasonable efforts to give a preference in the selection of subcontractors to Emeryville-based business and in the hiring of workers to Emeryville residents; (ix) that the construction contract includes a warranty for a period of at least one (1) year, (x) that the City is named as a specified third-party beneficiary with a direct right to enforce the indemnity and warranty requirements and requirements related to City Labor Standards (xi) the construction contract includes language indemnifying the City for any and all claims resulting from the construction in a form consistent with this Agreement; and (xii) the construction contract includes the applicable insurance requirements as set forth in the Agreement and the Ground Lease. The City's approval of the construction contract shall in no way be deemed to constitute approval of, or concurrence with, any other term or condition of the construction contract.

(c) Upon receipt by the City of the proposed construction contract, the City shall promptly review same and approve it within fifteen (15) days if it satisfies the limited criteria set forth above. If the construction contract is not approved by the City, the City shall set forth in writing and notify the Developer of the City's reasons for withholding such approval. The Developer shall thereafter submit a revised construction contract for City approval, which approval shall be granted or denied in fifteen (15) days in accordance with the criteria and procedures set forth above. Failure of the City to respond within the fifteen (15) day period(s) set forth above shall be deemed approval by the City. Any construction contract executed by the Developer for the Improvements shall be in a form approved or deemed approved by the City.

(d) The Developer shall not rely on the City's approval of the construction contract(s) as a representation regarding the enforceability or business advantage of the construction contract(s). City approval shall merely constitute satisfaction of the condition set forth in this Section.

Section 2.10 Construction Bonds.

(a) No later than the date set forth in the Development Schedule, the Developer shall deliver to the City forms of one (1) labor and material bond and one (1) performance bond for the Improvements issued by a reputable insurance company licensed to do business in California, and named in the current list of "Surety Companies Acceptable on Federal Bonds" as published in the Federal Register by the Audit Staff Bureau of Accounts, U.S. Treasury Department, and reasonably acceptable to the City, each in a penal sum of not less than one hundred twenty five percent (125%) of the scheduled cost of construction of the Improvements as set forth in the approved construction contract for the City's review and approval. The bonds shall name the City as co-obligee. Upon receipt by the City of the proposed bonds, the City shall promptly review such bonds and approve them within fifteen (15) days if they satisfy the criteria set forth above, and include any other modification reasonably requested by the City. If the bonds are not approved by the City, the City shall set forth in writing and notify the Developer of the City's reasons for withholding such approval. The Developer shall thereafter submit revised payment and performance bonds for City approval, which approval shall be granted or denied in fifteen (15) days in accordance with the criteria and procedures set forth above. Failure of the City to respond within the fifteen (15) day period(s) set forth above shall be deemed approval by the City.

(b) Prior to the Close of Escrow, the Developer shall deliver to the City copies of actually issued bonds substantially identical to the forms previously delivered to, and approved by, the City. The Developer may elect to satisfy the obligation set forth in this Section 2.10 by delivering bonds which name the Developer's general contractor(s), and not the Developer, as the principal. Only upon City receipt of such bonds shall the pre-disposition conditions of this Section 2.10 be deemed met. If such bonds are not received within the time set forth above, this Agreement may be terminated pursuant to Article 7.

Section 2.11 Insurance.

The Developer shall furnish to the City evidence of the insurance coverage meeting the requirements set forth in the Ground Lease including any insurance required from the Contractor and any design professionals, no later than the date set forth in the Development Schedule.

Section 2.12 Assignment of Documents.

The Developer shall assign to the City its rights and obligations with respect to the Construction Plans and certain agreements, plans, specifications, other documents, and approvals, pursuant to an Assignment of Documents, substantially in the form set forth in the attached Exhibit F, which shall be executed by the Developer and all Contractors, as defined in the Assignment of Documents.

Section 2.13 Construction Staging License.

The Developer and the City shall have executed a license agreement allowing the Developer to use certain City owned property adjacent to the Property, including pathways and courtyards adjacent to City Hall for purposes of construction staging and ingress and egress to the Development, provided that accessible entrances to City Hall must be maintained at all times.

Section 2.14 Other Governmental Approvals.

The Developer shall have obtained any other governmental approvals and permits required for the construction of the Initial Improvements, including but not limited to, if applicable evidence of compliance with any closure letter or other requirement from the California Department of Toxic Substance Control.

Section 2.15 City Licenses.

The Developer, the City and any necessary third parties shall have agreed upon the form of the Pedestrian, Vehicle and Parking and Operations License.

Section 2.16 Tenant Letters of Intent.

Developer shall have submitted to the City for its approval letters of intent to lease from tenants for the café space (designated as Area 1 on the site plan included as part of Exhibit C) and thirty percent (30%) of the art studio space (designated as Area 2 of the site plan included as part of Exhibit C). The City shall reasonably approve of the letters of intent within thirty (30) calendar days of receipt if the rents agreed to in the letters of intent are consistent with the

approved operating pro forma and the tenants for the Commercial Component have demonstrated ability to meet the proposed lease terms.

Section 2.17 Defaults

The Developer shall not be in Default under this Agreement.

Section 2.18 No Litigation.

There shall be no litigation challenging the City Discretionary Approvals, the City's authority to enter in to this Agreement or the Ground Lease or the Development.

ARTICLE 3.
DISPOSITION OF THE LEASEHOLD INTEREST IN THE PROPERTY

Section 3.1 Opening Escrow.

To accomplish the transfer of the leasehold interest in the Property from the City to the Developer, the Parties shall, within ninety (90) days after the Effective Date, establish an escrow with the Title Company. The Parties shall execute and deliver all written instructions to the Title Company to accomplish the terms hereof, so long as such instructions are consistent with this Agreement.

Section 3.2 Close of Escrow.

(a) The Close of Escrow shall occur within thirty (30) days after the Developer has met all of its pre-disposition conditions as set forth in Article 2 above (including, but not limited to, the evidence of an Issue Ready Letter for the initial Building Permit pursuant to Section 2.8), but in no event shall the Close of Escrow occur later than the time set forth in the Development Schedule.

(b) At the Close of Escrow, the City shall convey the leasehold interest in the Property to Developer by the execution of the Ground Lease in substantially the form set forth in the attached Exhibit E, and the execution of the Memorandum of Ground Lease and the recordation of the Memorandum of Ground Lease against the Property.

Section 3.3 Conditions to Conveyance. The City's obligation to convey the leasehold interest in the Property to the Developer shall be subject to satisfaction of the following pre-conditions:

(a) The conditions precedent set forth in Article 2 above shall have been satisfied in accordance with the Development Schedule.

(b) The representations, warranties, and covenants of the Developer set forth in Section 8.19 shall be true and correct, and fully observed, as of the Effective Date and as of the Close of Escrow.

(c) There exists no Developer Event of Default nor any act, failure, omission or condition that would constitute a Developer Event of Default under this Agreement.

(d) The Developer has delivered to the City a copy of the Developer's organizational documents and corporate resolution(s) authorizing the Developer's execution of this Agreement and the transactions contemplated by this Agreement.

(e) The Developer has executed and delivered to the City the Ground Lease and the Memorandum of Ground Lease.

Section 3.4 Condition of Title. At the Close of Escrow, the City shall deliver title to the leasehold interest in the Property free and clear of all liens, encumbrances, clouds and conditions, rights of occupancy or possession, except those set forth in the Title Report.

Section 3.5 Condition of the Property.

(a) In fulfillment of the purposes of Health and Safety Code Section 25359.7(a), to the City's Current Actual Knowledge, no release of Hazardous Materials has come to be located on or beneath the Property, except as previously disclosed by the City to the Developer (as applicable). During the Negotiating Period, as defined in the ERN, the Developer completed all due diligence activities, including but not limited to a physical adequacy determination of the Property, and may not terminate this Agreement as a result of the purported physical unsuitability of the Property. As used in this Agreement, the phrase "to the City's Current Actual Knowledge" and words of similar import shall mean the actual knowledge of Michael Guina, the City Attorney (the "City Representative"), on behalf of the City, as of the Effective Date, without any duty of separate inquiry and investigation. The City represents and warrants that the City Representative is that person affiliated with the City most knowledgeable regarding the ownership and operation of the Property. Developer hereby agrees that the foregoing person shall not have or incur any personal liability for the breach of any representation or warranty in this Agreement, and that Developer's sole remedy for any such breach shall be against the City.

(b) **"AS IS" CONVEYANCE. EXCEPT AS SET FORTH IN THIS AGREEMENT AND THE GROUND LEASE, THE DEVELOPER SPECIFICALLY ACKNOWLEDGES AND AGREES THAT THE CITY IS CONVEYING AND THE DEVELOPER IS ACCEPTING THE LEASEHOLD INTEREST IN THE PROPERTY ON AN "AS IS WITH ALL FAULTS" BASIS AND THAT THE DEVELOPER IS NOT RELYING ON ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS (EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT) OR IMPLIED, FROM THE CITY AS TO ANY MATTERS CONCERNING THE PROPERTY, INCLUDING WITHOUT LIMITATION: (A) THE QUALITY, NATURE, ADEQUACY AND PHYSICAL CONDITION OF THE PROPERTY (INCLUDING, WITHOUT LIMITATION, TOPOGRAPHY, CLIMATE, AIR, WATER RIGHTS, WATER, GAS, ELECTRICITY, UTILITY SERVICES, GRADING, DRAINAGE, SEWERS, ACCESS TO PUBLIC ROADS AND RELATED CONDITIONS); (B) THE QUALITY, NATURE, ADEQUACY, AND PHYSICAL CONDITION OF SOILS, GEOLOGY AND GROUNDWATER; (C) THE DEVELOPMENT POTENTIAL OF THE PROPERTY, AND THE PROPERTY'S USE,**

HABITABILITY, MERCHANTABILITY, OR FITNESS, SUITABILITY, VALUE OR ADEQUACY OF THE PROPERTY FOR ANY PARTICULAR PURPOSE; (D) THE PRESENCE OR ABSENCE OF HAZARDOUS MATERIALS ON, UNDER OR ABOUT THE ADJOINING OR NEIGHBORING PROPERTY; AND (E) THE CONDITION OF TITLE TO THE PROPERTY. THE DEVELOPER AFFIRMS THAT THE DEVELOPER HAS NOT RELIED ON THE SKILL OR JUDGMENT OF THE CITY OR ANY OF ITS RESPECTIVE AGENTS, EMPLOYEES OR CONTRACTORS TO SELECT OR FURNISH THE PROPERTY FOR ANY PARTICULAR PURPOSE, AND THAT THE CITY MAKES NO WARRANTY THAT THE PROPERTY IS FIT FOR ANY PARTICULAR PURPOSE. THE DEVELOPER ACKNOWLEDGES THAT IT SHALL USE ITS INDEPENDENT JUDGMENT AND MAKE ITS OWN DETERMINATION AS TO THE SCOPE AND BREADTH OF ITS DUE DILIGENCE INVESTIGATION WHICH IT SHALL MAKE RELATIVE TO THE PROPERTY AND SHALL RELY UPON ITS OWN INVESTIGATION OF THE PHYSICAL, ENVIRONMENTAL, ECONOMIC AND LEGAL CONDITION OF THE PROPERTY (INCLUDING, WITHOUT LIMITATION, WHETHER THE PROPERTY IS LOCATED IN ANY AREA WHICH IS DESIGNATED AS A SPECIAL FLOOD HAZARD AREA, DAM FAILURE INUNDATION AREA, EARTHQUAKE FAULT ZONE, SEISMIC HAZARD ZONE, HIGH FIRE SEVERITY AREA OR WILDLAND FIRE AREA, BY ANY FEDERAL, STATE OR LOCAL AGENCY). THE DEVELOPER UNDERTAKES AND ASSUMES ALL RISKS ASSOCIATED WITH ALL MATTERS PERTAINING TO THE PROPERTY'S LOCATION IN ANY AREA DESIGNATED AS A SPECIAL FLOOD HAZARD AREA, DAM FAILURE INUNDATION AREA, EARTHQUAKE FAULT ZONE, SEISMIC HAZARD ZONE, HIGH FIRE SEVERITY AREA OR WILDLAND FIRE AREA, BY ANY FEDERAL, STATE OR LOCAL AGENCY.

(c) Survival. The terms and conditions of this Section 3.5 shall expressly survive the Close of Escrow, shall not merge with the provisions of the Ground Lease, or any other closing documents and shall be deemed to be incorporated by reference into the Ground Lease. The City is not liable or bound in any manner by any oral or written statements, representations or information pertaining to the Property furnished by any contractor, agent, employee, servant or other person. The Developer acknowledges that the lease payments reflect the "as is" nature of this transaction and any faults, liabilities, defects or other adverse matters that may be associated with the Property. The Developer has fully reviewed the disclaimers and waivers set forth in this Agreement with the Developer's counsel and understand the significance and effect thereof.

(d) Acknowledgment. The Developer acknowledges and agrees that (i) to the extent required to be operative, the disclaimers of warranties contained in Section 3.5 hereof are "conspicuous" disclaimers for purposes of all applicable laws and other legal requirements, and (ii) the disclaimers and other agreements set forth in such sections are an integral part of this Agreement, that the Ground Lease has been adjusted to reflect the same and that the City would not have agreed to convey the Property to the Developer pursuant to the Ground Lease without the disclaimers and other agreements set forth in this Section.

(e) Developer's Release of the City. The Developer, on behalf of itself and anyone claiming by, through or under the Developer hereby waives its right to recover from and

fully and irrevocably releases the City and its council members, employees, and agents (the "Released Parties") from any and all claims, responsibility and/or liability that the Developer may have or hereafter acquire against any of the Released Parties for any costs, loss, liability, damage, expenses, demand, action or cause of action arising from or related to (i) the condition (including any construction defects, errors, omissions or other conditions, latent or otherwise), valuation, salability or utility of the Property, or its suitability for any purpose whatsoever, (ii) any presence of Hazardous Materials, and (iii) any information furnished by the Released Parties under or in connection with this Agreement.

(f) Scope of Release. The release set forth in Section 3.5(e) hereof includes claims of which the Developer is presently unaware or which the Developer does not presently suspect to exist which, if known by the Developer, would materially affect the Developer's release of the Released Parties. The Developer specifically waives the provision of any statute or principle of law that provides otherwise. In this connection and to the extent permitted by law, the Developer agrees, represents and warrants that the Developer realizes and acknowledges that factual matters now unknown to the Developer may have given or may hereafter give rise to causes of action, claims, demands, debts, controversies, damages, costs, losses and expenses which are presently unknown, unanticipated and unsuspected, and the Developer further agrees, represents and warrants that the waivers and releases herein have been negotiated and agreed upon in light of that realization and that the Developer nevertheless hereby intends to release, discharge and acquit the City from any such unknown causes of action, claims, demands, debts, controversies, damages, costs, losses and expenses. Accordingly, the Developer, on behalf of itself and anyone claiming by, through or under the Developer, hereby assumes the above-mentioned risks and hereby expressly waives any right the Developer and anyone claiming by, through or under the Developer, may have under Section 1542 of the California Civil Code, which reads as follows:

> **"A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her would have materially affected his or her settlement with the debtor or released party."**
>
> **Developer's Initials:** VRD

Notwithstanding the foregoing, this release shall not apply to, nor shall the City be released from, the City's actual fraud or intentional misrepresentation.

Section 3.6 Costs of Escrow and Close of Escrow. Ad valorem taxes, if any, shall be prorated as of the Close of Escrow. The lien of any bond or assessment shall be assumed by the Developer and assessments payable thereon shall be prorated as of the date of conveyance. The City shall pay any delinquent ad valorem taxes and any amounts owning for delinquent bonds and assessments as of the date of conveyance. The Developer shall bear the costs of any owner's title insurance policy desired by the Developer. All other costs of escrow (including the Title Company's fee) shall be evenly borne by the Developer and the City. The costs borne by the Developer shall be in addition to the rent paid by the Developer to the City pursuant to the Ground Lease.

ARTICLE 4.
REQUIREMENTS AFTER CLOSE OF ESCROW

Section 4.1 Construction Pursuant to Plans. All works of construction and development on the Property shall be done in accordance with the approved Construction Plans, as may be amended pursuant to the Ground Lease, the construction staging license and the other applicable requirements of the Ground Lease.

Section 4.2 Encumbrance of the Property. Section 4.3 Compliance With Ground Lease. Following the Close of Escrow, the Developer shall comply with all standards and requirements for construction, use, operation, maintenance, management and encumbrance of the Property and the Improvements which are set forth in the Ground Lease. The Developer shall commence the construction of the Improvements and complete the construction of the Improvements by the dates set forth in the Development Schedule and the Ground Lease. Any default by the Developer under the Ground Lease shall also be a Developer Event of Default under this Agreement.

Section 4.4 Mandatory Language in All Subsequent Leases and Contracts. All leases or contracts entered into by Developer as to any portion of the Property shall contain the following language:

(a) In Leases:

"(1) Lessee herein covenants by and for itself, its successors and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) and (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955 and Section 12955.2 of the Government Code in the leasing, subleasing, transferring, use, occupancy, tenure or enjoyment of the premises herein leased nor shall the lessee or any person claiming under or through the lessee, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased.

Subdivision (d) of Section 51 and Section 1360 of the Civil Code and subdivisions (n), (o), and (p) of Section 12955 of the Government Code shall apply to paragraph (1)."

(b) In Contracts:

"(1) There shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) and (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955 and Section 12955.2 of the Government Code in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the property nor shall the transferee or any person claiming under or through the transferee establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the land.

ARTICLE 5.
CITY FUNDS

Section 5.1 Amount; Use.

(a) Amount. The City hereby agrees to provide to the Developer the Construction Component of the City Funds in accordance with the terms set forth below.

(b) Use of the Construction Component. The Developer shall use the Construction Component of the City Funds solely for costs associated with the design, permitting and construction of the Improvements, the payment of the Developer Fee (subject to Section 5.3) and, if applicable, the payment of any tenant allowance designated for the improvement of all or a portion of the cafe space previously approved in writing by the City. The Developer shall not use the Construction Component for any other purpose. Use of the Construction Component of the City Funds for any unauthorized purposes shall be considered a Developer Event of Default under this Agreement and the City shall be entitled to exercise any and all of its rights and remedies set forth in Article 7 in such event.

Section 5.2 Construction Component Disbursement.

(a) Disbursements on Construction Draw Basis. The Construction Component of the City Funds remaining as of the Close of Escrow ($9,800,000) shall be disbursed in accordance with the following provisions of this Section. Satisfaction by the Developer of the following requirements shall be conditions precedent to the City's obligation to disburse any portion of the Construction Component of the City Funds:

(1) There shall exist no condition, event, or act which would constitute a breach or Default under this Agreement, or any of the City Documents or which, upon the giving of notice or the passage of time, or both would constitute such a breach or Default.

(2) The Close of Escrow has occurred.

(3) The Developer has furnished the City with evidence of the insurance coverage meeting the requirements set forth in the Ground Lease.

(4) The Developer has certified in writing to the City, and the City has approved such certification and has been provided any documentation, reasonably requested by the City, supporting such certification, that the undisbursed proceeds of the Construction Component of the City Funds, together with other funds or firm commitments for funds that the Developer has obtained in connection with the Development (including but not limited to Developer Equity Funds) are not less than the amount that is necessary to pay for the construction of the Initial Improvements and provide for the Developer to perform its obligations under this Agreement and the Ground Lease that are directly related to the construction of the Initial Improvements.

(5) The City has received a written draw request from Developer, including certification that the conditions set forth in this Section 5.2(a)(1) continue to be satisfied, and setting forth the proposed uses of funds consistent with the approved Financing Plan, the amount of funds needed, and, where applicable, a copy of the bill or invoice covering a cost incurred or to be incurred. The written request must also be accompanied by: (i) certification by the Developer, the Developer's architect, or such other party acceptable to the City, that the work for which disbursement is requested has been completed (although the City reserves the right to inspect the Property and make an independent evaluation), and (ii) lien releases reasonably acceptable to the City. An architect's certificate shall not be required for disbursements related to required deposits or pre-payments or the acquisition of construction materials, rather, Developer shall provide the City with reasonable evidence that such payments are required or that the materials have been delivered to the Property or suitable storage areas, as applicable. The City shall review any such draw request and reasonably approve or disapprove such request in writing within ten (10) business days after receipt thereof. Any disapproval shall state with specificity the basis for the disapproval. If the City fails to timely approve or disapprove any such draw request, the City shall be deemed to have approved the same.

(b) Provided the conditions set forth above have been satisfied, the City shall from time to time (but not more frequently than one (1) time per month) disburse the Construction Component of the City Funds in the amount of the approved draw request (less ten percent (10%) retention for hard costs) to the Developer no later than thirty (30) days following the City's receipt and approval of draw request. In the event the City disapproves of the draw request, the City shall provide a written notice to the Developer setting forth the City's reasons for such disapproval. Thereafter, upon the disbursement of the City Funds to the Developer, the Developer shall directly pay the vendor as set forth on the approved invoice no later than thirty (30) days following receipt of such invoice. The Developer shall provide the City with a copy of each check and such other documentation reasonably requested by the City to document the use of the proceeds of the Construction Component of the City Funds. The Developer shall apply all disbursements for the purpose(s) requested. In the City's sole discretion, the City may determine

to disburse the Construction Component of the City Funds directly to the Developer's contractor, or such other third-parties set forth in the draw request.

(c) Release of Retention. The ten percent (10%) portion of the Construction Component of the City Funds retained pursuant to Section 5.2(a) shall be disbursed in accordance with the following provisions of this Section. Satisfaction by the Developer of the following requirements shall be conditions precedent to the City's obligation to disburse such funds:

(1) There shall exist no condition, event, or act which would constitute a breach or Default under this Agreement, or any City Document or which, upon the giving of notice or the passage of time, or both would constitute such a breach or Default.

(2) The City has issued the Certificate of Completion for the Development in accordance with the Ground Lease, and the Developer has obtained the Certificate of Occupancy.

(3) The Developer has obtained lien releases reasonably acceptable to City insuring that there are no liens against the Property or the Improvements.

Notwithstanding any other provisions of this Agreement, the City shall have no further obligation to disburse any portion of the Construction Component of the City Funds to the Developer following: (i) termination of this Agreement or the Ground Lease; or (ii) notification to the Developer of a Developer Event of Default under the terms of this Agreement or the Ground Lease (until such Developer Event of Default has been satisfied within the applicable cure period to the reasonable satisfaction of the City).

Section 5.3 Developer Fee.

(a) The Developer shall be entitled to a Developer Fee in accordance with this Section 5.3.

(1) If the Development Costs are equal to or less than Nine Million Six Hundred Four Thousand Dollars ($9,604,000), the Developer shall be entitled to a Developer Fee to be paid from the Construction Component of the City Funds in the amount of (i) One Hundred Ninety Six Thousand Dollars ($196,000) plus (ii) an amount equal to ten percent (10%) of the difference between the Development Costs as certified in accordance with subsection (b) below and Nine Million Six Hundred Four Thousand Dollars ($9,604,000).

(2) If the Development Costs are greater than Nine Million Six Hundred Four Thousand Dollars ($9,604,000), the Developer shall be entitled to a Developer Fee in the amount of One Hundred Ninety Six Thousand Dollars ($196,000) to be paid from the Construction Component of the City Funds to the extent that funds are available from any unexpended balance of the Construction Component or if the unexpended balance of the Construction Component is insufficient to pay the full Developer Fee, the remainder shall be paid from Net Revenues (as that term is defined in the Ground Lease) in accordance with the distribution of Net Revenue set forth in the Ground Lease.

(b) Determination of Development Costs. After the City has issued a Certificate of Completion for the Improvements and the Developer has obtained a Certificate of Occupancy, the Developer shall provide the City with a final cost accounting of the Development Costs for the City's approval. Upon approval of the final cost accounting, the City shall reasonably approve the applicable Developer Fee and to the extent that funds remain in the Construction Component of the City Funds, disburse such funds to the Developer. The City shall, at its option, have the right to inspect the Developer and its contractor's books and records to determine the accuracy of the final cost accounting prior to disbursing the Developer Fee.

Section 5.4 Operating Funds. The Developer and the City shall designate a community foundation to hold and manage the Operating Fund which shall be deposited into a segregated interest-bearing account. The Operating Fund and any interest earned thereon shall be used in accordance with the Ground Lease and the Arts Management Plan.

ARTICLE 6.
ASSIGNMENT AND TRANSFERS

Section 6.1 Definitions.

As used in this Article 6, the term "Transfer" means:

(a) Any total or partial sale, assignment or conveyance, or any trust or power, or any transfer in any other mode or form, of or with respect to this Agreement or of the Developer's interest in the Property or the Improvements (other than as permitted pursuant to 6.1(d), below) or any part thereof or any interest therein or any contract or agreement to do any of the same; or

(b) Any total or partial sale, assignment or conveyance, of any trust or power, or any transfer in any other mode or form, of or with respect to any ownership interest in Developer;

(c) Any merger, consolidation, sale or lease of all or substantially all of the assets of Developer; or

(d) The subleasing of part or all of the Property or the Improvements thereon, except for subleasing allowed under the Ground Lease.

Section 6.2 Purpose of Restrictions on Transfer.

This Agreement is entered into solely for the purpose of the development and operation of the Development and its subsequent use in accordance with the terms hereof and the terms of the City Documents. The Developer recognizes that the qualifications and identity of Developer are of particular concern to the City, in view of:

(a) The importance of the redevelopment of the Property to the general welfare of the community; and

(b) The public assistance and other public aids that have been made available by law and by the government for the purpose of making such redevelopment possible; and

(c) The reliance by the City upon the unique qualifications and ability of the Developer to serve as the catalyst for development of the Property and upon the continuing interest which the Developer will have in the Property to assure the quality of the use, operation and maintenance deemed critical by the City in the development of the Property; and

(d) The fact that a change in ownership or control of the Developer as owner of the Property, or of a substantial part thereof, or any other act or transaction involving or resulting in a significant change in ownership or with respect to the identity of the parties in control of the Developer or the degree thereof is for practical purposes a transfer or disposition of the Property; and

(e) The fact that the Property is not to be acquired or used for speculation, but only for development and operation by the Developer in accordance with the Agreement; and

(f) The importance to the City and the community of the standards of use, operation and maintenance of the Property.

The Developer further recognizes that it is because of such qualifications and identity that the City is entering into this Agreement with the Developer and that Transfers are permitted only as provided in this Agreement.

Section 6.3 Prohibited Transfers.

The limitations on Transfers set forth in this Article shall apply throughout the Term. Except as expressly permitted in this Agreement, the Developer represents and agrees that the Developer has not made or created, and will not make or create or suffer to be made or created, any Transfer, either voluntarily or by operation of law without the prior written approval of the City.

Any Transfer made in contravention of this Section 6.3 shall be void and shall be deemed to be a Default under this Agreement whether or not the Developer knew of or participated in such Transfer.

Section 6.4 Other Transfers with City Consent.

The City may, in its sole discretion, approve in writing other Transfers as requested by the Developer. In connection with such request, the Developer shall submit to the City for review all instruments and other legal documents proposed to effect any such Transfer and all other documents as reasonably requested by the City to determine the qualifications and identity of the proposed transferee. If a requested Transfer is approved by the City such approval shall be indicated to the Developer in writing. Such approval shall be granted or denied by the City within thirty (30) days of receipt by the City of all materials required by this Section 6.4.

No Transfer permitted pursuant to Section 6.4 shall be effective unless, at the time of the Transfer, the person or entity to which such Transfer is made, by an instrument in writing approved as to form by the City Attorney and in form recordable among the Official Records, shall expressly assume the obligations of the Developer under the City Documents and agree to be subject to the conditions and restrictions to which the Developer is subject arising under the

City Documents, to the fullest extent that such obligations are applicable to the particular portion of or interest in the Property and Improvements conveyed in such Transfer.

In the absence of specific written agreement by the City, no such Transfer, assignment or approval by the City shall be deemed to relieve the Developer or any other party from any obligations under this Agreement.

ARTICLE 7.
DEFAULT AND REMEDIES

Section 7.1 General Applicability.

The provisions of this Article 7 shall govern the Parties' remedies for breach or Default under this Agreement.

Section 7.2 No Fault of Parties.

The following events constitute a basis for a Party to terminate this Agreement without the fault of the others:

(a) Prior to the Close of Escrow, the City, despite good faith and diligent efforts, is unable to convey the leasehold interest in the Property to the Developer and the Developer is otherwise entitled to such conveyance.

(b) Prior to the Close of Escrow, the City, despite good faith and diligent efforts, is unable to commit any portion of the City Funds to the Development and the Developer is otherwise entitled to such funds and Developer does not waive the right to receive such funds in writing.

(c) Any of the conditions precedent to the conveyance of the leasehold interest in the Property proves to be impossible to meet despite the Developer's good faith and diligent efforts and the City is otherwise ready and able to convey the leasehold interest in the Property to the Developer.

Upon the happening of the above-described event and at the election of either Party, this Agreement may be terminated by written notice to the other Party. After such termination of this Agreement, no Party shall have any rights against or liability to the others under this Agreement, except that the indemnification provisions of this Agreement shall survive such termination and remain in full force and effect.

Section 7.3 Events of Default.

(a) Except as to the events constituting a basis for termination under Section 7.2, a Party's violation of any material term of this Agreement or failure by any Party to perform any material obligation of this Agreement shall constitute a default ("Default").

(b) The following shall additionally constitute a Developer Event of Default:

(1) The Developer constructs or attempts to construct the Development in violation of Article 4 or the Ground Lease, or otherwise fails to comply with any obligation or requirement set forth in Article 4; or

(2) The Developer fails to complete construction of the Development by the date set forth in the Development Schedule (as may be extended pursuant to the limited circumstances more particularly set forth in Section 8.3), or abandons or suspends construction of the Improvements prior to completion of all construction for a period of thirty (30) days after written notice by the City of such abandonment or suspension; or

(3) A Transfer occurs, either voluntarily or involuntarily, in violation of Article 6; or

(4) The Developer shall have used the Construction Component of the City Funds for any unauthorized purpose; or

(5) Any representation or warranty contained in this Agreement or in any application, financial statement, certificate or report submitted to the City in connection with this Agreement proves to have been incorrect in any material and adverse respect when made; or

(6) A court having jurisdiction shall have made or entered any decree or order (i) adjudging the Developer, to be bankrupt or insolvent, (ii) approving as properly filed a petition seeking reorganization of the Developer, or seeking any arrangement for the Developer, under the bankruptcy law or any other applicable debtor's relief law or statute of the United States or any state or other jurisdiction, (iii) appointing a receiver, trustee, liquidator, or assignee of the Developer, in bankruptcy or insolvency or for any of their properties, or (iv) directing the winding up or liquidation of the Developer, if any such decree or order described in clauses (i) to (iv), inclusive, shall have continued unstayed or undischarged for a period of ninety (90) days; or the Developer, shall have admitted in writing its inability to pay its debts as they fall due or shall have voluntarily submitted to or filed a petition seeking any decree or order of the nature described in clauses (i) to (iv), inclusive; or

(7) The Developer shall have assigned its assets for the benefit of its creditors or suffered a sequestration or attachment of or execution on any substantial part of its property, unless the property so assigned, sequestered, attached or executed upon shall have been returned or released within ninety (90) days after such event or prior to sooner sale pursuant to such sequestration, attachment, or execution. In the event that the Developer, is diligently working to obtain a return or release of the property and the City's interests under the City Documents are not immediately threatened, in the City's reasonable business judgment, the City may elect not to declare a Default under this subsection; or

(8) The Developer, shall have voluntarily suspended its business or, the Developer shall have been dissolved or terminated; or

(9) There shall occur any default declared by the City under the Ground Lease, or a default is declared by the City under any other City Document.

(c) Upon the happening of any of the above-described events, the non-defaulting Party shall first notify the other Party in writing of the purported breach, failure, or act above described, giving the defaulting Party sixty (60) days from receipt of such notice to cure or, if such cure cannot be accomplished within sixty (60) days, to commence to cure such breach, failure, or act. In the event the defaulting Party fails to cure within said sixty (60) days, or, if the breach or failure is of such a nature that it cannot be cured within sixty (60) days, the defaulting Party fails to commence to cure within such sixty (60) days and thereafter diligently complete such cure within a reasonable time thereafter but in no event later than one hundred twenty (120) days, then the subject Default shall be deemed, as applicable, an "Uncured Developer Default" or an "Uncured City Default" and the non-defaulting Party shall be afforded the applicable remedies described in Section 7.4 and 7.5 below.

(d) Notwithstanding the notice and cure periods set forth above, if a lesser cure period or notice requirement is allowed before a default occurs under any other City Document (including, but not limited to the Ground Lease), such periods shall control in this Agreement as well.

Section 7.4 City's Remedies for an Uncured Developer Default.

(a) Uncured Developer Default, Prior to the Close of Escrow. City and Developer agree that, in the event of an Uncured Developer Default occurring prior to the Close of Escrow, the only remedies available to the City shall be those listed in this Section 7.4 (a), as follows:

(i) Termination of this Agreement. The City may terminate this Agreement by written notice to Developer, provided, however, that the indemnification provisions of this Agreement shall survive such termination.

(ii) Construction Plans and Assignment of Documents. The Developer, at no cost to the City, shall deliver to the City copies of any and all Construction Plans and studies in the Developer's possession or to which Developer is entitled related to development of the Improvements on the Property, as provided in the Assignment of Documents.

(b) Uncured Developer Default, After the Close of Escrow. City and Developer agree that, in the event of an Uncured Developer Default occurring after the Close of Escrow, the City shall be entitled to elect between the following remedies as its sole remedy for such Uncured Developer Default:

(i) Action for Specific Performance. The City may prosecute an action for specific performance; or

(ii) Termination of Agreement and Ground Lease and Other Remedies. The City may terminate this Agreement and the Ground Lease by written notice to Developer, provided, however, that the indemnification provisions of this Agreement and the Ground Lease shall survive such termination, and in conjunction with such termination, (A) the City may prosecute an action for damages, provided however, any action for damages shall be limited to

actual damages and in no event shall the City be entitled to consequential damages- provided however, any action for damages shall be limited to actual damages and in no event shall the City be entitled to consequential damages and (B) the Developer, at no cost to the City, shall deliver to the City copies of any and all Construction Plans and studies in the Developer's possession or to which Developer is entitled related to development of the Improvements on the Property, as provided in the Assignment of Documents.

Nothing in this Section 7.4 shall limit the City's rights under Section 8.24, below, or the City's rights under the Ground Lease.

Section 7.5 Developer Remedies for an Uncured City Default.

City and Developer agree that, in the event of an Uncured City Default, the Developer shall be entitled to elect between the following remedies as its sole remedy for such Uncured City Default:

(a) Action for Specific Performance. The Developer may prosecute an action for specific performance; or

(b) Termination and Other Remedies. The Developer may terminate this Agreement and, if applicable, the Ground Lease, provided, however, that the indemnification provisions of this Agreement and, if applicable, the Ground Lease shall survive such termination, and in conjunction with such termination, prosecute an action for damages, provided however, any action for damages shall be limited to actual damages and in no event shall Developer be entitled to consequential damages.

Nothing in this Section 7.5 shall limit the Developer's rights under Section 8.24, below, or the Developer's rights under the Ground Lease.

Section 7.6 Waiver of Lis Pendens.

It is expressly understood and agreed by the Parties that no lis pendens shall be filed against any portion of the Property with respect to this Agreement or any dispute or act arising from it.

Section 7.7 Remedies Cumulative.

Subject to the provisions of Section 7.4 and 7.5, no right, power, or remedy given by the terms of this Agreement or the City Documents is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right, power, or remedy given by the terms of any such instrument, or by any statute or otherwise. Neither the failure nor any delay to exercise any such rights and remedies shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or remedy preclude any other or further exercise of such right or remedy, or any other right or remedy.

Section 7.8 Waiver of Terms and Conditions.

No waiver of any Default or breach by the Developer hereunder shall be implied from any omission by the City to take action on account of such Default if such Default persists or is repeated, and no express waiver shall affect any Default other than the Default specified in the waiver, and such waiver shall be operative only for the time and to the extent therein stated. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term, or condition. The consent or approval by the City to, or of, any act by the Developer requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act. The exercise of any right, power, or remedy shall in no event constitute a cure or a waiver of any Default under this Agreement or the applicable City Documents, nor shall it invalidate any act done pursuant to notice of Default, or prejudice the City in the exercise of any right, power, or remedy hereunder or under the applicable City Documents, unless in the exercise of any such right, power, or remedy all obligations of the Developer to the City under the applicable City Documents are paid and discharged in full.

Section 8.3 Forced Delay.

An extension of time for cause will be deemed granted if notice by the Party claiming such extension is sent to the other Party within ten (10) days from the date the Party seeking the extension first discovered the cause and such extension of time is not rejected in writing by the other Party within ten (10) days after receipt of the notice. In no event shall the cumulative delays exceed one hundred twenty (120) days, unless otherwise agreed to by the Parties in writing. Inspection of Books and Records.

Upon request, the Developer shall permit the City to inspect at reasonable times and on a confidential basis those books, records and all other documents of the Developer necessary to determine Developer's compliance with the terms of this Agreement.

Section 8.5 Provision Not Merged with Ground Lease.

None of the provisions of this Agreement are intended to or shall be merged by the Ground Lease transferring title to any interest in the real property which is the subject of this Agreement from City to Developer or any successor in interest, and any such Ground Lease shall not be deemed to affect or impair the provisions and covenants of this Agreement.

Section 8.6 Title of Parts and Sections.

Any titles of the articles, sections or subsections of this Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any part of its provision.

Section 8.7 General Indemnification.

The Developer agrees to indemnify, protect, hold harmless and defend (with counsel reasonably selected by the City) the City, and its council members, employees, agents, and volunteers from any and all (i) third-party Claims arising out of, pertaining to, or relating to, directly or indirectly, in whole or in part, the Developer's performance or non-performance under any of the City Documents, or any other agreement executed pursuant to the City Documents, or (ii) any Claims arising out of acts or omissions of any of Developer's contractors, subcontractors, or persons claiming under any of the aforesaid, in each case except as directly caused by the City's willful misconduct or gross negligence. The provisions of this section shall survive expiration of the Term or other termination of this Agreement, and shall remain in full force and effect and are not limited by the amount of insurance as may be required. As used herein, the term "Claims" means any and all suits, actions, claims, losses, liabilities, damages, injuries, causes of action, costs, and expenses of any kind, whether actual or alleged, including without limitation, court costs, reasonable attorneys' fees, and other litigation expenses, demands, judgments and liens

The provisions of this section shall survive expiration of the Term or other termination of this Agreement, and shall remain in full force and effect.

Section 8.10 Severability.

Section 8.11 Legal Actions.

Any legal action commenced to interpret or to enforce the terms of this Agreement shall be filed in the Superior Court of the County.

Section 8.12 Binding Upon Successors.

This Agreement shall be binding upon and inure to the benefit of the heirs, administrators, executors, successors in interest and assigns of each of the Parties hereto except that there shall be no Transfer of any interest by any of the Parties hereto except pursuant to the terms of this Agreement. Any reference in this Agreement to a specifically named Party shall be deemed to apply to any successor, heir, administrator, executor or assign of such Party who has acquired an interest in compliance with the terms of this Agreement, or under law.

The covenants and restrictions set forth in this Agreement shall run with the land, and shall bind all successors in title to the Property. Each and every contract, deed, or other instrument hereafter executed covering or conveying any interest in the Property shall be held conclusively to have been executed, delivered, and accepted subject to such covenants and restrictions, regardless of whether such covenants or restrictions are set forth in such contract, deed, or other instrument, unless the City expressly releases the leasehold interest in the Property from the requirements of this Agreement.

Section 8.13 Parties Not Co-Venturers.

Nothing in this Agreement is intended to or does establish the Parties as partners, co-venturers, or principal and agent with one another.

This Agreement and the City Documents are made and entered into solely for the benefit of the City and the Developer and no other person shall have any right of action under or by reason of this Agreement or the City Documents.

Section 8.15 Discretion Retained by City.

Neither the execution of this Agreement by the City, nor any approval by the City Manager pursuant to this Agreement, constitutes approval by the City acting in its capacity as a municipal government, and in no way limits the discretion of the City (acting in its regulatory capacity) in the permit and approval process in connection with development of the Improvements, or any proposed subsequent development of the Property. The Developer acknowledges that nothing in this Agreement (including any approval by the City Manager in

accordance with this Agreement) shall limit, waive, or otherwise impair the authority and discretion of: (i) the City's Community Development Department, acting in its regulatory capacity in connection with the review and approval of the proposed construction plans for the Development (or any change to such plans), or any use, or proposed use, of the Property, (ii) the City's issuance of a Building Permit, or (iii) any other office or department of the City acting in its capacity as a governmental regulatory authority with jurisdiction over the development, use, or operation of the Property and Improvements during the Term.

Except as may be otherwise specifically provided in this Agreement or another applicable City Document, whenever any approval, notice, direction, finding, consent, request, or other action by the City is required or permitted under this Agreement or another applicable City Document that is in substantial compliance with the terms of this Agreement, including, but not limited to, any approval of a proposed Transfer pursuant to Article 6, such action may be given, made, or taken by the City Manager, or by any person who shall have been designated in writing to the Developer by the City Manager, without further approval by the City Council. Any such action shall be in writing.

Section 8.18 Operating Memoranda; Implementation Agreements.

(a) The Parties acknowledge that the provisions of this Agreement require a close degree of cooperation and that new information and future events may demonstrate that changes are appropriate with respect to the details of performance of the Parties under this Agreement. The Parties desire, therefore, to retain a certain degree of flexibility with respect to the details of performance for those items covered in general terms under this Agreement. If and when, from time to time during the Term of this Agreement, the Parties find that refinements or adjustments are necessary, such refinements or adjustments shall be made through Operating Memoranda or Implementation Agreements approved by the Parties which, after execution, shall be attached to this Agreement as addenda and become a part hereof.

(b) Operating Memoranda or Implementation Agreements may be executed on the City's behalf by the City Manager. In the event a particular subject requires notice or hearing or any significant modification is proposed to the terms of this Agreement, the matter shall be processed as an amendment to this Agreement and must be approved by the City Council.

Section 8.19 Representation and Warranties of Developer.

The Developer hereby represents and warrants to the City as follows:

(a) Organization. The Developer is a duly organized, validly existing California corporation, and is in good standing under the laws of the State of California and has the power and authority to own its property and carry on its business as now being conducted.

(b) Authority of Developer. The Developer has full power and authority to execute and deliver this Agreement and all other documents and instruments to be executed and delivered, pursuant to this Agreement, and to perform and observe the terms and provisions of all of the above.

(c) Authority of Persons Executing Documents. This Agreement and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement have been executed and delivered by persons who are duly authorized to execute and deliver the same for and on behalf of Developer, and all actions required under the Developer's organizational documents and applicable governing law for the authorization, execution, delivery and performance of this Agreement and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement, have been duly taken.

(d) Valid Binding Agreements. This Agreement and all other documents or instruments which have been executed and delivered pursuant to or in connection with this Agreement constitute or, if not yet executed or delivered, will when so executed and delivered constitute, legal, valid and binding obligations of the Developer enforceable against it in accordance with their respective terms.

(e) No Breach of Law or Agreement. Neither the execution nor delivery of this Agreement or of any other documents or instruments executed and delivered, or to be executed or delivered, pursuant to this Agreement, nor the performance of any provision, condition, covenant or other term hereof or thereof, will conflict with or result in a breach of any statute, rule or regulation, or any judgment, decree or order of any court, board, commission or agency whatsoever binding on the Developer, or any provision of the organizational documents of the Developer, or will conflict with or constitute a breach of or a default under any agreement to which the Developer is a party, or will result in the creation or imposition of any lien upon any assets or property of the Developer, other than liens established pursuant hereto.

(f) Compliance With Laws; Consents and Approvals. The construction of the Improvements will comply with all applicable laws, ordinances, rules and regulations of federal, state and local governments and agencies and with all applicable directions, rules and regulations of the fire marshal, health officer, building inspector and other officers of any such government or agency.

(g) Pending Proceedings. The Developer is not in default under any law or regulation or under any order of any court, board, commission or agency whatsoever, and there are no claims, actions, suits or proceedings pending or, to the knowledge of the Developer, threatened against or affecting the Developer, at law or in equity, before or by any court, board, commission or agency whatsoever which might, if determined adversely to the Developer, materially affect the Developer's ability to develop the Improvements.

(h) Financial Statements. The financial statements of the Developer, and other financial data and information furnished by, or on behalf of the Developer, to the City fairly present the information contained therein. As of the Effective Date, there has not been any adverse, material change in the financial condition of the Developer from that shown by such financial statements and other data and information.

(i) Sufficient Funds. Upon the acquisition of the leasehold interest in the Property the Developer will hold sufficient funds or binding commitments for sufficient funds to obtain the leasehold interest in the Property, and complete the construction of the Improvements in accordance with this Agreement.

Section 8.20 Conflict Among City Documents.

Unless otherwise provided in a particular City Document, in the event of a conflict between the terms of this Agreement and any other City Document, the terms of this Agreement shall control to the extent of such conflict until such time as the Ground Lease is effective, after which the Ground Lease shall control.

Section 8.21 Entry by the City.

Subject to the provisions of the Ground Lease, the Developer shall permit the City, through its officers, agents, or employees, at all reasonable times to enter into the Property (a) to inspect the work of construction to determine that the same is in conformity with the requirements of this Agreement, and (b), following completion of construction, to inspect the ongoing operation and management of the Property and Improvements to determine that the same is in conformance with the requirements of this Agreement. The Developer acknowledges that the City is under no obligation to supervise, inspect, or inform the Developer of the progress of construction, or operations and the Developer shall not rely upon the City therefor. Any inspection by the City during the construction is entirely for its purposes in determining whether the Developer is in compliance with this Agreement and is not for the purpose of determining or informing the Developer of the quality or suitability of construction. The Developer shall rely entirely upon its own supervision and inspection in determining the quality and suitability of the materials and work, and the performance of architects, subcontractors, and material suppliers.

Section 8.22 Entire Understanding of the Parties.

This Agreement, in conjunction with the City Documents, constitutes the entire understanding and agreement of the Parties with respect to the conveyance of the leasehold interest in the Property, and the development of the Improvements. The Parties further intend that this Agreement constitute the final and exclusive statement of its terms and that no extrinsic evidence whatsoever may be introduced in any judicial proceedings involving this Agreement. This Agreement shall not be construed as if it had been prepared by one of the Parties, but rather as if both Parties had prepared it. The Parties to this Agreement and their counsel have read and reviewed this Agreement and agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party (including but not limited to Civil Code Section 1654 as may be amended from time to time) shall not apply to the interpretation of this Agreement.

Section 8.23 Counterparts; Multiple Originals.

This Agreement may be executed in counterparts, each of which shall be deemed to be an original.

Section 8.24 Attorney's Fees.

If either party hereto fails to perform any of its obligations under this Agreement or if any dispute arises between the parties hereto concerning the meaning or interpretation of any provision of this Agreement, then the prevailing party in -any lawsuit shall be entitled to a reimbursement of any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys' fees. Any such attorneys' fees and other expenses incurred by either party in enforcing a judgment in its favor under this Agreement shall be recoverable separately from and in addition to any other amount included in such judgment, and such attorneys' fees obligation is intended to be severable from the other provisions of this Agreement and to survive and not be merged into any such judgment."

SCOPE OF DEVELOPMENT

Project Site and Surroundings.

The project site consists of a single, approximately 0.79-acre parcel that is currently developed with a 30,000 square-foot one-story, unreinforced masonry brick building. The building is currently vacant and is roughly divided into a large factory floor that takes up about two-thirds of the square footage, and a series of offices, hallways, and bathroom facilities in the northern one-third of the building. The site is adjacent to Old Town Hall and a public parking lot that is utilized by residents of the Besler Building (a live-work building located across Haven Street at 4053 Harlan Street), City employees and visitors. The surrounding development consists of a mix of residential, commercial, retail and office buildings including Rudy's Can't Fail Café, Granite Expo, Michael's, Besler Building and Bridgecourt Apartments.

Proposed Use(s) and Site Improvements.

Uses:

The Emeryville Arts Center will be a center for visual arts. A large visual arts gallery and flexible use theater space will anchor the project. The project will consist of approximately 30,000 square feet of space including a theater, flexible gallery and performance space, leasable studio space, a café, office space, multipurpose and co-working space. The project includes provisions for a future watchperson's unit and storage space. The Emeryville Arts Center is proposed to be a first-class regional arts exhibition space. Use of the Building shall comply with Planning Entitlements for the project and the Lease Agreement as generally depicted in the Use Distribution Floor Plan (see below).

Site Improvements:

The building will feature new windows, doors, and exterior finishes detailed further below, and building systems will be modernized and/or replaced, including roof, electrical, mechanical, plumbing, and fire safety. All site improvements will substantively comply with the level of quality of design and materials approved with the Planning Entitlements for the project.

A new glass wall along the Hollis St. façade will serve as the building's main entrance. A new restaurant/café will open at the northwest corner of the building, which will also feature windows along Hollis St. The remainder of the Hollis St. façade will retain its historic brick façade and openings. The openings will provide natural light to the art studios facing Hollis St. as well as roll-up doors that tenants may use for small deliveries.

Along 40th Street, Developer plans to replace the existing corrugated metal addition with a new jewel box that will provide display space supportive of the art gallery and venue.

The unreinforced masonry at the north and a portion of the east elevations of the building will be replaced with panels of vertically aligned corrugated metal façade panels, which will lighten the building's weight and improve its seismic performance. The existing sculptured fountain on the north façade will be left as is and the façade will feature a green wall.

If sufficient funding is available, a new watchmen's unit is proposed for the second level as an additional scope. It will be accessed through an internal stairway and lift. Where entitled by the related Planning Permits and allowed by Building Code, attic storage space would also be created. Street trees along Hollis Street and 40th Street would be removed and replacement street trees and other landscaping will be installed as required per the Planning Entitlements for the project.

Interior improvements will include completion of the flexible gallery/multipurpose space to a finished tenant-ready condition including but not limited to seating, lighting and audio/video systems typical for a performance arts facility. The studios and office/coworking spaces will also be finished to a tenant-ready level of completion, and the café space will be finished to a "cold shell" level of completion, with tenant improvements pending identification of occupant subtenants.

See below for floor plans.

Use Distribution Floor Plan.

This illustration is intended to show macro-level square footage allotments by use including arts-dedicated uses and commercial uses. Specific floor plans may change where permitted by the Planning Entitlements and where they are in substantive compliance with arts-dedicated use percentage requirements.

Books, records and accounts relating to the Tenant's compliance with the terms, provisions, covenants and conditions of this Lease shall be kept and maintained in accordance with generally accepted accounting principles consistently applied, and shall be consistent with requirements of this Lease. All such books, records, and accounts shall be open to and available for inspection by the City, its auditors or other City authorized representatives at reasonable intervals during normal business hours. Copies of all tax returns and other reports that the Tenant may be required to furnish any governmental agency shall at all reasonable times be open for inspection by the City at the place that the books, records and accounts of the Tenant are kept upon prior reasonable notice to the Tenant. The Tenant shall preserve records on which any statement of the Rent is based for a period of not less than five (5) years after such statement is rendered, and for any period during which there is an audit undertaken pursuant to subsection (3) below then pending.

(d) Audits. The receipt by the City of any statement pursuant to subsection (b) above or any payment by the Tenant or acceptance by the City of any Rent for any period shall not bind the City as to the correctness of such statement or such payment. Within three (3) years after the receipt of any such statement, the City or any designated agent or employee of the City, at any time, shall be entitled to audit the books, records, and accounts pertaining to the Rent payment and the operation of the Arts Center including the books, records and accounts of the Gallery Operator. Such audit shall be conducted during normal business hours at the principal place of business of the Tenant and other places where records are kept. Immediately after the completion of an audit, the City shall deliver a copy of the results of such audit to the Tenant. If it shall be determined as a result of such audit that there has been a deficiency in the payment of Rent to the City, then such deficiency shall become immediately due and payable with interest at the Default Interest Rate, determined as of and accruing from the date that said payment should have been made. In addition, if the Tenant's auditor's statement for any fiscal year shall be found to have understated the Rent amount by more than five percent (5%), and the City is entitled to any additional Rent as a result of said understatement, then the Tenant shall pay, in addition to the interest charges referenced hereinabove, all of the City's reasonable costs and expenses connected with any audit or review of the Tenant's accounts and records. To the extent necessary, this Section shall survive termination of this Lease.

(e) Location. The Tenant shall pay the Rent to the City, without deduction or offset whatsoever, in lawful money of the United States of America, to the City at the address for the City set forth in Section 13.1, or to such other person or at such other place as the City may

from time to time designate by notice in writing to Tenant, during the Term in accordance with the terms of this Lease.

(f) City Rights Under the LDDA. Nothing in this Section shall be deemed to waive, limit, or modify any right of the City under the LDDA, or any other City Document, in connection with the City's review and audit of the Tenant's payment of Rent.

Section 3.2 Advances for Lease Obligations.

In addition to and not by way of limitation of City's rights under specific provisions of this Lease, the City shall at all times have the right (at its sole election and without any obligation so to do) to advance on behalf of the Tenant any amount payable under this Lease by the Tenant, or to otherwise satisfy any of the Tenant's obligations under this Lease, provided that (except in case of emergency calling for immediate payment) the City shall first have given the Tenant no less than fifteen (15) days advance written notice of the City's intention to advance such amounts on behalf of the Tenant. No advance by the City shall operate as a waiver of any of the City's rights under this Lease and the Tenant shall remain fully responsible for the performance of its obligations under this Lease. All amounts advanced by the City shall be separate from and additional to the Rent, and shall be immediately due and payable by the Tenant to the City and shall bear interest from the date of advance at the Default Interest Rate. All amounts advanced by the City pursuant to this Section 3.2 or similar provisions of this Lease are hereinafter referred to as "Advances".

Section 3.3 Net-Net-Net Lease.

This Lease is a net-net-net lease, and Rent and other payments payable to or on behalf of the City shall: (a) be paid without notice or demand and without offset, counterclaim, abatement, suspension, deferment, deduction or defense; and (b) be an absolute net return to the City, free and clear of any expenses, charges or offsets whatsoever.

Section 3.4 No Termination.

Except as otherwise expressly provided in this Lease, this Lease shall not terminate nor shall the Tenant be entitled to the abatement of any Rent or other payment due or any reduction or allocation thereof, nor shall the obligations of the Tenant under this Lease be otherwise affected by reasons of any damage to or destruction of all or any part of the Improvements from whatever cause, or a taking of the Property or Improvements or any portion thereof by condemnation, requisition or otherwise for any reason whatsoever, or the prohibition, limitation or restriction of the Tenant's use of all or any part of the Property or Improvements, or the interference with such use by any person, or by reason of the termination or foreclosure of any mortgage, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the Parties that the obligations of the Tenant shall be separate and independent covenants and agreements, that the Rent and all other payments payable by the Tenant under this Lease shall continue to be payable in all events, and that the obligations of the Tenant under this Lease shall continue unaffected, unless the requirement to pay or perform the same shall have been terminated pursuant to an

express provision of this Lease; provided, however, that during the continuance of any such damage, destruction, taking, prohibition, limitation, interference, eviction or foreclosure, the Tenant shall not be obligated to perform any obligations which are no longer capable of being performed as a result of such event.

ARTICLE 4.
CONSTRUCTION OF IMPROVEMENTS

Section 4.1 Construction of Improvements.

(a) Specific Standards. Within the time and in the manner set forth in this Lease, the Tenant shall construct, or cause to be constructed on the Property, the Improvements, as required by the LDDA, and this Lease. The Improvements shall be constructed in full conformity with the LDDA, Land Use Approvals, the Scope of Development, the Final Construction Plans, attached as Exhibit B as may be amended pursuant to this Lease, the Building Permits and any construction staging license or other agreements related to the construction of the improvements.

If the Tenant desires to make any material change (as defined below) in the Final Construction Plans then in effect, the Tenant shall first submit, or cause to be submitted, to the City such plans or other information which document the desired change. If the Final Construction Plans, as modified by the desired change, conform to the requirements of this Lease, the LDDA, and the Land Use Approvals, the City shall reasonably approve or disapprove the change by notifying the Tenant in writing within thirty (30) days of the submission of the request for the material change. If the proposed change is disapproved by the City, the disapproval shall state with reasonable specificity the basis for disapproval. Until and unless such change is approved by the City, the previously approved Final Construction Plans shall remain in effect. If the City fails to provide written notice disapproving any proposed material change in a timely manner, the City shall be deemed to have approved the proposed material change. The City's approval or disapproval of a proposed material change pursuant to this section shall be solely in its capacity as the lessor of Property and not in its regulatory capacity. Tenant shall be responsible for obtaining any and all regulatory approvals for such material change in addition to the approval set forth herein.

For purposes of this paragraph, a "material change" is one involving a change in exterior design, building materials or colors, a change in interior design that would materially affect the uses to which the Improvements may be put, or a change that will reduce the square footage of the Improvements devoted to Arts Uses.

(b) Commencement and Completion. The Tenant shall commence and complete the construction of the Improvements as and when required by the LDDA. Once the Tenant commences construction of the Improvements, the Tenant shall not halt, or permit the cessation of construction for such work for a period of more than thirty (30) days, subject to excused delays.

(c) Certificate of Completion. Promptly after completion of the Improvements, in accordance with those provisions of this Lease and the LDDA relating solely to the obligations of the Tenant to construct, or cause the construction of, the Improvements (including the dates for beginning and completing construction of the Improvements), the City shall provide an instrument so certifying, (collectively, the "Certificate of Completion"). The Certificate of Completion shall constitute a conclusive determination that the covenants in this Lease solely with respect to the obligations of the Tenant to construct the Improvements (including the dates for the beginning and completing construction of the Improvements) have been met. The Certificate of Completion shall not constitute evidence of compliance with, or satisfaction of, any obligation of the Tenant to any holder of a deed of trust securing money loaned to finance the Improvements or any part thereof, shall not be deemed a notice of completion under the California Civil Code, and shall not constitute evidence of compliance with, or otherwise waive, modify, or limit any of the requirements regarding the payment of prevailing wages as set forth in this Lease.

Section 4.2 Additional Construction on Property.

(a) General Standards. Any alteration, construction, remodeling, reconstruction or repair work undertaken on or within any existing building on any portion of the Property (other than the initial construction of the Improvements pursuant to Section 4.1) shall at all times be of first-class construction and architectural design. All such additional alteration, construction, remodeling, reconstruction or repair work shall be diligently prosecuted, and completed (1) only after the Tenant has obtained the City's prior written approval for such additional construction, (2) without cost to the City, (3) in good and workmanlike manner, and (4) in accordance with any plans and specifications approved by the City pursuant to subsection (b) below. The Tenant shall secure the City's approval under this Section 4.2 and all necessary Land Use Approvals and Building Permits prior to commencing any such additional construction.

(b) Approval of Plans. Prior to commencing construction of any Major Additional Improvements (as defined below), the Tenant shall submit to the City for the City's approval plans and specifications for such work which, to the extent relevant, shall contain the same information as set forth in the Final Construction Plans. The plans for Major Additional Improvements submitted by Tenant for City approval shall (1) consist of all construction documentation upon which the Tenant and its contractors shall rely in building the Major Additional Improvements, and (2) include (without limitation and as applicable) final architectural drawings, landscaping plans and specifications, final elevations, building plans and specifications, mechanical, plumbing and HVAC (also known as "working drawings"). The City reasonably shall approve or disapprove (in the City's reasonable discretion) such plans and specifications in writing within sixty (60) days of submission. Any disapproval shall state with specificity the reasons for such disapproval.

If rejected by the City in whole or in part, the Tenant shall submit new or corrected construction plans within thirty (30) days of notification of the City's disapproval. The City shall then have thirty (30) days to review and approve the Tenant's new or corrected construction plans. The City's failure to either approve or disapprove the construction plans within such thirty (30) day

period shall be deemed approval. The provisions of this Section 4.2 relating to time periods for approval, rejection, or resubmission of new or corrected construction plans shall continue to apply until construction plans have been approved by the City (or deemed approved) at which time they shall be attached to and become a part of this Lease as if fully set forth herein. Only upon approval of the construction plans shall this condition be met.

The City's approval or disapproval of the plans and specifications pursuant to this Lease shall be solely in its capacity as the lessor of Property and not in its regulatory capacity. Tenant shall be responsible for obtaining any and all regulatory approvals for such improvements in addition to the approvals set forth herein.

In the event that prior to or during the course of construction, the Tenant desires to make any material change in the Major Additional Improvements from that contemplated in the approved plans and specifications, the Tenant shall, prior to making such change, submit to the City such plans or other information which document the desired change. The City shall reasonably approve or disapprove such change within thirty (30) days of its submission to the City. Any disapproval shall state with reasonable specificity the basis for such disapproval. Unless such change is approved, the previously approved plans and specifications shall remain in effect. If the City fails to provide written notice disapproving any proposed material change in a timely manner, the City shall be deemed to have approved the proposed material change.

(c) "Major Additional Improvements" means any of the following: (1) any new buildings, structures or outdoor facilities to be located on the Property, (2) any substantial alterations, remodeling or rehabilitation of existing buildings, structures, or remodeling or rehabilitation of existing buildings, structures, or outdoor facilities, (3) construction of additional spaces or facilities, (4) any other alteration, construction, remodeling or reconstruction with a cost in excess of Twenty-Five Thousand Dollars ($25,000), or (5) a change that will reduce the square footage of the space devoted to Art Uses or increase the Commercial Component. Alteration, construction, remodeling, or reconstruction not constituting a Major Additional Improvement shall not require the City's consent or approval of plans and specifications pursuant to this Lease , but must be designed and performed in accordance with the General Standards set forth in subsection (a) above and will be subject to any applicable regulatory approvals and permits.

Section 4.3 Construction Standards.

(a) General Standards. All construction of the Improvements, Major Additional Improvements and any other alteration or repair work permitted by this Lease shall be accomplished expeditiously and diligently by reputable licensed contractor(s), approved by the City in accordance with the provisions of Section 4.3(j), below.

The Tenant shall take all reasonably necessary measures to minimize any damage, disruption or inconvenience caused by such work and make adequate provision for the safety and convenience of all persons affected thereby. The Tenant shall repair, at the Tenant's own cost and expense any and all damage caused by such work and shall restore the area upon which such work is performed to a condition which is equal to or better than the condition which existed prior to the

beginning of such work. In addition, the Tenant shall pay all costs of and expenses associated herewith, and shall indemnify, defend, and hold harmless the City and the City's councilmembers, agents, employees and volunteers from any and all suits, actions, claims, losses, liabilities, damages, injuries, causes of action, costs and expenses of any kind, whether actual or alleged, including without limitation, court costs, reasonable attorneys' fees and other litigation expenses, demands, judgments and liens arising out of, pertaining to or relating to, directly or indirectly, in whole or in part, the performance of such work, except directly caused by the City's willful misconduct or gross negligence.

(b) Compliance with Construction Documents and Laws; Issuance of Permits. All Improvements and any Major Additional Improvements shall be constructed in compliance with the requirements of the construction documents approved by the City, in accordance with this Lease (if applicable), the LDDA, and also in strict compliance with all applicable local, state and federal laws and regulations. The Tenant shall have the sole responsibility for obtaining all necessary permits and shall make any application for such permit directly to the Governmental Authority having jurisdiction. In addition to any other applicable local, state and federal laws and regulations, all contractors and subcontractors shall comply with the City's Living Wage Ordinance (Chapter 31 of Title 5 of the Emeryville Municipal Code) or the Minimum Wage, Paid Sick Leave and other Employment Standards (Chapter 37 of Title 5 of the Emeryville Municipal Code), as applicable.

(c) Construction Safeguards. The Tenant shall erect and properly maintain at all times, as required by the conditions and the progress of work performed by the Tenant, all reasonable safeguards for the protection of workers and the public.

(d) Rights of Access. Representatives of the City shall have the reasonable right of access to the Property and the Improvements thereon without charges or fees, at normal construction hours during the period of construction, for the purposes of ascertaining compliance with the terms of this Lease, including, but not limited to, the inspection of the construction work being performed, provided that such representatives shall be those who are so identified in writing by the City Manager, shall be accompanied by the Tenant's representatives if the Tenant so desires, shall comply with the Tenant's contractor's reasonable rules for the construction site, and shall provide the Tenant with forty-eight (48) hours' notice prior to any such inspection.

(e) Notice of Completion. Upon completion of any Major Improvements, the Tenant shall file or cause to be filed in the Official Records of the County of Alameda a notice of completion with respect to the applicable construction, and the Tenant shall deliver to the City, at no cost to the City, two (2) sets of the final as-built plans and specifications of the Improvements, or Major Additional Improvements.

(f) Discharge of Liens. The Tenant shall not create or permit or suffer to be created or to remain, and will discharge, any lien (including, but not limited to, the liens of mechanics, laborers, material men, suppliers or vendors for work or materials alleged to be done or furnished in connection with the Property and the Improvements thereon), encumbrances or other charge upon the Property and the Improvements thereon, or any part thereof, or upon the Tenant's leasehold interest therein.

The Tenant shall have the right to contest in good faith and by appropriate legal proceedings the validity or amount of any mechanics', laborers', materialmen's, suppliers' or vendors' lien or claimed lien; provided that the Tenant shall utilize all reasonable means (including the posting of adequate security for payment) to protect the Property, and any part thereof, or the Improvements thereon against foreclosure, and shall indemnify and hold harmless the City from any adverse effects resulting from such lien.

(g) Protection of the City. Nothing in this Lease shall be construed as constituting the consent of the City, expressed or implied, to the performance of any labor or the furnishing of any materials or any specific improvements, alterations of or repairs to the Property or the Improvements thereon, or any part thereof, by any contractor, subcontractor, laborer or materialman, nor as giving the Tenant or any other person any right, power or authority to act as agent of or to contract for, or permit the rendering of, any services or the furnishing of any materials in such manner as would give rise to the filing of mechanics' liens or other claims against the fee interest of the Property or the Improvements thereon, if any. The City shall have the right at all reasonable times to post and keep posted on the Property any notices which the City may deem necessary for the protection of the City and of the Property and the Improvements thereon from mechanics' liens or other claims. In addition, but subject to the second paragraph of subsection (f) above, the Tenant shall make, or cause to be made, prompt payment of all monies due and legally owing to all persons doing any work or furnishing any materials or supplies to the Tenant, or any of its respective contractors or subcontractors in connection with the Property and the Improvements thereon.

(h) The Tenant to Furnish and Equip the Improvements. The Tenant covenants and agrees to furnish and equip the Improvements, or any Major Additional Improvements, with all fixtures, furnishings, equipment and other personal property (collectively, the "Personal Property") of a quantity as necessary to operate the Improvements in accordance with the standards set forth in this Lease and the LDDA. The Tenant further agrees to take good care of such Personal Property, to keep the same in good order and condition ordinary wear and tear excepted, and promptly, at the Tenant's own cost and expense, to make all necessary repairs, replacements and renewals thereof. As used in this Lease, the term "Personal Property" includes all such replacements and renewals, and all fixtures, furnishings, equipment and other personal property of the Tenant located in, on or about the Property and the Improvements thereon (and excluding the personal property of any of the Commercial Component Tenants or the Gallery Operator). Any and all fixtures, furnishings, equipment and other personal property placed in, on or about the Property excluding the personal property of any of the Commercial Component Tenants or the Gallery Operator shall be the Personal Property of the Tenant during the Term of this Lease. Nothing in this Section shall require Tenant to improve the cafe space beyond the "cold-shell" condition required under the LDDA.

(i) Performance and Payment Bonds. Prior to commencing construction of any Major Additional Improvements, the Tenant shall obtain and provide to the City evidence of one (1) labor and material, and, one (1) performance, bond issued by a reputable insurance company licensed to do business in California, and named in the current list of "Surety Companies Acceptable on Federal Bonds" as published in the Federal Register by the Audit Staff Bureau of Accounts, U.S. Treasury Department, and reasonably acceptable to the City, each in a

penal sum of not less than one hundred twenty five percent (125%) of the scheduled cost of construction on the Property. The City shall be named as a co-obligee under those bonds.

Within ten (10) days after receipt, the City shall review and approve or disapprove the bonds or other security, providing said bonds meet the requirements of the City as to form, content, and issuer, and shall notify the Tenant of any deficiency. If the bonds are not approved, the Tenant shall resubmit updated bonds within five (5) days after receipt of notice. The review and submittal periods shall continue to apply until the bonds or other security are approved by the City. Only upon final approval shall this condition be met. No work shall be initiated until approval of the bonds has been received. As of the Effective Date, the City has approved the Tenant's payment bond and performance bond for the Improvements.

(j) Contractor(s). Any Major Additional Improvements shall be performed by a general contractor (a "General Contractor") reasonably satisfactory to the City, having the reputation, experience, financial capability and qualification for serving as general contractor for similar developments in California. The Tenant shall submit for the City's approval the identity of any proposed General Contractor and such additional information about the background, experience, and financial condition of any proposed General Contractor as is reasonably necessary for the City to determine whether the proposed General Contractor meets the standard for a qualified General Contractor set forth above. If the proposed General Contractor meets such standard, the City shall reasonably approve or disapprove the proposed General Contractor by notifying the Tenant in writing within thirty (30) days of the submission. Any disapproval shall state with reasonable specificity the basis for disapproval. As of the Effective Date, the City has approved the Tenant's General Contractor for the Improvements.

(k) Construction Contracts. The Tenant shall enter into contracts for the construction of any Major Additional Improvements with reputable contractors as set forth above. Those contracts shall provide for the work to be performed for fixed and specified maximum amounts for allowances.

Within ten (10) days following the issuance of a Building Permit for construction of any Major Additional Improvements, the Tenant shall submit a copy of all construction contracts for such construction to the City, for the sole and limited purposes of determining: (a) that the amount of the costs of work has been clearly fixed and determined; (b) that no changes to the provisions of the contract which, pursuant to this Lease or the LDDA require the approval of City shall be made without the prior consent of the City; (c) that the covenants as to equal opportunity in construction, Prevailing Wages, Living Wage, Minimum Wage and Paid Sick Leave set forth in this Lease (collectively, the "City Labor Standards") have been met; (d) that the City is named as a specified third-party beneficiary with a direct right to enforce any indemnity or warranty and the requirements related to the City Labor Standards; (e) the construction contract is with a contractor duly licensed by the State of California and reasonably acceptable to the City; (f) the construction contract contains provisions consistent with this Lease; (g) the construction contract requires a retention of ten percent (10%) of hard costs until completion of any Major Additional Improvements (provided, however, the construction contract may provide for the release of retention, prior to completion of any Major Additional Improvements, to certain specified subcontractors that have completed all of their work on any

Major Additional Improvements as reasonably approved by the City, and, provided, further, that such early retention amount shall be based on the subcontractor's initial contract sum, and shall exclude any increase in the contract sum due to change orders, or otherwise); (h) the construction contract includes indemnifications from the contractor indemnifying the City for any and all claims resulting from the construction; and (i) the construction contract includes the applicable insurance requirements as set forth in this Lease. Unless the City notifies the Tenant in writing within ten (10) days following the submittal of the contract(s) that the contract has been disapproved, it shall be deemed approved. The City's approval shall merely constitute satisfaction of the conditions set forth in this Section 4.3. The City's approval of the construction contract shall in no way be deemed to constitute approval of, or concurrence with, any other term or condition of the construction contract. The Tenant shall not rely on the City's approval of the construction contract(s) as a representation regarding the enforceability or business advantage of the construction contract(s).

(l) Conditions to Commencement of Construction. In no event shall the Tenant commence any Major Additional Improvements on the Property until the following conditions have been satisfied or waived by the City, in addition to other conditions and requirements imposed by this Lease:

(1) The City has approved the final plans and specifications for the improvements to be constructed;

(2) The Tenant has obtained financing and equity capital necessary for the full payment of construction of the Major Additional Improvements and delivered evidence of such financing to the City;

(3) The Tenant has obtained building permits and all other governmental approvals necessary for the construction of the Major Additional Improvements to the extent required by applicable law;

(4) The Tenant has entered into complete and binding contracts with its contractor or contractors for the construction of the Major Additional Improvements, which contracts shall meet the requirements of subsection (k) above;

(5) The Tenant has obtained the performance bond and the payment bond meeting the requirements of subsection (i) above; and

(6) There exists no Tenant Event of Default nor any act, failure, omission or condition that would constitute a Tenant Event of Default under this Lease, the LDDA, or any other City Documents.

Section 4.4 Equal Opportunity.

During the construction of the Improvements or any Major Additional Improvements there shall be no discrimination on the basis of race, color, creed, religion, sex, sexual orientation, marital status, ancestry or national origin in the hiring, firing, promoting or demoting of any person engaged

in the construction work. The Tenant and its construction contractors, employees and agents shall comply with all applicable state laws, including all equal opportunity and fair employment laws and regulations applicable to the Property.

Section 4.5 Prevailing Wages.

(a) Tenant shall and shall cause its contractors and subcontractors to pay prevailing wages in the construction of the Improvements or any Major Additional Improvements as those wages are determined pursuant to Labor Code Sections 1720 et seq. and the implementing regulations of the Department of Industrial Relations (the "DIR"), to employ apprentices as required by Labor Code Sections 1777.5 et seq., and the implementing regulations of the DIR and comply with the other applicable provisions of Labor Code Sections 1720 et seq., 1777.5 et seq., 1810-1815 and implementing regulations of the DIR.

(b) All calls for bids, bidding materials and the construction contract documents for the Improvements or any Major Additional Improvements must specify that:

(i) No contractor or subcontractor may be listed on a bid proposal nor be awarded a contract for the Improvements or any Major Additional Improvements unless registered with the DIR pursuant to Labor Code Section 1725.5.

(ii) The Improvements or any Major Additional Improvements are subject to compliance monitoring and enforcement by the DIR.

(b) Tenant, as the "awarding body", shall register the Improvements or the Major Additional Improvements as required by Labor Code Section 1773.3 as set forth in the DIR's online form PWC-100 within two (2) days after entering into the construction contract and provide evidence of such registration to the City within two (2) days of such registration and any additional registration reporting to the DIR.

(c) In accordance with Labor Code Sections 1725.5 and 1771.1, Tenant shall require that its contractors and subcontractors be registered with the DIR, and maintain such registration as required by the DIR.

(d) Pursuant to Labor Code Section 1771.4, the Improvements and any Major Additional Improvements are subject to compliance monitoring and enforcement by the DIR. Tenant shall and shall require its contractors and subcontractors to submit payroll and other records electronically to the DIR pursuant to Labor Code Sections 1771.4 and 1776 et seq, or in such other format as required by the DIR.

(e) Tenant shall and shall cause its contractors and subcontractors to keep and retain such records as are necessary to determine if prevailing wages have been paid as required pursuant to Labor Code Sections 1720 et seq., and that apprentices have been employed as required by Labor Code Section 1777.5 et seq., and shall, from time to time upon the request of Landlord provide to Landlord such records and other documentation reasonably requested by Landlord.

(f) Tenant shall and shall cause its respective contractors and subcontractors to comply with all other applicable provisions of Labor Code, including without limitation, Labor Code Sections 1720 et seq., 1725.5, 1771, 1771.1, 1771.4, 1776, 1777.5 et seq., 1810-1815 and implementing regulations of the DIR in connection with construction of the Improvements or any Major Additional Improvements or any other work undertaken or in connection with the Property.

(g) Copies of the currently applicable current per diem prevailing wages are available from the DIR website, www.dir.ca.gov. Tenant shall cause its respective contractors to post the applicable prevailing rates of per diem wages at the Property site and to post job site notices, in compliance with Title 8 California Code of Regulations 16451(d) or as otherwise as required by the DIR.

(h) Tenant shall indemnify, hold harmless and defend (with counsel reasonably selected by the City), to the extent permitted by applicable law, the City, its councilmembers, commissioners, officials, employees, volunteers, and agents, against any claim for damages, compensation, fines, penalties or other amounts arising out of the failure or alleged failure of any person or entity (including Tenant, or its contractors or subcontractors) to pay prevailing wages as determined pursuant to Labor Code Sections 1720 et seq., to hire apprentices in accordance with Labor Code Sections 1777.5 et seq., or to comply with the other applicable provisions of Labor Code Sections 1720 et seq., 1725.5, 1771, 1771.1, 1771.4, 1776, 1777.5 et seq., 1810-1815 and the implementing regulations of the DIR in connection with the work performed pursuant to this Agreement. The provisions of this Section shall survive termination of this Agreement.

Section 4.6 No Liens.

The Tenant shall not have any right, authority or power to bind the City, or the City's fee interest in the Property, for any claim for labor or material or for any other charge or expense, lien or security interest incurred in connection with the development, construction or operation of the Improvements or any change, alteration or addition thereto including, but not limited to any Major Additional Improvements. The Tenant shall not have any right to encumber the Tenant's estate in the Property without the written consent of the City. Any easements necessary and incidental to the development, construction and operation of the Improvements over the Property are subject to the approval of the City, which shall not be unreasonably withheld, delayed, or conditioned.

Section 4.7 Permits, Licenses and Utility Easements.

At no cost to the City, the City shall cooperate with the Tenant in the submittal of applications for all required permits, licenses, applications for utility services and easements, provided that the Tenant shall be responsible for obtaining any and all permits, licenses, easements and other authorizations required by any Governmental Authorities with respect to any construction or other work to be performed on the Property and for granting or causing to be granted all permits, licenses, easements and other governmental authorizations that are necessary or helpful for electric, telephone, gas, water, sewer, drainage, access and such other public or private utilities or facilities as may be reasonably necessary or desirable in connection with the

construction or operation of the Improvements. The Tenant shall be entitled, without separate payment to the City for tap or connection fees, to tap into the existing lines, facilities and systems of applicable electric, gas, cable, water, sewer, sewer treatment and other utilities serving the Property (if any), provided the Tenant remains responsible for payment of such fees therefor.

ARTICLE 5.
USE, CHARACTER, OPERATION AND MAINTENANCE OF IMPROVEMENTS

Section 5.1 Required and Permitted Uses. Subject to Sections 5.1 and 5.2, the Premises may be used for any use permitted by law.

(a) Art Uses. For the term of this Lease, at least two-thirds (2/3rds) of the net rentable square footage of the Improvements will be reserved for Art Uses, uses pursuant to Section 5.1(b) or use pursuant to Section 5.1(c) (collectively, the "Designated Uses"). Space rented on a daily, hourly or special event basis, including the Arts Dedicated Space, space made available to the City for use pursuant to Section 5.1(b) or space made available pursuant to Section 5.1(c), classroom space, and co-working space shall be considered to be occupied by a Designated Use so long as the use of the space for at least half of the days that the space is occupied is for a Designated Use. A Designated Use is considered to have occupied the space for a day if at least half of the hours that the space was available was occupied by a Designated Use. Further, so long as Tenant is using commercially reasonable efforts to market any particular space within the Improvements for a Designated Use, such space shall be deemed to be occupied by a Designated Use.

In addition to the above requirement, all interior walls denoted on the Scope of Development as "Art Display" or "Display Wall" shall be reserved for art exhibit use (collectively the Art Display and Display Walls are referred to herein as the "Art Display Areas").

(b) City Use. The City shall have the right to use the Arts Dedicated Space for City Use (as defined below) for up to ten (10) calendar days per year (4 of which shall be weekend days) at no cost except as provided in this Section. City Use includes use by the City or an institution or group that is part of or sponsored by the City, as approved by the City Council. The City acknowledges that it (or its sponsored user) shall be responsible for the following costs: (a) requested catering, (b) all equipment rentals and (c) extraordinary set up or staffing requested in conjunction with the City Use (beyond basic lighting and audio and typical operating staff).

(c) Emeryville Celebration of the Arts. At least ten thousand (10,000) square feet of the Arts Dedicated Space shall be made available for the exclusive use of the Emeryville Celebration of the Arts for a period of seven (7) consecutive weeks each year annually, free of charge, in October or at such other time as mutually agreed upon by the Tenant and Emeryville Celebration of the Arts. The Gallery Operator shall be entitled to schedule events in the Arts Dedicated Space during the time period that the Arts Dedicated Space is reserved for Emeryville

Celebration of the Arts so long as such events do not conflict with the Emeryville Celebration of the Arts, as mutually agreed by Tenant and Emeryville Celebration of the Arts.

(d) Gallery Operator. The Tenant shall enter into the Gallery Lease with the Gallery Operator, subject to the City's review and approval of the Gallery Lease. Pursuant to the terms of the Gallery Lease, the Gallery Operator shall be responsible for operations of the Arts Dedicated Space, including programming of the Arts Dedicated Space as well as the Art Display Areas. The Gallery Lease shall require the Gallery Operator to pay an annual rent of not more than Six Dollars ($6.00) per square foot of rentable area, triple net, adjusted by the increase in the Consumer Price Index for the San Francisco-Oakland-Hayward Core Based Statistical Area annually, with such increases commencing after the first full year of the Gallery Lease term, provided however no rent shall be charged for the first three full years of the Gallery Lease term, and provided further, that rent for the Gallery Operator shall be abated in any year to the extent that the Gallery Operator has Operating Losses.

If the Gallery Operator has Operating Losses in any year after abatement of rent as provided in the Gallery Lease, such loss shall be covered as follows:

(i) First from any interest earned on the Operating Fund;

(ii) Second, from the City's share of Net Revenues paid as Rent, pursuant to Section 3.1;

(iii) Third, from the Tenant's share of Net Revenues pursuant to Section 3.1;

(iv) By the Tenant;

(e) Quality of Operations. The Parties recognize and acknowledge that the manner in which the Property and the Improvements are developed, used and operated are matters of critical concern to the City by reason of: (1) the prominence of the location of the Property, (2) the impact which the Improvements are expected to have upon the economic development of the surrounding area, and (3) the City's financial assistance to the Developer for the Improvements. In order to give the City assurance as to the manner in which the Improvements will be used and operated, the Tenant agrees that at all times during the Term of this Lease, the Tenant will operate the Improvements as a first-class mixed-use project developed in support of cultural and arts uses.

(f) Annual Report. The Tenant shall provide the City with an annual report regarding its compliance with this section, including the use of the Arts Dedicated Space, as well as a financial report on the Arts Center not later than 120 days after the end of the Tenant's fiscal

In order to maintain the quality of operation set forth in subsection (a) above following initial construction and opening of the Improvements, the Tenant shall periodically upgrade the furniture, fixtures, equipment and facilities within the Improvements as necessary to maintain the quality of operation of similar art facilities, in the San Francisco Bay Area. Upon request of the City, the Tenant shall confer with the City regarding actions necessary to meet the requirements of this subsection.

Section 5.2 Limitations on Use.

In addition to the covenants regarding the use of the Property set forth above, the Tenant further agrees:

(a) Not to use or permit the Property for any disorderly or unlawful purpose;

(b) Not to cause or permit any party from committing or maintaining any nuisance or unlawful conduct on or about the Property;

(c) Not to cause or permit any action by any party that would cause the Tenant to violate any of the covenants and conditions of this Lease with respect to the Improvements;

(d) Upon notice from the City, to take reasonable action, if necessary, to abate any action by any party that would cause a violation of this Lease;

(e) To permit the City and its agents upon not less than forty-eight (48) hours written notice to inspect the Property or any part thereof at any reasonable time during the Term, subject to the rights of the tenants of the Commercial Component;

(f) Not to commit or suffer to be committed any waste in, on or about the Property;

(g) Not to cause or permit obnoxious odors to emanate or be dispelled from the Improvements;

(h) Not to permit undue accumulations of garbage, trash, rubbish, or any other refuse; and

(i) Not to use or permit to be used the Property for any purpose inconsistent with this Lease or the LDDA.

The Tenant shall maintain all portions of the Property in good repair and in a neat, clean and orderly condition.

In the event that there arises at any time prior to the expiration of this Lease a condition in contravention of these maintenance and use standards, then the City shall give written notice to the Tenant of the deficiency. If the Tenant fails to cure the deficiency within thirty (30) days of the City's notice (or, if the deficiency is not susceptible of cure within such thirty (30) day period, the Tenant fails to commence the cure and thereafter to diligently pursue the cure to completion, in no event to exceed sixty (60) days from the date of the City's written notice), then the City shall have the right to enter the Property and perform all acts necessary to cure the deficiency or to take other recourse at law or in equity the City may then have and to receive from Tenant the City's cost in taking such action. The Parties further mutually agree that the rights conferred upon the City expressly include the right to enforce or establish a lien or other such encumbrance against the Property. The foregoing provisions shall be covenants running with the land until expiration of the Lease, enforceable by the City.

Section 5.3 Maintenance of Improvements.

During the Term of this Lease, the Tenant shall operate and maintain the Improvements in a first-class manner. All Improvements repaired or replaced under this Lease shall be repaired or replaced with materials, apparatus and facilities of a quality at least equal to the quality of the materials, apparatus and facilities repaired or replaced in accordance with Section 4.2.

Section 5.4 Cost of Operation and Maintenance of Improvements.

The City shall not be obligated to make any repairs, replacements or renewals of any kind, nature or description whatsoever to the Improvements, and the Tenant hereby expressly waives all right to make repairs at the City's expense under Section 1941 and 1942 of the California Civil Code, as either or both may from time to time be amended, replaced or restated.

Section 5.6 Reserves.

The Tenant shall maintain a capital improvement reserve fund and shall deposit into the capital reserve fund annually an amount equal to $1.20 per square foot of Improvements, escalated annually by the increase in the Consumer Price Index for the San Francisco-Oakland-Hayward Core Based Statistical Area. The capital improvement reserve fund shall only be used to fund replacement of capital improvements and equipment and major maintenance and shall not be used for routine maintenance or operating expenses. The Tenant shall give the City notice prior to any withdrawal from the capital improvement reserves. If capital improvements or major maintenance is required and such work is not due to the negligence or acts of omission by Tenant

and there are insufficient funds in the capital improvement reserve, the Tenant shall be responsible for payment of such costs and the amount of costs in excess of the capital improvement reserve, and such amount shall be added to Developer Equity.

Section 5.7 Non-discrimination.

There shall be no discrimination against or segregation of any person or group of persons on account of race, color, creed, religion, sex, sexual orientation, age, handicap, marital status, ancestry or national origin in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Improvements, or any part thereof, and the Tenant or any person claiming under or through the Tenant, shall not establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees of the Improvements, or any part thereof.

the Government Code in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the property nor shall the transferee or any person claiming under or through the transferee establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the land.

(2) Notwithstanding paragraph (1), with respect to familial status, paragraph (1) shall not be construed to apply to housing for older persons, as defined in Section 12955.9 of the Government Code. The Tenant shall comply with each and every requirement of all policies of public liability, fire and other insurance which at any time may be in force with respect to the Improvements.

Section 5.9 Property Taxes.

The Tenant acknowledges and agrees that this Lease may create a possessory interest subject to property taxation. Subject to the Tenant's rights of contest as provided in Section 5.16, the Tenant agrees to pay and discharge, or cause the payment and discharge, during the Term of the Lease, before delinquency, all taxes (including, without limitation, possessory interest taxes associated with the Property, the Lease, and any so-called value added tax), assessments (including without limitation, all assessments for public improvements or benefits, whether or not to be completed prior to the date hereof and whether or not to be completed within the Term of the Lease), fees, levies, water and sewer rents, rates and charges, vault license fees or rentals, license and permit fees and other governmental charges of any kind or nature whatsoever, general and special, ordinary and extraordinary, foreseen, currently or hereafter levied or assessed in lieu of or in substitution of any of the foregoing (all of the foregoing collectively called "Taxes") which are or may be at any time or from time to time during the Term of the Lease levied, charged, assessed or imposed upon or against the Property or the Improvements which are located thereon, or against any of the Tenant's Personal Property located thereon, or which may be levied, charged, assessed or imposed upon or against the leasehold estate created hereby or which may be imposed upon any taxable interest of the Tenant acquired pursuant to

the Lease. The Tenant shall pay or reimburse the City, as the case may be, for any fines, penalties, interest or costs which may be added by the collecting authority for the late payment or nonpayment of any Taxes required to be paid by the Tenant hereunder.

Section 5.10 Limits of Tax Liability.

The provisions of this Lease shall not be deemed to require the Tenant to pay municipal, county, state or federal income or gross receipts taxes (except as provided below) or excess profits taxes assessed against the City, or municipal, county, state or federal capital levy, estate, succession, inheritance, gift or transfer taxes of the City, or corporation franchise taxes imposed upon any corporate owner of the fee of the Property; except, however, that the Tenant shall pay all taxes assessed by any Governmental Authorities by virtue of any operations by the Tenant conducted on or out of the Improvements.

Section 5.11 Apportionment of Taxes.

All Taxes for the fiscal or tax years in which the Term begins and ends shall be apportioned so that the Tenant shall pay only those portions thereof that will correspond with the portion of said years as are with the Term.

Section 5.13 Evidence of Nonpayment.

The receipt by the City of a certificate, advice, receipt or bill of the appropriate official designated by law to make or issue the same or to receive payment of any such Taxes, stating the nonpayment of such Taxes shall be prima facie evidence that such Taxes are due and unpaid or have not been paid at the time of the making or issuance of such certificate, advice, receipt or bill.

Section 5.14 Assistance in Making Payments.

The Parties acknowledge that Tenant is responsible under this Lease for making various payments to third parties, such as tax and utility payments in accordance with the provisions of this Article 5. In case any person or entity to whom any sum is directly payable by the Tenant under any of the provisions of this Lease (e.g., a tax collector or utility company) shall refuse to accept payment of such sum from the Tenant (due to the fact that the Tenant is not the fee owner of the Property or for any other reason), the Tenant shall thereupon give written notice of such fact to the City and shall pay such sum directly to City at the address specified in Section 13.1 hereof, and City shall thereupon pay such sum to such person or entity.

Section 5.15 The City's Right to Cure.

If the Tenant, in violation of the provisions of this Lease, shall fail to pay and to discharge any Taxes, or any other tax or fee, the City may (but shall not be obligated to) pay or discharge such Taxes, and the amount paid by the City and the amount of all costs, expenses, interest and penalties connected therewith, including attorneys' fees, together with interest at the Default Interest Rate shall be deemed to be and shall, upon demand of the City, be payable by the Tenant as repayment of an Advance.

Section 5.16 Permitted Contests.

The Tenant shall not be required to pay, discharge or remove any Taxes (including penalties and interest) upon or against the Improvements, or any part thereof, so long as the Tenant shall in good faith contest the same or the validity thereof by appropriate legal proceedings and shall give to the City prompt notice in writing of such contest at least ten (10) days before any delinquency occurs and such legal proceedings shall operate to prevent the collection of the taxes so contested, or the sale of the Improvements, or any part thereof, to satisfy the same; and the Tenant shall, prior to the date such taxes are due and payable, (a) meet all requirements for contest imposed by the taxing entity whose Tax is being contested (including, without limitation, depositing any sums required by such taxing entity), and (b) if the taxing entity does not otherwise require such a deposit, deposit with the City, in a form reasonably acceptable to the City, that portion of the Tax which the Tenant in good faith does not propose to contest. In the event the final determination of any such contest is adverse to the Tenant, the Tenant shall, before any fine, interest, penalty or cost may be added thereto for nonpayment thereof, pay fully and discharge the amounts involved in or affected by such contest, together with any penalties, fines, interest, costs and expenses that may have accrued thereon or that may result from any such contest by the Tenant, and after such payment and discharge by the Tenant, the City shall promptly return to the Tenant any deposit that the Tenant shall have placed with the City. Any proceedings to contest the validity or amount of taxes or to recover back any taxes paid by the Tenant shall be brought by the Tenant, at the Tenant's sole expense, in the name of the Tenant. If any such proceedings are brought by the Tenant, the Tenant shall indemnify and hold harmless the City against any and all loss, cost or expense of any kind (including, but not limited to, reasonable attorneys' fees and expenses) which may be imposed upon or incurred by the City in connection with those proceedings.

The City shall cooperate with the Tenant in providing the Tenant information in connection with contests permitted under this Section.

Section 5.18 Hazardous Materials.

(a) Covenants.

(1) No Hazardous Materials Activities. The Tenant hereby represents and warrants to the City that, at all times from and after the Effective Date, the Tenant shall not cause or permit the Property or the Improvements thereon to be used as a site for the use, generation, manufacture, storage, treatment, release, discharge, disposal, transportation or presence of any Hazardous Materials.

(2) Hazardous Materials Laws. The Tenant hereby represents and warrants to the City that, at all times from and after the Effective Date, the Tenant shall comply and cause the Property and the Improvements thereon to comply with all Hazardous Materials Laws, including without limitation, those relating to soil and groundwater conditions.

(c) Environmental Indemnity. This obligation to indemnify and defend shall survive termination of this Lease.

ARTICLE 6.
TITLE TO IMPROVEMENTS; QUIET ENJOYMENT; INSPECTIONS.

Section 6.1 During the Term.

The City hereby grants to the Tenant, without warranty express or implied, any right, title, or interest that the City has or may have in the improvements now or hereafter located on the Property, which improvements are and shall at all times during the Term be deemed real property. Notwithstanding any provision in this Lease to the contrary, the Improvements and all alterations, additions, equipment and fixtures built, made or installed by the Tenant in, on, under or to the Property or the Improvements shall be the sole property of the Tenant until the expiration of the Term or other termination of this Lease; provided, however, that the Tenant shall have no right to destroy, demolish or remove the Improvements, or any portion thereof, except as specifically provided for in this Lease or as approved in writing by the City. It is the intent of the Parties hereto that this Lease shall create a constructive notice of severance of the Improvements from the Property without the necessity of a deed from the City after the Improvements have been constructed.

Section 6.2 After the Term.

Upon the expiration of the Term or other termination of the Lease, the Improvements and all alterations, additions, equipment and fixtures shall be deemed to be and shall automatically become the property of the City, without cost or charge to the City. Section 6.3 Benefits of Improvements During Term.

The City acknowledges and agrees that any and all depreciation, amortization, tax credits and other tax benefits for federal or state tax purposes relating to the Improvements located on the Property and any and all additions thereto, substitutions therefor, fixtures therein and other property relating thereto shall be deducted or credited exclusively to the Tenant during the Term and for the tax years during which the Term begins and ends.

Section 6.4 Quiet Enjoyment.

The City covenants and warrants that the Tenant shall peaceably and quietly have, hold, occupy, use and enjoy, and shall have the full, exclusive and unrestricted use and enjoyment of, all of the Property during the Term, subject only to the provisions of this Lease and all applicable legal requirements of the Governmental Authorities.

Section 6.5 The City's Right of Inspection.

Notwithstanding Section 6.4 above, the City, in person or through its agents, upon at least forty-eight (48) hours prior written notice to the Tenant, shall have the right to enter upon the Property for purposes of reasonable inspections performed during reasonable business hours in order to assure compliance by the Tenant with its obligations under this Lease, subject to the rights of the tenants of the Commercial Component.

Section 7.2 Purpose of Restrictions on Transfer; Applicability.

The Tenant recognizes that, in view of the following factors, the qualifications and identity of the Tenant are of particular concern to the community and City:

(a) The importance of the redevelopment of the Improvements to the general welfare of the community;

(b) The fact that a Transfer as defined in Section 7.1 above is for practical purposes a transfer or disposition of the leasehold interest in the Property then owned by Tenant; and

(c) The fact that the Improvements are not to be acquired, developed or used for speculation, but only for development and operation by Tenant in accordance with this Lease and the LDDA.

Tenant further recognizes that it is because of such qualifications and identity that City is entering into this Lease with Tenant and that Transfers are permitted only as provided in this Lease.

Section 7.3 Prohibited Transfers.

Except as expressly permitted in this Lease, Tenant represents and agrees that Tenant has not made or created, and shall not make or create or suffer to be made or created, any Transfer, either voluntarily or by operation of law.

The City shall approve the Transfer by written notice to the Tenant if, based upon the information submitted by the Tenant and any other information available to the City, it appears that following the Transfer, the new Tenant will be of sound reputation and will have sufficient financial strength and management and operation expertise in the ownership and operation of art based developments, to fully perform and comply with all terms of this Lease, and if, in addition, the proposed transferee meets the following criteria:

(a) The proposed transferee has continuously been in the business of owning and operating similar developments for at least five (5) years prior to the proposed Transfer;

(b) As of the date of the proposed Transfer, the proposed transferee has a net worth equal to or greater than that of the Tenant as of the Effective Date or as of the proposed Transfer, whichever is greater;

(c) The City determines that any proposed Transfer will not negatively impact the City's share of Net Revenues from the Art Center;

(d) If as a result of the proposed Transfer, the Gallery Operator is changed or the corporate structure of the Gallery Operator is changed, the City has approved the new Gallery Operator or the change in corporate structure of the existing Gallery Operator.

(e) The proposed transferee agrees to forfeit the return of Developer Equity and its Preferred Return on any Developer Equity outstanding as of the date of the transfer.

Unless the proposed Transfer is disapproved by City within sixty (60) days, which disapproval shall state with reasonable specificity the basis for disapproval, it shall be deemed approved.

No Transfer of this Lease (as opposed to a Transfer in whole or in part of an interest in the Tenant) permitted pursuant to Section 7.4 (other than the lease of the Commercial Component in accordance with this Lease, or the lease of the Arts Dedicated Space to the Gallery Operator) shall be effective unless, at the time of the Transfer, the person or entity to whom such Transfer is made, by an instrument in writing reasonably satisfactory to City and in form recordable among the land records, shall expressly assume all of the obligations of the Tenant under this Lease and the applicable City Documents and agree to be subject to all conditions and restrictions to which the Tenant is subject arising during such person's or entity's ownership of this Lease.

Section 7.7 Tenants of the Commercial Component.

The Parties acknowledge that the quality of the tenants in the Commercial Component are important to the overall success of the Property and is important to the Landlord in order to maintain the quality and character of the Property consistent with the goals and objectives of the City. In addition, in using the Property, the Tenant shall, at all times during the Term, operate the Property in a manner consistent with this Lease and as a publicly-owned building for the benefit of residents of the City and the general public, and the Tenant shall not, and shall not permit, the use of the Property in any manner that will injure the reputation of the City, or the Property. To that end the Parties agree that, to the extent the Tenant, or any party on behalf of the Tenant, selects or approves tenants, subtenants, or assignees of the Commercial Component, certain uses shall be prohibited and shall not be allowed under any circumstances. The prohibitions set forth herein shall not interfere with or prohibit the use of the Commercial Components or any other portion of the Arts Center for Art Uses.

Section 7.8 Transfer by City.

In the event of a sale, assignment, transfer or conveyance by the City of the fee interest in the Property or of the City's rights under this Lease, the City shall be released from any future liability upon any of the covenants or conditions of this Lease, expressed or implied, in favor of the Tenant, and, in such event, the Tenant agrees to look solely to the successor in interest of the City in and to the Property or this Lease. The City shall review and reasonably approve or disapprove of the evidence of insurance not less than ten (10) days after submission of complete information in the form required by the City. If the City disapproves the evidence of insurance, it shall specify in writing the reasons for such disapproval. The Tenant shall resubmit the information required within fifteen (15) days of the Tenant's receipt of the City's written notification. The review and submission periods shall continue to apply until the City approves the evidence of insurance coverage. Notwithstanding any provision to the contrary, this Lease shall not commence prior to City's approval of Tenant's insurance and no construction work shall be initiated on the Property prior to receipt of the City's approval of Tenant's insurance relating to construction. The City shall not unreasonably withhold, delay or condition approval of any insurance.

Each contractor, and sub-contractor shall have furnished the City with evidence of the insurance coverage meeting the general insurance requirements set forth in Exhibit D, prior to initiating any work on the Property. The periods for submission, review and approval shall apply as stated above.

Section 8.2 No Termination of Lease; Obligation to Restore.

Except as otherwise provided in Section 8.3 or 8.4, no loss or damage by fire or any other cause resulting in either partial or total destruction of any buildings or the Improvements now or hereafter located in, upon or on the Property, or any fixtures, equipment or machinery used or intended to be used in connection with the Improvements shall operate to terminate this Lease, or to relieve or discharge the Tenant from the payment of any Rent or other amounts payable under this Lease, as Rent or otherwise, as and when they become due and payable, or from the performance and observance of any of the agreements, covenants and conditions herein contained to be performed and observed by the Tenant. The Tenant hereby waives the

provisions of Section 1932, subsection 2, and of Section 1933, subsection 4, of the California Civil Code, as either or both may from time to time be amended, replaced or restated. Except as provided in Section 8.3 and 8.4, the Tenant shall promptly repair, or cause the prompt repair of, any damage or destruction caused to the Improvements and restore the Improvements to at least as good a condition as existed prior to the damage or destruction, as more specifically provided in Section 8.5. The Tenant's failure to make such full repair and restoration under any conditions in which it has elected or is required so to do shall constitute a Tenant Event of Default under this Lease.

Section 8.3 Damage or Destruction Occurring Prior to Final Years of Term.

The following provisions shall apply in cases of damage or destruction not described in Section 8.4:

(a) If the Improvements on the Property are damaged or destroyed by any casualty where (1) the casualty causing such damage or destruction is required to be insured against under the terms of this Lease, and (2) the insurance proceeds available are in an amount of not less than ninety-five percent (95%) of the amount necessary to repair and restore such Improvements, then the Tenant shall make full repair of such damage and shall restore the Improvements in accordance with the provisions of Sections 8.2 and 8.5.

(b) If the Improvements on the Property are damaged or destroyed by any casualty where (1) the casualty causing such damage or destruction is required to be insured against under the terms of this Lease, (2) the Tenant is not in default with respect to its obligation under this Lease to maintain insurance against the casualty causing such damage or destruction, and (3) the insurance proceeds available are in an amount that is less than ninety-five percent (95%) of the amount necessary to repair and restore such Improvements, then the Tenant shall have the right, at the Tenant's election, to (1) terminate this Lease in accordance with the provisions of Section 8.6, or (2) make full repair of such damage and to restore the Improvements in accordance with the provisions of Sections 8.2 and 8.5, or (3) repair such damage or restore the Improvements to the extent necessary to preserve them and make them safe, and in addition, to the extent of the insurance proceeds available.

(c) If the Improvements on the Property are damaged or destroyed by any casualty where (1) the casualty causing such damage or destruction is required to be insured against under the terms of this Lease, and (2) the Tenant is in default with respect to its obligation under this Lease to maintain insurance against the casualty causing such damage or destruction, then the Tenant shall make full repair of such damage and shall restore the Improvements in accordance with the provisions of Section 8.2 and 8.5.

(d) If the Improvements on the Property are damaged or destroyed by any casualty where the casualty causing such damage or destruction is not required to be insured against under the terms of this Lease, then the Tenant shall have the right, at the Tenant's election, to (1) terminate this Lease in accordance with the provisions of Section 8.6, or (2) make full repair of such damage and to restore the Improvements in accordance with the provisions of Section 8.2 and 8.5, or (3) repair such damage or restore the Improvements to the extent

necessary to preserve them and make them safe, and in addition, to the extent of the insurance proceeds available.

Section 8.4 Damage or Destruction During Final Years of Term.

In the event of major damage or destruction to the Improvements on the Property during the last five (5) years of the Term (as may be extended), the Tenant shall have the right, at the Tenant's election, to either make full repair of such damage and fully restore the Improvements on the Property in accordance with the provisions of Sections 8.2 and 8.5 or to terminate this Lease, and provided that if the Tenant elects to terminate this Lease, the Tenant shall comply with all of the following conditions:

(a) The Tenant shall give the City written notice of the damage or destruction within ten (10) days after the event causing such damage or destruction;

(b) There shall not then exist an Event of Default (or an event which, after notice and the passage of time as required by this Lease without cure of such event, would constitute an Event of Default);

(c) As promptly as is feasible, the Tenant shall repair or restore the damaged Improvements to the extent necessary to preserve them and make them safe from immediate danger to the public; and

(d) The Tenant shall deliver possession of the Property and the Improvements thereon to the City and shall quitclaim to the City all right, title and interest in the Property and the Improvements thereon.

Major damage or destruction to the Improvements on the Property (as used in this Section) means damage or destruction where the cost to make full repair of such damage and restore the Improvements in accordance with the provisions of Sections 8.2 and 8.5 would be fifty percent (50%) or more of the replacement cost of all of the Improvements on the Property in their entirety. The calculation of such percentage shall be based upon the replacement cost of the Improvements on the Property as of the date of the damage or destruction. The determination of whether any particular damage or destruction constitutes major damage or destruction within the meaning of this paragraph shall be determined and certified by a professional cost estimator experienced in such matters and mutually designated by the City and the Tenant within ten (10) days of the occurrence of such damage or destruction. If the Parties are unable to designate a mutually acceptable cost estimator within such period, either party may apply to the presiding judge of the Superior Court of Alameda County who shall appoint such cost estimator.

Section 8.5 Procedure for Repair and Restoration.

The provisions of this Section shall apply whenever the Improvements on the Property are to be repaired or restored under the provisions of this Article.

(a) In the event of any damage or destruction to the Property or the Improvements, the Tenant shall promptly give the City written notice of such damage or destruction, setting forth the cause (if known), the date on which such damage or destruction occurred, and the estimated cost of repair and restoration as certified by a professional cost estimator experienced in such matters. Whenever any part of the Property or the Improvements shall have been damaged or destroyed, the Tenant shall promptly make proof of loss and shall proceed promptly to collect, or cause to be collected, all valid claims which the Tenant may have against insurers or others based upon any such damage or destruction. Except as otherwise provided below, sums of money received as payments for any losses pursuant to said insurance policies shall be used and expended for the purpose of fully repairing or reconstructing the portions of the Property or the Improvements which have been destroyed or damaged in accordance with the procedures of subsections (b) and (c) below, unless the Tenant has established alternate procedures that, in the City's reasonable judgment, will accomplish the use and expenditure of the insurance proceeds to effectuate full repair or reconstruction of the portions of the Property or the Improvements which have been destroyed or damaged in a more effective manner than the procedures set forth in subsections (b) and (c).

The provisions of subsection (d) below shall apply regardless of the procedure employed for the use and expenditure of insurance proceeds.

(b) Within one hundred eighty (180) days after the event of damage or destruction, the Tenant shall make available to the Insurance Trustee, described in subsection (c) below, the difference, if any, between the certified estimated cost of repair and restoration and the amount of insurance proceeds anticipated to be received for such repair and restoration (such amount is hereinafter referred to as the "Tenant Contribution").

(c) All proceeds of insurance together with the Tenant Contribution, if any, shall be paid by the Tenant to the insurance trustee, which insurance trustee shall be a commercial bank or trust company experienced in such matters and designated by the City (the "Insurance Trustee"). The Insurance Trustee shall hold such proceeds in trust and shall disburse same to the Tenant as follows: from time to time as the work of restoration progresses, the Tenant shall submit to the Insurance Trustee a certificate of the Tenant, signed by an authorized officer or representative thereof, and approved by an architect selected by the Tenant and approved by the City (the "Architect"), which certificate shall:

(1) accurately describe the work for which the Tenant is requesting payment and the cost incurred by the Tenant in connection therewith,

(2) certify that the Tenant has not theretofore received payment for such work, and

(3) conditional lien releases based upon payment executed by all persons or entities supplying labor or materials in connection with such work; and

(4) contain or be accompanied by a statement by the Tenant that the work for which the Tenant is requesting payment has been performed substantially in accordance with plans and specifications therefor approved by the City.

Within five (5) days after receipt of any such certificate, the Insurance Trustee shall pay to the Tenant, from the funds on hand, an amount equal to ninety percent (90%) of the amount of the cost of the work for which the Tenant is requesting payment, as shown on such certificate. Upon completion of such work, the remainder of such cost (to the extent of the balance of the funds held by the Insurance Trustee) and all other insurance proceeds held by the Insurance Trustee shall be paid to the Tenant within five (5) days after the delivery to the Insurance Trustee of a certificate of the Tenant, signed by an authorized officer or representative thereof and approved by the Architect for the work, stating that the work has been completed and setting forth the total cost thereof, which certificate shall: (1) contain or be accompanied by a statement by the Tenant that the work has been completed substantially in accordance with plans and specifications therefor approved by the City; and (2) be accompanied by either (A) an unconditional waiver or release of mechanics' and materialmen's liens executed by all persons or entities supplying labor or materials in connection with such work or (B) other evidence reasonably satisfactory to the City that the period for filing any such lien has expired and no such lien has been filed, or, if filed, has been bonded by the Tenant to the reasonable satisfaction of the City and the Insurance Trustee. The Insurance Trustee shall not be required to invest or pay interest on any funds held by such trustee, except in accordance with any agreement between the Tenant and the Insurance Trustee.

(d) The Tenant shall promptly commence and complete, in a good and workmanlike manner and in accordance with Article 4, the reconstruction or repair of any part of the Property or the Improvements thereon damaged or destroyed after (1) the City has approved the Tenant's plans, drawings, specifications and construction schedule for such reconstruction or repair as such approval may be required under Article 4, and (2) the proceeds of insurance, if any, applicable to such reconstruction or repair have been made available for such purpose.

Section 8.6 Procedures Upon Permitted Termination.

Upon termination of this Lease pursuant to Section 8.3 or 8.4, insurance proceeds for the Improvements not used in repair or restoration shall be distributed as follows:

(a) First, at the option of the City, to the City in the amount necessary to raze the remaining Improvements, clear the Property, make it safe, and return the Property to the condition of a developable pad.

(b) Second, to the City in the amount necessary to repay the City the City Funds.

(c) Third, to the Tenant in the amount of any Developer Equity and accrued Preferred Return not previously repaid.

(d) Fourth, any balance shall be paid to the City and to Tenant as follows:

(i) if paid during the first ten (10) years of the Term, in proportion to the amount of City Funds and Developer Equity provided to fund the Improvements, respectively

(ii) If paid thereafter, 50% to the City and 50% to Tenant.

All other insurance proceeds shall be paid to and become the sole property of the Tenant.

Section 8.7 Prosecution of Claims.

In connection with and as a condition of any termination pursuant to Section 8.3 or 8.4, the Tenant shall make proof of loss and proceed to collect or commence collection of all valid claims which the Tenant may have against insurers or others based upon such damage or destruction, and shall assign and transfer to the City all rights under insurance policies and against others and proceeds of insurance and other claims resulting from the casualty.

Upon termination of this Lease, the Tenant shall deliver possession of the Property and the Improvements thereon to the City and quitclaim to the City all right, title and interest in the Property and the Improvements thereon.

ARTICLE 9.
SURRENDER; HOLDING OVER

Section 9.1 Surrender of Property.

(a) The Tenant shall, at least ninety (90) days before the last day of the Term (as may be extended), give to City a written notice of Tenant's intention to surrender the Property and the Improvements thereon on that date, but nothing contained in this Section shall be construed as an extension of the Term of this Lease or as consent of City to any holding over by Tenant.

(b) At the end of the Term or other sooner termination of this Lease, Tenant shall surrender and deliver to City the Property and the possession of the Property, together with all Improvements and Personal Property the City is entitled to retain on the Property pursuant to the terms of this Lease, in condition required for the Property and Improvements to be maintained under this Lease, and free and clear of all liens and encumbrances other than those, if any, presently existing or created by City, without payment or allowance whatever by City on account of any such Improvements.

(c) Concurrently with the surrender of the Property, the Tenant agrees, if requested by City and for the benefit of City, to execute, acknowledge and deliver to the City a quitclaim deed to the Property and such instruments as may be reasonably requested by the City to evidence or otherwise effect such passage and vesting of title to the Improvements and Personal Property, if any, retained on the Property to the City.

Section 9.2 Holding Over.

If the Tenant shall retain possession of the Property or the Improvements thereon or any part thereof without the City's prior written consent following the expiration or sooner termination of this Lease for any reason, then the Tenant shall pay to the City an amount equal to two hundred percent (200%) of the fair market rent for the Property (as reasonably determined by the City) and other payments that would have been due had the Lease not expired or been terminated and had the Rent and other payment terms in effect at the time of the expiration or sooner termination of the Lease remained in effect. These payments shall be applicable to a holding over of any kind by the Tenant. The Tenant shall also indemnify and hold the City harmless from any loss or liability resulting from delay by the Tenant in surrendering the Property, including, without limitation, any claims made by any succeeding tenant founded on such delay. Acceptance of Rent by the City following expiration or termination shall not constitute a renewal of this Lease and nothing contained in this Section 9.2 shall waive the City's right of reentry or any other right. The Tenant shall be only a tenant at sufferance, whether or not the City accepts any Rent from the Tenant while the Tenant is holding over without the City's written consent.

Section 9.3 No Merger.

Except upon expiration of the Term or upon termination of this Lease pursuant to an express right of termination set forth herein, there shall be no merger of either this Lease or the Tenant's estate created hereunder with the fee estate of the Property or any part thereof by reason of the fact that the same person may acquire, own or hold, directly or indirectly, (a) this Lease, the Tenant's estate created hereunder or any interest in this Lease or the Tenant's estate (including the Improvements), and (b) the fee estate in the Property or any part thereof or any interest in such fee estate (including the Improvements), unless and until all persons, including any assignee of the City, having an interest in (i) this Lease or the Tenant's estate created hereunder, and (ii) the fee estate in the Property or any part thereof, shall join in a written instrument effecting such merger and shall duly record the same.

ARTICLE 10.
EMINENT DOMAIN

Section 10.1 Total Taking.

If either the entire Property (or any improvements thereon) or a substantial and essential portion of the Property (or any improvements thereon), the taking of which portion materially impairs the use of the Improvements then being made by Tenant and renders the remainder of the Improvements unsuitable or economically not feasible for such use, as reasonably determined by Tenant in good faith, is taken under the power of eminent domain during the Term of this Lease, then this Lease shall terminate as of the date of such taking. The City and the Tenant shall together make one claim for an award for their combined interests in the Property and all

buildings, structures, Improvements and fixtures thereon which are so taken. Such award shall be paid to and divided between the City and the Tenant in priority as follows:

(a) All compensation and damages payable for or on account of the underlying fee title to the Property, assuming that the Property were unimproved but encumbered by this Lease, shall be payable to and be the sole property of the City.

(b) All compensation and damages payable for or on account of the buildings and Improvements located on the Property shall be divided between the City and the Tenant in the manner specified in Section 8.6 of this Lease.

Section 10.2 Partial Taking.

If less than the whole of the Property is taken under the power of eminent domain during the Term of this Lease and this Lease is not terminated as provided in Section 10.1 hereof, then this Lease shall terminate only with respect to the portion of the Property taken and this Lease shall continue in full force and effect with respect to the portion of the Property not taken. The Tenant shall, but only to the extent of the amount of the award received, promptly reconstruct and restore the portion of the Property not taken and the buildings and Improvements located on the portion of the Property not taken as an integral unit of the same general quality and character as existed prior to such taking. Such reconstruction and restoration shall be performed in a good and workmanlike manner and undertaken in accordance with plans and specifications submitted to and approved by the City in accordance with Article 4, and otherwise in accordance with the applicable provisions of this Lease.

All awards or other payments received on account of a partial taking as described in this Section 10.2 shall be paid to the Insurance Trustee referred to in Section 8.5 above to be held and disbursed in the same manner as insurance proceeds, except that any portion of such award remaining after completion of any restoration shall be divided between the City and the Tenant and disbursed by the Insurance Trustee in the manner provided in Section 8.6.

Section 10.3 Temporary Taking.

If the use of all or any part of the Property is taken under the power of eminent domain during the Term on a temporary basis for a period less than the time remaining after the date of such taking to the end of the Term, then this Lease shall continue in full force and effect and the Tenant shall continue to be obligated to perform and observe all of the agreements, covenants and conditions on the part of the Tenant to be performed and observed as and when performance and observance is due to the full extent that such agreements, covenants and conditions are physically capable of performance and observance by the Tenant after such taking. The award payable for or on account of such taking shall be paid to the Tenant.

Section 10.4 Notice of Taking; Single Proceeding.

In case of a taking of all or any part of the Property or the Improvements thereon or the commencement of any proceeding or negotiations which might result in such taking, the party

having notice of such taking or of the commencement of any such proceeding or negotiations shall promptly give written notice thereof to the other party. The City and the Tenant shall jointly prosecute their claims for an award in a single proceeding. In any eminent domain proceeding affecting the Property, both the City and the Tenant shall have the right to appear in the proceeding and to defend against the eminent domain action as they deem proper in accordance with their own interests. To the extent possible, the City and the Tenant shall cooperate with each other to maximize the amount of the award payable by reason of the eminent domain. Issues between the City and the Tenant that arise under this Article 10 shall be joined in any such eminent domain proceeding to the extent permissible under then applicable rules governing such joinder.

As used in this Lease: (1) a "taking" means the acquisition of all or any part of the Property for a public use by exercise of the power of eminent domain; (2) the taking shall be considered to occur as of the earlier of the date on which possession of the Property by the entity exercising the power of eminent domain is authorized as stated in an order for possession, or the date on which title to the Property vests in the person exercising the power of eminent domain; and (3) "award" means the compensation paid for the taking.

ARTICLE 11.
EVENTS OF DEFAULT

Section 11.1 Events of Default.

Each of the following, subject to the applicable notice and cure period below, shall be a "Tenant Event of Default" by the Tenant hereunder:

(a) Failure by the Tenant to pay any Rent when due or to pay or cause to be paid any, insurance premiums or other liquidated sums of money herein stipulated to be paid by the Tenant, if such failure shall continue for a period of ten (10) days after notice thereof has been given by the City to the Tenant;

(b) The Tenant breaches, and thereafter fails to cure within the time frame set forth in subsection (g) below, any provision of Article 4;

(c) The Tenant breaches, and thereafter fails to cure within the time frame set forth in subsection (g) below, any provision of Article 5;

(d) A Bankruptcy/Insolvency Event occurs with respect to the Tenant;

(e) The Tenant attempts or completes a Transfer without obtaining the City's prior written consent as required pursuant to this Lease;

(f) The failure of the Tenant to fully repair and restore the Improvements in accordance with the requirements of Article 8;

(g) Failure by the Tenant to perform or observe any other provisions of this Lease, the LDDA, or the applicable City Documents to be observed and performed by the Tenant, if such failure shall continue for a period of sixty (60) days after notice thereof has been given by the City to the Tenant; provided, however, that if any such failure cannot reasonably be cured within such sixty (60) day period, then the City shall not have the right to terminate this Lease or the Tenant's right to possession hereunder so long as the Tenant promptly commences the curing of any such failure and thereafter proceeds in good faith and with due diligence to remedy and correct such failure within a reasonable period of time; provided, however, that such period shall not extend for more than one hundred twenty (120) days after the date of the City's notice to the Tenant.

Section 11.2 Rights and Remedies.

(a) At any time after the occurrence of a Tenant Event of Default hereunder, the City, subject in all respects to the provisions of this Lease with respect to the City's rights to cure defaults by the Tenant, may terminate this Lease by giving the Tenant written notice thereof, setting forth in such notice an effective date for termination which is not less than thirty (30) days after the date of such notice, in which event this Lease and the Tenant's estate created hereby and all interest of the Tenant and all parties claiming by, through or under the Tenant shall automatically terminate upon the effective date for termination as set forth in such notice, with the same force and effect and to the same extent as if the effective date of such notice had been the date originally fixed in Article 2 hereof for the expiration of the Term. In such event, the City, its agents or representatives, shall have the right, without further demand or notice, to re-enter and take possession of the Property (including all buildings, the Improvements, and other improvements comprising any part thereof) at any time from and after the effective termination date without being deemed guilty of any manner of trespass and without prejudice to any remedies for arrears of Rent or existing breaches of covenants or any other remedy available at law or equity to the City.

(b) In addition to the remedy set forth in subsection (a) above, upon any Tenant Event of Default the City may exercise any other remedy set forth in any applicable City Documents or any other remedy available at law or at equity.

(c) Upon the exercise of the City's remedies pursuant to this Section 11.2, the Tenant shall execute such releases, deeds and other instruments in recordable form as the City shall reasonably request in order to accurately set forth of record the then current status of the Tenant's estate in the Property and the Tenant's rights hereunder. The obligations set forth in this subsection shall survive the termination of the Lease.

Section 11.3 Default by the City.

(a) Events of Default. The City shall be in default of this Lease if it fails to perform any material provision of this Lease that it is obligated to perform, and if the failure to perform is not cured within thirty (30) days after written notice of the default has been given to the City. If the default cannot reasonably be cured within thirty (30) days, the City shall not be

in default of this Lease if the City commences to cure the default within such thirty (30) day period and diligently and in good faith continues to cure the default until completion.

(b) Right to Cure; the Tenant's Remedies. If the City shall have failed to cure a default by the City after expiration of the applicable time for cure of a particular default, the Tenant, at its election, but without obligation therefor (i) may seek specific performance of any obligation of the City, after which the Tenant shall retain, and may exercise and enforce, any and all rights that the Tenant may have against the City as a result of such default, (ii) from time to time without releasing the City in whole or in part from the obligations to be performed by the City hereunder, may cure the default at the City's cost, and/or (iii) may terminate this Lease.

(c) Notices. Notices given by the City under Section 11.1 or by the Tenant under Section 11.3 shall specify the alleged default and the applicable Lease provisions, and shall demand that the Tenant or the City, as applicable, perform the appropriate provisions of this Lease within the applicable period of time for cure. No such notice shall be deemed a forfeiture or termination of this Lease unless expressly set forth in such notice.

ARTICLE 12.

No party shall evade or refuse delivery of any notice. Telephone numbers are only provided for the Parties' convenience, and formal notices may not be transmitted by telephone. Section 12.2 Conflict of Interests.

No member, official or employee of the City shall make any decision relating to the Lease which affects his or her personal interests or the interest of any corporation, partnership or association in which he is directly or indirectly interested.

Section 12.3 Non-Liability of Officials, Employees and Agents.

No member, official, employee or agent of the City shall be personally liable to the Tenant, or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to the Tenant or successor or on any obligation under the terms of this Lease.

Section 12.4 Enforced Delay.

In addition to specific provisions of this Lease, performance by either party shall not be deemed to be in default where delays or defaults are due to war; acts of terrorism; insurrection;

strikes; lock-outs; riots; floods; earthquakes; fires; quarantine restrictions; freight embargoes; energy shortages or rationing; lack of transportation; or court order; or any other similar causes (other than lack of funds of the Tenant or the Tenant's inability to finance the Development) beyond the control or without the fault of the party claiming an extension of time to perform. An extension of time for any cause shall be deemed granted if notice by the party claiming such extension is sent to the other within ten (10) days from the commencement of the cause and such extension of time is not rejected in writing by the other party within ten (10) days of receipt of the notice. In no event shall the cumulative delays exceed one hundred twenty (120) days unless otherwise agreed to in writing by the Parties. Times of performance under this Lease may also be extended by written agreement of the City and the Tenant.

Section 12.5 Inspection of Books and Records.

The City and its agents have the right at all reasonable times to inspect on a confidential basis the books, records and all other documentation of the Tenant pertaining to its obligations under this Lease. The Tenant shall retain such books, records and documentation for a period of five (5) years after their creation.

Section 12.6 Title of Parts and Sections.

Any titles of the sections or subsections of this Lease are inserted for convenience of reference only and shall be disregarded in construing or interpreting any part of its provision.

Section 12.7 Indemnity.

The Tenant shall indemnify, defend, hold harmless the City, and its council members, employees, agents, volunteers, successors, and assigns against any and all suits, actions, claims, causes of actions, whether actual or alleged, administrative proceedings, arbitrations or enforcement actions which arise out of or in connection with directly or indirectly, in whole or in part, the Tenant's ownership, occupancy, development, or operation of the Improvements or construction, maintenance, rehabilitation or repair on the Property or of the Improvements by the Tenant or the Tenant's contractors, subcontractors, agents, employees or tenants and all damages (direct or consequential), costs, losses, injuries, fines, penalties, liens, encumbrances, charges, liabilities, demands, judgments, remedial action requirements, obligations, and all costs and expenses incurred in connection therewith (including, but not limited to, attorney fees and costs); provided, however, that this indemnity shall not extend to any claim arising solely from the City's failure to perform its obligations under this Lease or solely from the gross negligence or willful misconduct of the City, or its council members, employees, agents, volunteers, successors, and assigns. The provisions of this section shall survive expiration of the Term or other termination of this Lease and shall remain in full force and effect, and are not limited by the amount of insurance as may be required.

Section 12.8 Applicable Law.

This Lease shall be interpreted under and pursuant to the laws of the State of California.

Section 12.9 Severability.

If any term, provision, covenant or condition of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provision shall continue in full force and effect unless the rights and obligations of the parties have been materially altered or abridged by such invalidation, voiding or unenforceability.

Section 12.10 Legal Actions.

(a) Any legal action commenced to interpret or to enforce the terms of this Lease shall be filed in the Superior Court of Alameda County.

(b) In the event legal action is commenced by a third party or parties, the effect of which is to directly or indirectly challenge or compromise the enforceability, validity, or legality of the Lease and/or the power of the City to enter into this Lease or perform its obligations hereunder, either the City or the Tenant may (but shall have no obligation to) defend such action. Upon commencement of any such action, the City and the Tenant shall meet in good faith and seek to establish a mutually acceptable method of defending such action.

Section 12.11 Binding Upon Successors; Covenants to Run With Land.

This Lease shall be binding upon and inure to the benefit of the heirs, administrators, executors, successors in interest and assigns of each of the parties; provided, however, that there shall be no transfer of any interest by the Tenant except pursuant to the terms of this Lease. Any reference in this Lease to a specifically named party shall be deemed to apply to any successor, heir, administrator, executor or assign of such party who has acquired an interest in compliance with the terms of this Lease, or under law.

The terms of this Lease shall run with the land and shall bind all successors in title to the Property during the Term of this Lease, except that the provisions of this Lease that are specified to survive termination of this Lease shall run with the land in perpetuity and remain in full force and effect following such termination. Every contract, deed, or other instrument hereafter executed covering or conveying the Property or the Improvements or any portion thereof shall be held conclusively to have been executed, deliver, and accepted subject to such covenants and restrictions, regardless of whether such covenants or restricts are set forth in such contract, deed or other instrument, unless the City expressly releases the Property, the Improvements, or the applicable portion of the Property, from the requirements of this Lease.

Section 12.12 Discretion Retained by City.

(b) Operating Memoranda or Implementation Agreements may be executed on the City's behalf by the City Manager. In the event a particular subject requires notice or hearing, such notice or hearing shall be appropriately given. Any significant modification to the terms of performance under this Lease shall be processed as an amendment of this Lease in accordance with Section 12.18 and must be approved by the City Council.

EXHIBIT B

SCOPE OF DEVELOPMENT AND FINAL CONSTRUCTION PLANS

Project Site and Surroundings.

The project site consists of a single, approximately 0.79-acre parcel that is currently developed with a 30,000 square-foot one-story, unreinforced masonry brick building. The building is currently vacant and is roughly divided into a large factory floor that takes up about two-thirds of the square footage, and a series of offices, hallways, and bathroom facilities in the northern one-third of the building. The site is adjacent to Old Town Hall and a public parking lot that is utilized by residents of the Besler Building (a live-work building located across Haven Street at 4053 Harlan Street), City employees and visitors. The surrounding development consists of a mix of residential, commercial, retail and office buildings including Rudy's Can't Fail Café, Granite Expo, Michael's, Besler Building and Bridgecourt Apartments.

Proposed Use(s) and Site Improvements.

Uses:

The Emeryville Arts Center will be a center for visual arts. A large visual arts gallery and flexible use theater space will anchor the project. The project will consist of approximately 30,000 square feet of space including a theater, flexible gallery and performance space, leasable studio space, a café, office space, multipurpose and co-working space. The project includes provisions for a future watchperson's unit and storage space. The Emeryville Arts Center is proposed to be a first-class regional arts exhibition space. Use of the Building shall comply with Planning Entitlements for the project and the Lease Agreement as generally depicted in the Use Distribution Floor Plan (see below).

Site Improvements:

The building will feature new windows, doors, and exterior finishes detailed further below, and building systems will be modernized and/or replaced, including roof, electrical, mechanical, plumbing, and fire safety. All site improvements will substantively comply with the level of quality of design and materials approved with the Planning Entitlements for the project.

A new glass wall along the Hollis St. façade will serve as the building's main entrance. A new restaurant/café will open at the northwest corner of the building, which will also feature windows along Hollis St. The remainder of the Hollis St. façade will retain its historic brick façade and openings. The openings will provide natural light to the art studios facing Hollis St. as well as roll-up doors that tenants may use for small deliveries.

Along 40th Street, Developer plans to replace the existing corrugated metal addition with a new jewel box that will provide display space supportive of the art gallery and venue.

The unreinforced masonry at the north and a portion of the east elevations of the building will be replaced with panels of vertically aligned corrugated metal façade panels, which will lighten the

building's weight and improve its seismic performance. The existing sculptured fountain on the north façade will be left as is and the façade will feature a green wall.

If sufficient funding is available, a new watchmen's unit is proposed for the second level as an additional scope. It will be accessed through an internal stairway and lift. Where entitled by the related Planning Permits and allowed by Building Code, attic storage space would also be created. Street trees along Hollis Street and 40th Street would be removed and replacement street trees and other landscaping will be installed as required per the Planning Entitlements for the project.

Interior improvements will include completion of the flexible gallery/multipurpose space to a finished tenant-ready condition including but not limited to seating, lighting and audio/video systems typical for a performance arts facility. The studios and office/coworking spaces will be finished to a tenant-ready level of completion, and the café space will be finished to a "cold shell" level of completion, with tenant improvements pending identification of occupant subtenants.

See below for floor plans.

Use Distribution Floor Plan.

This illustration is intended to show macro-level square footage allotments by use including arts-dedicated uses and commercial uses. Specific floor plans may change where permitted by the Planning Entitlements and where they are in substantive compliance with arts-dedicated use percentage requirements.
