"Planning Commission Applicants Only" A short (300 words or less) statement discussing your ideas and attitudes about planning in Emeryville. Please consider issues such as traffic, industrial and commercial development density, affordable housing, maintaining community diversity and jobs/housing balance.	**I have been impressed with Emeryville's clear strategy to redevelop from a rail and light industrial center to mixed commercial, light industrial and residential mixed community. My passions is using strategies to create high-density livable enviroments that integrate sustainability. Generally, I would like to be part of the continued transformation.**
