Hi Lorrayne,

Thank you for following up with me. I am unsure of the qualifications to become a member of the committee but wanted to give it a shot since I am a resident. I am returning to Emeryville after a few years in the 94609 and 94608 area codes of Oakland. I have lived in these two areas for about 13/14 years. I have watched as the prices for homes have skyrocketed and the unhoused community has grown. I am interested in what this committee sees for the future of Emeryville housing. What is considered affordable and how can we keep the diversity in our small town. I have always been impressed by the way Emeryville has governed and the ways it has made improvements, so I look forward to learning more.

I am an urban farmer and landscaper. I love being outdoors. I have some college experience but no degree. I identify as a queer latina she/her and a lifetime learner :) Please let me know what else I can share as I was unsure of what to fill out on the form. Thanks so much for your time and hope to hear back.

Best,
Cristal
