		<b>Review #</b>	1

The Alameda County Fire Department has reviewed the revised proposal dated September 2, 2021 for a new market building.

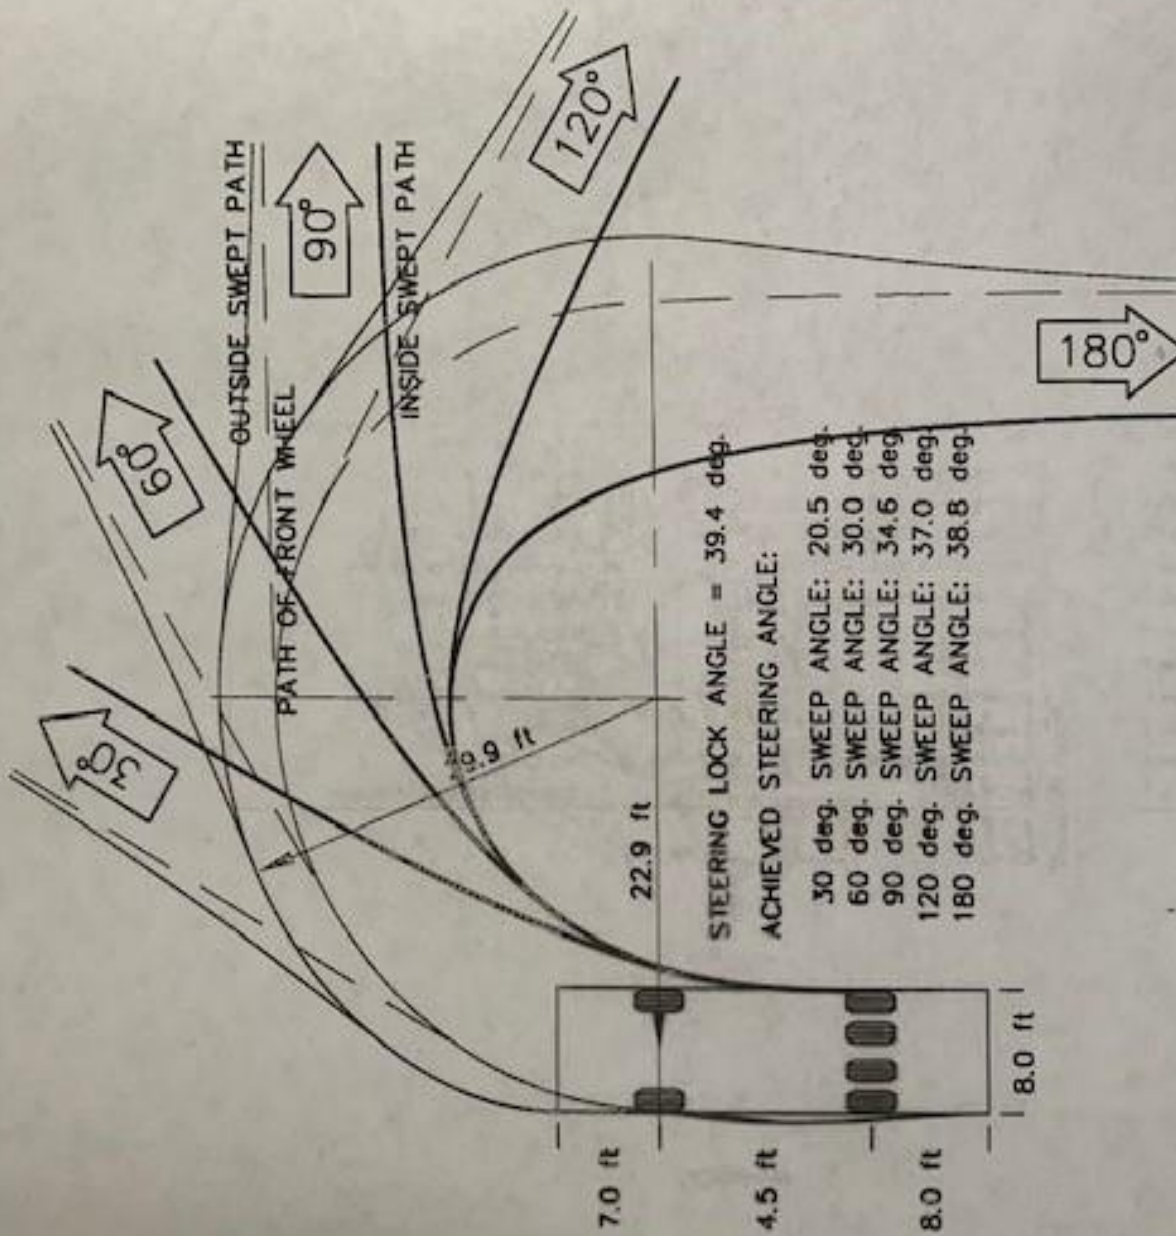

This review is for Fire Department Access design only. A complete set of drawings is required for proposed buildings compliance.

1. On Page 30 – Please remove parking from Bay St. side of project.

Response: \_\_\_\_\_

2. Please add a page indicating how the project complies with 2019 California Fire Code Chapter 5 section 503.2.1. Please include a scaled site plan indicating FD apparatus access. Include turning radius (see picture below).

Response: \_\_\_\_\_
