Staff recommends that the City Council adopt the second reading of the attached Ordinance amending the Sherwin Williams Planned Unit Development/Preliminary Development Plan (PUD/PDP) to replace the Landscape Plan on Page 18 that calls for the retention of 11 existing street trees on the west side of Horton Street between Sherwin Avenue and new 46<sup>th</sup> Street, with a revised Landscape Plan that calls for removal of four trees in this location. This will accommodate the new 46<sup>th</sup> Street and joint trenching needed to underground overhead utilities on Horton Street between Park Avenue and new 46<sup>th</sup> Street.
