

Legislation Details (With Text)

File #: ID-2021-083 **Version:** 1 **Name:** Planning Director's report on February 25, 2021 Planning Commission meeting
Type: Informational Report **Status:** Department Head Report
File created: 2/5/2021 **In control:** City Council
On agenda: 3/2/2021 **Final action:**
Title: Planning Director's report on Planning Commission actions at the February 25, 2021 meeting:

(a) General Plan Annual Progress Report. Review of the annual progress report on implementation of the General Plan, including the Housing Element, in Calendar Year 2020, for submittal to the Governor's Office of Planning and Research and the California Department of Housing and Community Development.

(b) Sherwin Williams Building 1-31 Adaptive Reuse. Consideration of a Final Development Plan for adaptive reuse of the existing Building 1-31 in the Sherwin Williams Planned Unit Development/Preliminary Development Plan (PUD/PDP) that includes the design of the pedestrian and bicycle pass-through required by the PUD/PDP. The PUD/PDP was approved by the City Council on November 1, 2016. (This project was heard and approved by the Planning Commission on December 10, 2020, but due to a noticing defect, it needed to be re-heard and re-approved.)

(c) BMR Emeryville Center of Innovation. Consideration of a Final Development Plan to demolish two existing buildings and surface parking and construct four new multi-tenant research and development buildings and a supporting parking garage as part of implementation of the Emeryville Life Sciences Center Planned Unit Development/Preliminary Development Plan (PUD/PDP), also referred to as the "Chiron PUD/PDP" (PUD 93-2), that was approved by the City Council on August 15, 1995. The project includes utility improvements and circulation improvements including one-way cycle tracks in each direction on Horton Street from 53rd Street to 45th Street; one-way cycle tracks in each direction on 53rd Street from Horton Street to Hollis Street; a diverter at Stanford Avenue and Horton Street; a Pedestrian Hybrid Beacon protected crosswalk at the parking structure on Horton Street; and a traffic signal at the intersection of Horton Street and 53rd Street. The project also includes an application for a Tree Removal Permit for 22 street trees including six European Hornbeams (*Carpinus betulus*) on the north side of 53rd Street between Chiron Way and Horton Street, seven Red Maples (*Acer rubrum*) on the east side of Horton Street north of 53rd Street, and six Brazilian Peppers (*Schinus terebinthifolius*) and three Chinese Pistache (*Pistacia chinensis*) on the west side of Horton Street north of new 46th Street.
